Dear Kerry and Roger:

Although the audit work addressed herein was performed as part of the fiscal year 2012 Statewide Single audit, this communication is provided pursuant to AICPA Auditing Standards, AU Section 325.19, which encourages auditors to communicate some matters, at an interim date, because of the significance and urgency for corrective follow-up action. This communication is based on our audit procedures performed through January 31, 2012. Because we have not completed our fiscal year 2012 Statewide Single audit, additional matters may be identified and communicated in our final report.

This interim communication is intended solely for the information and use of management, the Governor and State Legislature, others within these State agencies, and the appropriate Federal and regulatory agencies. However, this report is a matter of public record and its distribution is not limited.

On January 13, 2012, the Federal Bureau of Investigation (FBI) contacted the Auditor of Public Accounts (APA) to refer issues regarding possible inaccurate billing practices involving Federal funds by two large child care centers located in Omaha, NE. The APA examined the supporting documents of these two child care centers for the period July 1, 2011, through January 31, 2012. The two centers were:

Kid's Ark Learning Center (Kids Ark)  
4411 North 61<sup>st</sup> Street  
Omaha, NE 68104  
License Number: CCC8607

Wise Kids, Inc. (Wise Kids)  
5829 Northampton Blvd.  
Omaha, NE 68104  
License Number: CCC7470

Both Wise Kids and Kids Ark have provider agreements with the Department of Health and Human Services (DHHS) to provide child care services and receive money under the Federal Child Care and Development Fund Cluster. Both also participate in the Child and Adult Care

Food Program (CACFP) administered by the Nebraska Department of Education (NDE). In order to provide a historical perspective of the amount that has been received by each of these child care centers, the APA has summarized below the payments from the State of Nebraska for fiscal years 2003 through 2012:

Fiscal Year July to June	Wise Kids			Kids Ark			Totals

*Note 1: These payments include only those paid through the State's accounting system; they do not include any private funding the entities received.*

Of the \$1,498,364.82 total amount paid to both child care centers in fiscal year 2012, \$799,160.92 was paid from Federal funds and the remaining \$699,203.90 was from State funds.

### **Background**

The APA examined the billing practices of these two large child care centers in Omaha, Nebraska – Kid's Ark and Wise Kids. Both are owned and operated by Gale Henderson. Wise Kids is also owned and operated by her husband Walter Henderson.

The following table outlines the general licensing information for each center:

	Kids Ark	Wise Kids
<b>Location</b>	4411 North 61st Street	5829 Northampton Boulevard
<b>License Number</b>	CCC8607	CCC7470
<b>Date of Issuance</b>	10/18/2004	12/31/1997
<b>Licensed Capacity</b>	78 Children	90 Children
<b>Eligible Age Ranges</b>	6 weeks - 13 years	6 weeks - 13 years
<b>Days of Operation</b>	Monday - Friday	Monday - Friday
<b>Hours of Operation (Note)</b>	6 AM through 11:30 PM	6 AM through 11:30 PM

*Note: Both facilities' licenses indicate they are open until 11:30 PM; however, according to the attendance calendars obtained by the APA, neither facility generally provided services to children after 7 PM.*

### **Wise Kids**

On May 28, 1996, Wise Kids' filed its Articles of Incorporation with the Nebraska Secretary of State. That document states, "The purpose of the center is to provide a multi-purpose child development, educational, learning, resource, recreational facility." The incorporators were Gale L. Faulks (currently Henderson) and Walter Henderson.

### *Kids Ark*

On February 23, 1998, Frances Johnson started Johnson's Christian Development Care, Inc., at 4411 N. 61<sup>st</sup> Street. This child care center closed on October 15, 2003. According to DHHS' Nebraska Family On-line Client User System (NFOCUS):

*"This facility closed effective Oct 15, 2003. Due to a pending negative action the provider decided to close her program. The provider's daughter, Gale Henderson, will be taking over the property and starting a new daycare called Kids Ark Learning Center. The provider, Frances Johnson, will not have any involvement with the daycare other than landlord of the property."*

Kids Ark filed its Articles of Organization as a Limited Liability Company with the Nebraska Secretary of State on July 21, 2003, to operate as a child care preschool. At that time, Gale Henderson was the only member listed in the Articles of Organization. As of July 10, 2012, the Secretary of State's website lists the account status of Kids Ark as "Inactive" for nonpayment of fees in 2007.

On July 14, 2008, Jennifer R. Johnson filed an application for registration of a trade name under Kids Ark Learning Center at the same address indicated above.

### *DHHS*

DHHS is assigned the responsibility of licensing child care programs under the Child Care Licensing Act, which is set out at Neb. Rev. Stat. §§ 71-1908 through 1923 (Reissue 2009).

As mentioned, Federal monies are spent by the State under a Federal program – the Child Care and Development Fund Cluster. DHHS follows Federal regulations in administering this program. Specifically, 45 C.F.R. § 98.67 (a) states:

*"Lead Agencies shall expend and account for [Child Care and Development Fund] CCDF funds in accordance with their own laws and procedures for expending and accounting for their own funds."*

DHHS has also promulgated rules and regulations covering the licensing of child care programs. Title 391 of the Nebraska Administrative Code (NAC) governs child care licensing. Specifically, Title 391 NAC 1-002 says:

*"Department staff are responsible for the compliance with appropriate statutes, development and implementation of all child care licensing regulations, administration of child care licensing programs, license issuance, protection of provider's rights, fiscal control, public awareness, parent education, and statistical analysis."*

Title 392 regulates the Child Care Subsidy Program. Title 392 NAC 1-001.01 provides:

*"The Child Care and Development Block Grant Act established the Child Care Subsidy Program as a block grant in 1992. In 1996 it was amended by the Personal Responsibility and Work Opportunity Reconciliation Act to give states more flexibility in addressing child care needs."*

The purpose of the Child Care Subsidy Program is to assist low income families with child care. DHHS utilizes service authorizations to document its agreement with both the family receiving care and the provider. The DHHS case manager authorizes child care services for eligible clients only if, among other things, each parent or usual caretaker is employed, actively seeking employment, participating in Employment First activities, obtaining medical services, is enrolled in and regularly attending vocational or educational training, or is incapacitated. Based on the need for child care, DHHS will approve a service authorization for a number of hours or days in a given time period.

