INDEPENDENT ACCOUNTANT’S REPORT

We have examined the accompanying Schedule of Balances of the Nebraska State Treasurer as of January 6, 2004. This schedule is the responsibility of the Nebraska State Treasurer’s management. Our responsibility is to express an opinion based on our examination.

We conducted our examination in accordance with attestation standards established by the American Institute of Certified Public Accountants, and, accordingly, included examining on a test basis, evidence supporting the Schedule of Balances and performing other procedures, as we considered necessary in the circumstances. We believe our examination provides a reasonable basis for our opinion.

This examination was conducted to meet the statutory requirements of the Auditor of Public Accounts to certify the balance of money, securities, and effects for which the Nebraska State Treasurer is accountable as required by Neb. Rev. Stat. Section 84-605 R.R.S. 1999.

In our opinion, the schedule referred to above presents, in all material respects, the balances, securities, and effects for which the Nebraska State Treasurer was accountable as of January 6, 2004.

This report is intended for the information and use of the Nebraska State Treasurer, the Nebraska State Legislature, and citizens of the State of Nebraska, however, this report is a matter of public record and its distribution is not limited.