All facilities operating and receiving funds from DHHS under this program will have a written provider agreement with DHHS. The provider agreement stipulates that the provider must bill only for time when the child is actually in attendance and must submit an accurate child care calendar and billing document completed in accordance with DHHS requirements. Section III (17) of the standard provider agreement also states:

*“The provider agrees to keep current and comply with any state or local license required for service provision[.] Failure to comply with licensing requirements will result in the Department refusing payment or establishing an overpayment for the time the provider was out of compliance[.] This includes billing for more children than allowed or providing care at a location other than the one designated on the license and/or Provider Agreement.”*

Similarly, Title 392 NAC 4-003.01(A) says:

*“The Department pays by attendance, not enrollment. Payment is not made for time when the child is not receiving care; this includes when the provider is on vacation, is ill, or is not providing care for some other reason.”*

Finally, the Child Care Provider Agreements for Wise Kids and Kids Ark also explain in Section IV (Other):

*“PROVIDER MUST BILL FOR ATTENDANCE ONLY AND ONLY RELATED TO THE PARENTS WORK OR SCHOOL SCHEDULES.”*

From each source noted above, it is clear that providers are to be paid for a particular child only when that child is actually in attendance. In Section III (24)(c) of the provider agreements for both Kids Ark and Wise Kids require that, in order to be paid, the provider must:

*“Submit an accurate child care calendar (signed by the parent unless the provider is operating a child care center) and billing document completed in accordance with the Department’s policy.”*

Because both Kids Ark and Wise Kids operate as child care centers, parents of the children in attendance are not required to sign the child care calendar submitted to DHHS. This requirement is unique to child care centers, which are only one of five different types of child care providers eligible for Child Care Subsidy funding. The other four types of providers are in-home, license-exempt family child care home, licensed family child care home I, and licensed family child care home II.

Nebraska child care centers were notified that, effective November 7, 2011, DHHS was implementing a process that allowed those centers to submit child care claims electronically. This same notification indicated that, though no longer required to submit the attendance calendars to DHHS, the providers were still responsible to retain financial and statistical records for four years to support and document all claims.

NFOCUS is a DHHS database system that maintains client case file data, including information on clients and case workers, as well as payment details, authorized service amounts, and services to be provided.

#### *NDE*

The Child and Adult Care Food Program is governed by 7 C.F.R. § 226. According to its website, at <http://www.education.ne.gov/NS/CACFP/overview.html>, the Child Care Food Program was established in 1968 and in 1988 became the CACFP, which is funded by the U.S. Department of Agriculture. Services provided by NDE include disbursing reimbursements for meals served, offering technical assistance and training, and reviewing and monitoring program services. The responsibilities of the child care centers include serving meals that meet program requirements, keeping daily records of children or adults in attendance, number of meals served, and quantities of food prepared, and collecting household size and income information.

In addition to the applications, enrollment, and eligibility information required, 7 C.F.R. § 226.15(e)(4) requires institutions to collect and maintain:

*“Daily records indicating the number of participants in attendance and . . . the time of service meal counts, by type (breakfast, lunch, supper, and snacks), served to center participants.”*

Documentation would include daily attendance calendars showing the time-in and time-out for all persons in attendance and daily meal count sheets showing the number of meals, by type, served to participants.

#### *NDE and DHHS Reviews*

Both DHHS and NDE require annual reviews for their providers, including Wise Kids and Kids Ark. These reviews are prescribed by Federal and State laws governing the food and subsidy programs. The following is a summary of the type of reviews performed:

#### DHHS Reviews and Inspections

Neb. Rev. Stat. § 71-1912(1) (Reissue 2009) requires all child care centers to have a pre-licensing inspection prior to beginning operation. In addition, subsection (3) of that same statute mandates that an unannounced inspection be conducted at least twice every year for a center licensed to provide child care for 30 or more children. Both Wise Kids and Kids Ark serve 30 or more children. DHHS also conducts visits and investigations based on complaints, changes of location, or for consultation/technical assistance.

## NDE Reviews

As explained on page 83 of its July 2011 CACFP manual, which is entitled “Introduction to the Child and Adult Care Food Program,” NDE will annually review all for profit centers receiving \$40,000 or more of CACFP funding per year. Based on the amounts received from NDE (shown above), both Wise Kids and Kids Ark are required to be reviewed every year. The compliance reviews are scheduled in advance at each location. If meals are claimed for children who are not enrolled or other billing issues are noted, that amount is deducted from future payments.

In discussions with DHHS, the APA learned that there is currently no comparison of the records DHHS receives to those obtained by NDE as part of any review or audit. However, these agencies do work together, on occasion, when issues or complaints arise with certain providers.

The APA has summarized the DHHS and NDE reviews for the past year as follows:

Agency	Date	Type	Description
<b><i>Kids Ark</i></b>			
DHHS	5/18/2011	Annual Review	No compliance issues noted
NDE	10/11/2011	Compliance Review	No major issues noted
DHHS	10/24/2011	Complaint	Injury complaint
<b><i>Wise Kids</i></b>			
DHHS	5/9/2011	Annual Review	Staffing issues noted
DHHS	7/9/2011	Complaint	Employment issues
DHHS	8/31/2011	Complaint	Injury complaint
NDE	10/11/2011	Compliance Review	Many issues noted involving costs not equaling reimbursements, forms and records not on file, and errors on forms. NDE performed follow-up work and noted an over claim of \$697.
DHHS	10/13/2011	Complaint	Injury complaint
DHHS	12/9/2011	Complaint	Complaint alleged fraudulent NDE and DHHS billings, along with other significant issues regarding safety of the children.
NDE	1/5/2012	Complaint	An announced visit was conducted based on the above billing complaint; however, according to records on file, the complaint was not substantiated.

Regarding the December 9, 2011 complaint filed with DHHS, from documentation disclosed, it appears to DHHS investigated the child safety issues and closed the file on those as “unfounded” on March 22, 2012. The APA requested DHHS documentation or inquiry into the alleged fraudulent billings and, as of the date of this letter, DHHS had not conducted any investigation into those allegations.

DHHS has been aware for several years that there were issues of overbilling and over license capacity. DHHS has been aware that there were issues of overbilling and over license capacity for several years. The following is a breakdown of the overpayments to the child care centers under the Child Care Subsidy Program from 2004 through 2012. All overpayments assessed from 2004 through 2011 have been re-paid in full. There is an outstanding balance as of July 13, 2012, of \$244 for overpayments created in 2012 for Wise Kids; however, Kids Ark has repaid its overpayment for that year.

Year Overpayment Assessed	Wise Kids	Kids Ark
	Amount	Amount
2004	\$ 55,160.75	\$ 0.00
2005	\$ 664.00	\$ 693.00
2006	\$ 11,365.90	\$ 1,537.00
2007	\$ 1,297.00	\$ 328.00
2008	\$ 1,476.00	\$ 1,261.00
2009	\$ 0.00	\$ 124.00
2010	\$ 2,021.00	\$ 488.00
2011	\$ 765.00	\$ 592.25
2012	\$ 3,461.00	\$ 212.00
<b>Total</b>	<b>\$ 76,210.65</b>	<b>\$ 5,235.25</b>

Most of these overpayments were due to the centers being overcapacity or because the centers failed to deduct the copayments. A copayment or family fee is the amount the clients or parents are responsible for paying towards their childcare. This amount is established by DHHS and is based on the client's income. The family fee is noted on the service authorization given to both the provider and client. It is the provider's responsibility to collect the family fee or copayment from the client, record the amount collected on the DHHS Billing Document and not charge DHHS for this amount.

DHHS - Division of Public Health Licensure Unit discloses disciplinary/non-disciplinary information regarding licensed child care centers. See the license details including any disciplinary action on **Attachment M** for Wise Kids and **Attachment N** for Kids Ark. According to the Child Care Licensing Notice of Disciplinary Action, Wise Kids was found to be over their license capacity of 90 children from 2002 through 2004. Wise Kids exceeded its license capacity a total of 127 days during that same time.

Year	# of Days Wise Kids Exceeded License Capacity
2002	50
2003	60
2004	17
<b>Total</b>	<b>127</b>

The Notice of Disciplinary Action indicated that, according to Gale Henderson, Wise Kids had overbilled and was over license capacity until DHHS contacted the center. Colleen Imlay, the former center director, and Gale Henderson, owner, both acknowledged to DHHS that they were responsible for the supervision of the children billed. As a result of this finding, Wise Kids was placed on disciplinary probation from July 5, 2005, until July 5, 2006. The center was assessed a civil penalty of \$5,715.

#### *Supporting Documentation*

The APA requested support for the payments made to these providers by DHHS and support for the meals reimbursed through NDE for the period July 2011 through January 2012. This documentation included both the attendance calendars and billing documents from DHHS and the daily time in/out attendance calendars and the Record of Meals and Supplements Served (meal count worksheets) from the NDE for the period tested.

Wise Kids utilizes an automated time-clock system to record the daily attendance of each enrolled child. An example of a monthly attendance calendar can be seen in **Attachment B**. Wise Kids uses these automated attendance calendars to support the number of children in attendance for both DHHS and NDE.

Kids Ark does not have the same automated time-clock system; rather, it manually enters attendance into the monthly attendance calendar. See **Attachment D** for an example of the attendance calendar Kids Ark maintains for the amounts billed to DHHS and **Attachment E** for an example of the attendance calendar Kids Ark maintains for amounts billed to NDE.

Attendance is also recorded on the meal count worksheets supporting the meals served and reimbursed by NDE. An example of the meal count worksheet can be found in **Attachment C**.

Because the child care providers maintain child care calendars for both DHHS and NDE, which reflect the number of children in attendance each day, including times in and times out, the APA expected those child care calendars to be substantially the same records.

However, in a comparison of the attendance calendars provided to the APA by both DHHS and NDE, the APA discovered the data contained in those attendance calendars differed significantly. In order to show the discrepancies between the attendance calendars submitted to DHHS and NDE, the APA tested the December 2011 DHHS and NDE billings submitted by the child care centers. Each child was assigned a number and entered into a spreadsheet comparing the NDE and DHHS attendance calendars for the same time period. The APA has removed all names of the children and their parents or guardians.

### **APA Summary of Results**

The APA set out to verify that the amounts paid by DHHS to Kids Ark and Wise Kids were supported by adequate records of children in attendance and meals provided. DHHS and NDE obtained the records requested from the providers and submitted those records to the APA for our examination. The APA worked with both DHHS and NDE to obtain an accurate understanding of the billing process and documentation required for the amounts paid to the providers. The APA identified the following concerns:

#### **1. DHHS and NDE Attendance Calendar Comparison**

As noted previously, both the Kids Ark and Wise Kids centers participate in CACFP through NDE, as well as operate as child care centers through DHHS. Therefore, both centers are required to maintain records for NDE and DHHS alike, documenting the times and dates each child was in attendance at the center. Both sets of records should contain the same attendance information for each child, as the records are required to represent the actual daily attendance of each child.

The APA found that the DHHS and NDE attendance calendars did not agree for 70 of 75 children for Kids Ark and 71 of 126 children at Wise Kids for the month of December 2011. In some cases, the DHHS attendance calendars included more hours than the NDE records and, in other cases, the NDE attendance calendars included more hours than the DHHS records. The table below summarizes the APA's comparison of the DHHS and NDE records. The detailed comparison can be found in **Exhibit A** and **Exhibit B**.

December 2011 Comparison	Wise Kids			Kids Ark		
	Total	DHHS Greater than NDE	NDE Greater than DHHS	Total	DHHS Greater than NDE	NDE Greater than DHHS
Children with Discrepancies	71	60	11	70	60	10
Total Children	126	126	126	75	75	75
Total Net Error (1)	\$(10,530.63)	\$(10,883.76)	\$353.13	\$(5,730.91)	\$(6,464.67)	\$733.76

(1): For each center, the total net error represents potential overpayments to DHHS based on our comparison of the DHHS and NDE attendance calendars. As noted above, in some cases, the hours reported to DHHS exceeded the hours reported to NDE. In other cases, the hours reported to NDE exceeded the hours reported to DHHS. However, the majority of the errors involve the centers reporting more hours to DHHS than to NDE.

If the same error rate occurred each month of the fiscal year, DHHS would have overpaid Wise Kids in excess of \$130,000 for fiscal year 2012. Likewise, DHHS would have overpaid Kids Ark more than \$77,000 for the same fiscal year. Again, both centers are operated by the same owners, resulting in estimated overpayments in excess of \$200,000 for one year to the owners, as follows:

Description	Wise Kids	Kids Ark	Total
December 2011 DHHS Potential Overpayments (Net Error from above)	\$ 10,883.76	\$ 6,464.67	\$ 17,348.43
Months in Fiscal Year	12	12	12
Calculated Potential Overpayments for Fiscal Year 2012	\$ 130,605.12	\$ 77,576.04	\$ 208,181.16

The following are examples in which the attendance calendars provided to DHHS do not match the attendance calendars provided to NDE. In most cases, the billings submitted to DHHS included more hours than the billings to NDE, without adequate documentation to support the additional hours billed.

- For December 2011, Wise Kids billed DHHS and was paid for 21 days for child number 5. See **Exhibit B** for details. As expected, the 21 days billed agreed to the attendance calendar provided by Wise Kids to DHHS in response to the APA's request for records. However, the attendance calendar provided to NDE for child number 5 indicated that this child attended the center for only 7 days in December 2011. The APA has included the December 2011 records for child number 5 in **Attachment A**.

Based on the records provided to both DHHS and NDE, it appears the child was not in attendance for all of the days that Wise Kids billed to DHHS, resulting in a \$525 overpayment for this one child for December 2011.

- Wise Kids provided four separate attendance calendars for child number 35 for December 2011; three were DHHS attendance calendars, and one was the NDE attendance calendar. The APA has included all four attendance calendars for this child as **Attachment B**. The meal count sheets for this child are included as **Attachment C**. The following is a summary of the four attendance calendars submitted:

Agency Record	Date Printed	Time Printed	Total Hours	Total Days	Notes
DHHS	12/30/2011	3:46 PM	24h 30m	12	This appears to be the original attendance record, based on the date printed by Wise Kids. However, it does not agree to the total amount billed to DHHS or NDE. See <b>page 1 of Attachment B</b> .
NDE	2/20/2012	10:21 PM	26h 0m	13	This is the attendance record submitted to NDE. It included 1.5 more hours than the original attendance record, shown above. The dates and times on this record match the dates and meals served on the meal count worksheet. See <b>page 2 of Attachment B</b> .
DHHS	3/6/2012	2:50 PM	116h 0m	22	This is another attendance record submitted by Wise Kids and does not agree to either the amounts billed to DHHS or the amounts billed to NDE. Significant hours were added to this record. See <b>page 3 of Attachment B</b> .
DHHS	3/6/2012	4:19 PM	132h 0m	28	This is the final attendance record submitted by Wise Kids and agrees to the amount billed and paid by DHHS. Significant hours were added to this record, which does not agree to the 26 hours reported to NDE for the same month. See <b>pages 4 and 5 of Attachment B</b> .

It appears from the different attendance calendars provided above that Wise Kids may have inflated the days and hours billed to DHHS, since those days and hours do not agree to the hours reported to NDE. Based on these calendars, it appears the child was not in attendance for 9 days and 16 hours that Wise Kids billed to DHHS, resulting in a \$351 overpayment for this one child for December 2011.

- Kids Ark billed DHHS for 21 days in December 2011 for child number 11. See **Exhibit A** for details. As expected, the 21 days billed agree to the attendance calendars provided by Kids Ark to DHHS in response to the APA's request for records. See **Attachment D** for the DHHS attendance calendar. However, the attendance calendars and meal count worksheets provided to NDE for child number 11 indicated this child was not in attendance on December 1<sup>st</sup>, 2<sup>nd</sup>, 5<sup>th</sup>, and 12<sup>th</sup>. Nevertheless, all four of those days were billed to DHHS. See **Attachment E** for the NDE attendance calendars and **Attachment F** for the NDE meal count worksheets.

In addition, an NFOCUS narrative updated by a DHHS case worker on December 7, 2011, confirmed that child number 11 was not in attendance on December 1<sup>st</sup>, 2<sup>nd</sup>, or 5<sup>th</sup> due to illness. Kids Ark billed DHHS for 10 hours each of these 4 days when other records indicate the child was not in attendance.

Finally, the records submitted to NDE by Kids Ark did not agree. The attendance calendars submitted to NDE indicated child number 11 attended for full days on December 8 and 9. However, the meal count worksheets submitted to NDE did not have any meals recorded on those two days.

Based on the records provided to both DHHS and NDE, there are numerous discrepancies in the manual records submitted to both DHHS and NDE by Kids Ark. The NDE attendance

calendars support 16 days and 6.25 hours of care. The DHHS attendance calendars support 21 days of care. Using only the DHHS and NDE attendance calendars and not the meal count worksheets, it appears Kids Ark billed DHHS \$156 more than can be supported by the documentation obtained.

Based on the number of discrepancies between the DHHS and NDE attendance calendars shown in **Exhibits A and B**, and the examples included in this finding, it appears these child care centers may have inflated the number of hours and days of services billed to DHHS.

Good internal control requires procedures to ensure amounts paid to providers are based on accurate records. Neither DHHS nor NDE compare the records provided by the child care centers. Without procedures to ensure the attendance calendars maintained for DHHS and NDE agree, there is an increased risk for overpayment of funds.

We recommend DHHS and NDE thoroughly investigate these findings and discrepancies in billings from Wise Kids and Kids Ark and seek to recover any overpayments found.

In addition, we recommend DHHS and NDE improve the monitoring of all child care providers. Attendance calendars and meal count worksheets should be required to be remitted to the agencies in order for them to be properly reviewed with each billing document. The agencies should consider sharing information obtained from the child care centers or providers in order to properly compare whether hours and services billed to one agency agree to hours and services billed to the other agency.

*Agency's Response: DHHS and NDE will work together to research any future ability to compare records as is allowable with federal guidelines.*

## **2. DHHS Billing Document and DHHS Attendance Calendar Comparison**

The APA compared the amounts paid from the DHHS billing document to the amounts recorded on the DHHS attendance calendars for every child who received services from either Wise Kids or Kids Ark in December 2011. This comparison noted several instances in which the amounts billed to DHHS did not agree to the amounts recorded on the DHHS attendance calendars, resulting in overpayments to the child care centers.

<b>December 2011</b>	<b>Wise Kids</b>	<b>Kids Ark</b>	<b>Totals</b>
Number of Children for whom DHHS Billing Document Exceeded Attendance Calendar	38	4	42
Total Number of Children	126	75	201
Total Overpayment	\$ 2,485	\$ 217	\$ 2,702
Months in Fiscal Year	12	12	12
<b>Calculated Potential Overpayments for One Year</b>	<b>\$ 29,820</b>	<b>\$ 2,604</b>	<b>\$ 32,424</b>

*Note: This table summarizes the instances in which the centers billed more time than what was supported by the attendance calendars. These amounts were then paid by DHHS and are considered overpayments.*

The following example illustrates this situation:

- Wise Kids billed DHHS and was paid for 21 days in December 2011 for child number 116. See **Exhibit B** for details. However, the attendance calendars provided by DHHS did not have 21 days of attendance to support the billing for this child. The attendance calendar provided to the APA was printed on December 30, 2011, and included only 10 billable days and 5.25 hours. Therefore, it appears that Wise Kids overbilled DHHS \$317 for this child during December 2011. **Attachment G** includes both the DHHS attendance calendar and the DHHS billing document for child number 116.

Conversely, the APA found instances in which the attendance calendars included more time attended than what was billed to DHHS.

<b>December 2011</b>	<b>Wise Kids</b>	<b>Kids Ark</b>	<b>Totals</b>
Number of Children for whom Attendance Calendars Exceeded the DHHS Billing Document	60	5	65
Total Number of Children	126	75	201

*Note: This table shows the instances in which the attendance calendars provided included more hours than were billed to DHHS. Dollar amounts were not determined for these situations, because the APA's intent was to ensure the documentation supported the hours billed. In these situations the hours billed were supported. Additionally, there could be valid reasons for more hours to be recorded than billed, such as service authorization limits.*

The following examples illustrate this situation:

- DHHS attendance calendars indicated 21 days and 7.5 hours of care for child number 25 during December 2011. Wise Kids initially billed for 21 days of care in December 2011; however, the service authorization for this child's care began December 17, 2011, so DHHS adjusted the billing and paid the center for only 9 days of care.
- DHHS attendance calendars indicated 12 days and 31.25 hours of care for child number 50 during December 2011. Wise Kids billed 9 days and 16.25 hours of care in December 2011. The service authorization was not exceeded, so the APA was unable to determine why the additional hours of care provided were not billed to DHHS.

The following table summarizes the APA's comparison of the DHHS attendance calendars and the DHHS billing documents.

<b>December 2011</b>	<b>Wise Kids</b>	<b>Kids Ark</b>	<b>Totals</b>
Number of Children for whom DHHS Attendance Calendars and Billing Documents Did Not Agree	98	9	107
Total Number of Children	126	75	201

Good internal controls require procedures to ensure amounts billed agree to documentation maintained by the centers to support the services provided. With the large error rate found at Wise Kids, as well as other errors noted with Kids Ark, it is clear that DHHS is not adequately ensuring the billing documents agree to the attendance calendars. Absent adequate procedures to ensure the billing documents agree to the attendance calendars, there is an increased risk for child care centers to overbill DHHS without being detected, resulting in overpayments to the centers.

We recommend DHHS implement stronger procedures to ensure amounts billed are adequately supported. Not only do we recommend DHHS consider working with NDE to compare attendance calendars and meal count worksheets, as recommended above, but also we recommend DHHS reconsider its policy of no longer requiring the child care centers to submit their attendance calendars to DHHS. When attendance calendars are required to be submitted, DHHS is better able to review the records for discrepancies.

*Agency's Response: DHHS has implemented an audit process by which a statistically valid sample of cases is pulled for review. This audit process includes a review of billing documents, calendars and authorization for comparison of information. This process began in April, 2012 and is pending approval from the Administration for Children and Families Office of Child Care.*

*DHHS will investigate systems that electronically collect time and attendance information to allow for increased monitoring of attendance.*

*In addition, the Division is developing field and desk audits for results based accountability for all contracts by FY 14.*

### **3. Other Issues**

In addition to the above concerns, several other issues identified by the APA also contributed to overpayments being made to Wise Kids and Kids Ark, as described below.

#### *Incorrect Rates Paid*

The rates paid by DHHS to its child care providers are established annually in the provider agreement signed by both parties. DHHS' provider agreements with Kids Ark and Wise Kids for the period October 1, 2011, through September 30, 2012, list the following rates for child care:

Child Type	Age Range (Note)	Daily Rate	Hourly Rate
Infant	6 weeks to 18 months	\$ 37.50	\$ 5.00
Toddler	18 months to 36 months	\$ 32.50	\$ 5.00
Preschooler	36 months to school-age	\$ 31.00	\$ 4.50
School-Age	Attends kindergarten and above	\$ 31.00	\$ 4.50

*Note: The age range for each type of child is defined by DHHS Rules and Regulations, specifically Title 392 NAC 1-003.*

For all children who received services billed to DHHS by the child care centers in December 2011, the APA verified the daily and hourly rates paid based on the child's date of birth and found the following:

Kids Ark							
Child Number	Days Paid	Rate Paid	Total Paid	Correct Rate	APA Calculated Total	Over-payment	Notes
#10	21	\$ 32.50	\$ 682.50	\$ 31.00	\$ 651.00	\$ 31.50	The child turned three years old (or 36 months) on 7/2/2011 and should have been authorized child care at the preschooler rate of \$31.00 instead of the toddler rate of \$32.50 for the 21 days billed in December 2011.
#69	21	\$ 32.50	\$ 682.50	\$ 31.00	\$ 651.00	\$ 31.50	The child turned three years old (or 36 months) on 12/12/2010 and should have been authorized child care at the preschooler rate of \$31.00 instead of the toddler rate of \$32.50 for the 21 days billed in December 2011.
#88	20	\$ 37.50	\$ 750.00	\$32.50 (for 18 days) \$37.50 (for 2 days)	\$ 660.00	\$ 90.00	The child turned 18 months old on 12/4/2011 and should have been authorized child care at the toddler rate of \$32.50 instead of the infant rate of \$37.50 for 18 of the 20 days billed in December 2011. The two days billed for 12/1/2011 and 12/2/2011 were correctly paid. (The center also billed some hours for this child. This example is only using the days billed, which explains why this line may not agree to <b>Exhibit A.</b> )
			<b>\$2,115.00</b>		<b>\$1,962.00</b>	<b>\$ 153.00</b>	

Wise Kids							
Child Number	Days Paid	Rate Paid	Total Paid	Correct Rate	APA Calculated Total	Over-payment	Notes
#11	35	\$37.50 (for 21 days) and \$32.50 (for 14 days)	\$1,242.50	\$ 37.50	\$ 787.50	\$ 455.00	There were two overlapping service authorizations for this child from 9/13/2011 through 1/10/2012. One service authorization was for infant care and another was for toddler care. The child did not turn 18 months old until January 2012. Wise Kids billed and was paid the full 21 days of infant care and then an additional 14 days of toddler care for the same child. Wise Kids should have only been paid at the infant rate for the 21 days in December 2011. The additional 14 days paid under the toddler authorization resulted in the overpayment. (The center also billed some hours for this child. This example is only using the days billed, which explains why this line may not agree to <b>Exhibit B.</b> )

Wise Kids							
Child Number	Days Paid	Rate Paid	Total Paid	Correct Rate	APA Calculated Total	Over-payment	Notes
#13	21	\$37.50	\$ 787.50	\$32.50 (for 1 day) \$37.50 (for 20 days)	\$ 782.50	\$ 5.00	The child turned 18 months old on December 29, 2011. Wise Kids should have been paid the toddler rate of \$32.50 for one day, December 30 <sup>th</sup> . Instead, all 21 days in December 2011 were paid at the infant rate of \$37.50.
#18	21	\$32.50	\$ 682.50	\$ 31.00	\$ 651.00	\$ 31.50	The child turned three years old (or 36 months) on May 30, 2011. Wise Kids should have been paid at the preschooler rate of \$31.00 during December 2011. However, it was paid at the toddler rate of \$32.50 for all 21 days billed in December 2011.
#107	21	\$32.50	\$ 682.50	\$ 31.00	\$ 651.00	\$ 31.50	The child turned three years old (or 36 months) on October 31, 2011. Wise Kids should have been paid at the preschooler rate of \$31.00 during December 2011. However, it was paid at the toddler rate of \$32.50 for all 21 days billed in December 2011.
#118	21	\$37.50	\$ 787.50	\$ 32.50	\$ 682.50	\$ 105.00	The child turned 18 months on November 21, 2010. Wise Kids should have been paid the toddler rate of \$32.50 for December 2011. However, it was paid at the infant rate of \$37.50 for all 21 days billed in December 2011. (The center also billed some hours for this child. This example is only using the days billed, which explains why this line may not agree to <b>Exhibit B</b> .)
			<b>\$ 4,182.50</b>		<b>\$ 3,554.50</b>	<b>\$ 628.00</b>	

During December 2011, the total overpayment made by DHHS to both centers was \$781. If similar overpayments were made throughout an entire year, the annual overpayments would be more than \$9,000 due to incorrect rates being paid.

#### *Service Authorization Limitations*

The APA did not conduct a thorough examination of the service authorization limits during its review of the attendance calendars; nonetheless, instances were found in which the limits provided in the service authorization record were exceeded. Some examples are provided below:

- Child number 5's service authorization provided authorization for part-time hours, not to exceed 30 hours per week, while the parent was attending school, medical appointments and Employment First activities. However, as noted in **Exhibit B**, Wise Kids billed and received payment from DHHS for child number 5 for more than 30 hours per week for every week in December 2011. **Attachment H** includes the attendance calendars for this child.

- The APA also found two instances in which Wise Kids did not follow the stipulations in its provider agreement with DHHS regarding the billing of days or hours. This may have occurred due to the service authorization limits for these children.

Both children were from the same family and had the same service authorization provisions, which limited the care for child number 103 and child number 126 to 1 day and a total of 180 hours each between December 1, 2011, and January 31, 2012. The service authorizations also limited the services provided to each child to 20 hours per week while their mother was searching for a job. However, the service authorizations did not appear to authorize full days of care for the children. Anything outside the scope of the authorizations should have been paid by the mother.

According to Wise Kids' provider agreement with DHHS, six or more hours should be billed as a daily rate, and fewer than six hours should be billed as an hourly rate.

Because the provider agreements require over six hours of service per day to be billed at the daily rate, the hours recorded on the attendance calendar for child number 103 should have been billed to DHHS as 20 days and 1 hour of care. However, instead of billing DHHS for 20 days and 1 hour, Wise Kids billed DHHS and received payment at the hourly rate for 120.75 hours. Likewise, the hours recorded on the attendance calendar for child number 126 should have been billed to DHHS as 21 days and 1 hour of care. Wise Kids also billed DHHS and received payment at the hourly rate for 120.75 hours for child number 126. See **Attachment I** for the attendance calendars for these two children.

Because of the limited number of days allowed in the service authorizations, it was not possible for Wise Kids to bill more than one day. Therefore, Wise Kids appears to have disregarded the provider agreement and billed DHHS for hours. In addition, as illustrated in **Attachment I**, the attendance calendars indicate the children were at the child care center for 40 to 50 hours per week, which is more than twice the number of hours authorized. All of these hours were billed to and paid by DHHS.

#### *DHHS Inaccurate Billing Adjustments*

Throughout this report, the APA has identified instances in which the child care centers overbilled DHHS. However, the APA also found instances in which DHHS caught errors made in billing, but the adjustment calculated by DHHS was not correct. The table below shows that Wise Kids billed 42 days for the same child prior to the DHHS incorrect adjustment.

Child Number 11	Days	Rate	Total	Description
Initial DHHS Billing	21	\$ 37.50	\$ 787.50	This is the correct billing for 21 days at the infant rate, since the child had not yet reached 18 months of age. This was paid by DHHS.
Second DHHS Billing	21	\$ 32.50	\$ 682.50	This was a second billing received from the center for 21 days at the toddler rate. It should not have been paid.
DHHS Adjustment to Second Billing	(7)	\$ 32.50	\$(227.50)	DHHS reduced the second billing from 21 days to 14 days, incorrectly thinking the child had reached the age of 18 months on December 10 <sup>th</sup> .
Second Billing Revised Total	14	\$ 32.50	\$ 455.00	DHHS paid the center another 14 days at the toddler rate, when the infant rate for the full 21 days had been paid.
<b>DHHS Overpayment</b>	<b>14</b>	<b>\$ 32.50</b>	<b>\$ 455.00</b>	

There were two separate service authorizations for the same child, who was born on July 10, 2010. The original authorization provided for the infant rate of \$37.50 per day for the period September 13, 2011, through January 10, 2012, when the child would have reached the age of 18 months. On December 22, 2011, a second authorization was created to provide for the toddler rate of \$32.50 per day; however, the start date for this second authorization was incorrectly entered as January 10, 2011, instead of 2012. This error allowed Wise Kids to bill 21 days in December 2011 at the infant rate of \$37.50 per day, in addition to a second billing for 21 days at the toddler rate of \$32.50 per day.

DHHS adjusted the second billing received for this child in December 2011 to allow for only 14 days at the toddler rate, incorrectly changing the authorization from the infant rate to the toddler rate on December 10, 2011. The child did not actually reach 18 months of age until January 10, 2012, so the initial billing from Wise Kids was accurate, and the second billing from Wise Kids should not have been paid.

*Two Providers Billing for the Same Child and Time Period*

The APA also found an instance in which DHHS authorized services for child number 11 with two different providers, Kids Ark and a second child care provider. The following table illustrates the two service authorizations for this child:

Provider	Date of Notice	Beginning Authorization	Ending Authorization	Days	Hours	Description
Kids Ark	5/5/2011	4/19/2011	2/29/2012	270	100	Child care was authorized for Employment First activities, twenty hours per week plus travel time, no more than 25 hours per week.
Second Provider	11/14/2011	10/1/2011	4/30/2012	175	200	Child care assistance was only to be used for employment activity.

Kids Ark billed and was paid for 21 days in December 2011 for this child. DHHS' attendance calendars included from 28 to 50 hours per week, even though a maximum of 25 hours per week was authorized. See **Attachment J**. DHHS' attendance calendars also indicated the child was at the center for either 7 or 10 hours each of the 21 days.

Additionally, the second provider billed DHHS and was paid for 22 days in December 2011 for the same child. The APA did not obtain the attendance calendars for the second provider.

In total, DHHS was billed 43 days for child number 11 in December 2011, which does not seem reasonable based on the service authorizations. Providers bill for a full day when child care is exceeds six hour per day. Because Kids Ark provided either 7 or 10 hours per day, and the second provider would have to provide care for at least 6 hours in order to bill in days, the child would have been receiving child care services for either 13 or 16 hours per day, which appears unreasonable considering the limitations provided in the service authorizations.

### *Billing for Days the Center was Closed*

DHHS attendance calendars for both Wise Kids and Kids Ark included children listed in attendance on days when the centers were closed. The DHHS attendance calendars for Wise Kids noted three children were present on December 26, 2011, a day when the center was closed. Wise Kids billed DHHS and was paid for one child on December 26, 2011, at a rate of \$31 per day. See **Attachment K**.

Similarly, the attendance calendars from Kids Ark to DHHS indicated one child was present on a day the center was closed, December 4, 2011, a Sunday. See below.

It appears Kids Ark billed DHHS and was paid for this time, 1.5 hours at \$4.50 per hour, or \$6.75.

Good internal controls require DHHS procedures to ensure that the correct rates are billed by child care providers, service authorization limits are not exceeded, adjustments are properly calculated, and billings are supported by accurate records. Without proper controls over provider child care service billings, there is a significant risk incorrect amounts will be paid by DHHS.

We recommend DHHS implement procedures to ensure the following:

- The correct rates are billed by all providers.
- Service authorization limits are not exceeded by all providers.
- Adjustments to billings are correctly calculated.
- Providers do not bill for days in which no services were provided.

Additionally, DHHS should consider possible changes to the NFOCUS system to allow for certain edits of information that would reduce the number of overpayments.

DHHS may need to reconsider whether attendance calendars should be submitted in order to properly review and compare the billings to the records.

We also recommend DHHS thoroughly investigate both Wise Kids and Kids Ark and recoup any overpayments billed and received by those providers.

*Agency's Response: The On-Base billing system will be upgraded to a newer version that is scheduled to be released in September 2012. The updated version will allow for additional edits that will assist in identifying correct billings prior to submittal of payment. By January 2013, all child care providers will be required to submit their billings through the new system. DHHS is reviewing the NFOCUS system to allow for clearer, more precise authorizations. DHHS will continue to conduct child care case reviews to monitor the authorizations completed by staff.*

*In addition, the Division is developing field and desk audits for results based accountability for all contracts by FY 14.*

#### **4. Overcapacity**

DHHS has specific regulations governing the approved capacity of licensed child care centers in Nebraska. As such, the APA examined the capacity levels for both Wise Kids and Kids Ark during the month of December 2011. The maximum capacity for each center during December 2011 was as follows:

	Wise Kids	Kids Ark
Licensed Capacity	90	78

Title 391 NAC 3-002.02 provides that the maximum license capacity of a child care center is determined by the center's available space, equipment, furnishings, the center's staff and the number authorized by the State Fire Marshal or delegated authority. The operating licenses issued by DHHS indicate the maximum capacity, days, and hours of operation. Title 391 NAC 8-009.01 states, "The licensee shall ensure that the center's license capacity is never exceeded."

Using the DHHS attendance calendars, the APA summarized the number of children present each day for each quarter hour or 15 minute interval. During December 2011, the APA found that Wise Kids was over its licensed capacity of 90 children every day during the month, which resulted in a potential overpayment of \$6,504. The total number of individuals over capacity was multiplied by the minimum quarter-hour rate charged of \$1.13 or \$4.50 per hour to determine the overpayment amount. See **Exhibit C**.

Based on the inaccuracy of the records maintained and the different attendance records provided to NDE and DHHS, the APA could not determine with certainty how many children were actually in attendance on any given day. However, the APA summarized the capacity issues during December 2011 based solely on the records provided by Wise Kids to DHHS and noted the following:

- From December 1, 2011, to December 16, 2011, Wise Kids was overcapacity from 3:30 pm to 4:45 pm every day, ranging from 1 to 19 children.
- From December 19, 2011, to December 30, 2011, Wise Kids was overcapacity from 9:15 am to 5:00 pm every day, ranging from 3 to 25 children. During this time, Omaha Public Schools would have been closed for the holidays, and the school-aged children could have attended the child care center all day.

Again, the APA used only the DHHS attendance calendars to summarize this information and did not include or compare the children served from the NDE attendance calendars.

Good internal control requires DHHS procedures to ensure license capacity limitations are met. Without adequate procedures, there is an increased risk of overpayment to child care providers. Additionally, the child care centers are not in compliance with DHHS rules and regulations when attendance exceeds the licensed capacity amounts.

We recommend DHHS implement or strengthen its procedures to ensure license capacity limitations are not exceeded. Moreover, to ensure the accuracy and completeness of the records, recommend DHHS periodically compare the attendance calendars provided to support its billings with attendance calendars provided to NDE. We also recommend DHHS recoup from these centers any overpayments as a result of these findings.

*Agency's Response: DHHS will investigate whether maximum licensed capacity was exceeded.*

## **5. Inaccurate Portrayal of Kids Ark as an LLC**

As noted in the background section of this letter, Kids Ark filed its Articles of Organization as a limited liability company on July 21, 2003. However, according to the Secretary of State, as of July 10, 2012, the account status of Kids Ark was inactive for the failure to file its biennial report and pay the appropriate fees in 2007 through July 2012. Therefore, it appears Kids Ark has not been operating as a legal limited liability company within the State of Nebraska since 2007.

The APA noted that, on several occasions, since being designated as inactive by the Secretary of State, Kids Ark has continued to hold itself out to be a limited liability company within the State of Nebraska, as illustrated by some examples in **Attachment L**. The first document was signed by Gale Henderson on September 30, 2011, which noted the name of the child care facility as Kids Ark Learning Center LLC. The second document was a letter sent to DHHS on January 27, 2012, where their letter head clearly noted Kid's Ark Learning Center, L.L.C.

Under the Limited Liability Company Act, which is found at Neb. Rev. Stat. §§ 21-2601 to 21-2654 (Reissue 2007, Cum. Supp. 2010), all limited liability companies are required to file biennial reports and pay the appropriate fees each odd numbered year. Per the Secretary of State's site, "Any Company failing to file the Report and pay the fee by the deadlines stated above will be dissolved by operation of law." Per their failure to file the biennial report back in 2007, Kids Ark Learning Center, as a limited liability company, would have been dissolved at that time. It is unclear why Kids Ark still holds itself out as a limited liability company when it has not met the requirements of the Limited Liability Company Act.

DHHS and NDE should inquire of Kids Ark as to its legal basis for claiming limited liability company status. Additionally, the information contained herein will be referred to the Secretary of State and Attorney General for action they deem appropriate.

If you have any questions regarding the above information, please contact our office.

Sincerely,

The days not verified were billed to DHHS but do not agree to the NDE attendance calendar and meal count worksheets shown on pages 2 and 3. These represent days the child did not appear to be in attendance but were billed to DHHS.

This is the attendance calendar provided to support the DHHS billing. As noted above, the record was printed by the child care center almost a month after the records were requested by the APA. Only the 7 of the 21 days billed to DHHS were verified by the parent/guardian. Of those 7 days, 6 were also the days that were included in the meal count worksheets – see page 3. The remaining 14 days do not agree to the records submitted to NDE and it appears the child was not in attendance those days, resulting in an overbilling to DHHS.

The APA was unable to determine why the timekeeping system recorded 12 total days attended, when only 7 days were shown as attended. Title 392 NAC 4-003.02 states, "Care for 6 or more hours must be billed by the day." Additionally, Section IV (Other) of the provider agreement between DHHS and Wise Kids states, "SIX OR MORE HOURS WILL BE BILLED AS A DAILY RATE AND LESS THAN SIX HOURS WILL BE BILLED AS A[N] HOURLY RATE." According to this attendance calendar, 24.5 hours should have been billed at the hourly rate of \$4.50 per hour. However, Wise Kids actually billed DHHS 9 days and 42 hours for child number 35 for December 2011. See **Exhibit B** for details. See the next page for additional information.

This attendance calendar was provided to the APA by NDE and was printed by the center in February 2012. Compared to the initial attendance calendar provided to DHHS on the previous page, this attendance calendar included an additional 1.5 hours of care on December 16<sup>th</sup>. The information in this attendance calendar also agrees to the meal count worksheets included for this child in **Attachment C**.

This appears to be the second attendance calendar submitted to DHHS for child number 35 for December 2011. This record was printed on March 6, 2012, or almost one month after the APA initially requested the attendance records.

This attendance calendar included additional days that were not initially submitted to DHHS or NDE. December 1 through December 16 on this calendar agreed to the calendar submitted to NDE. December 19 through December 30 were added after the initial record was printed. Omaha Public Schools was not in session on those days, and it does not appear child number 35 was in attendance, since no meals were recorded as served to that child on these additional days. See Attachment C for the meal count worksheets for this child. These additional 9 days on this calendar are the days that were overbilled by the provider and paid by DHHS.

And finally, a third attendance calendar for child number 35 for December 2011 submitted to DHHS.

This attendance calendar added the additional 16 hours for child number 35 in December 2011. DHHS paid a total of 42 hours and 9 days to the provider for the care of child number 35 during December 2011. Only 26 hours were reported to NDE, as documented on the attendance calendar included on page 2. It appears that the calendars submitted to NDE, along with the meal count spreadsheets accurately support the payment of 26 hours of care. The additional 9 days and 16 hours billed and paid are not properly supported.

Child number 35 was recorded as in attendance on December 12, 15 and 16 and also was recorded as being served breakfast and a PM snack on December 12 and 15. The child was not served breakfast on December 16.

This meal count worksheet submitted to NDE does not show child number 35 in attendance or receiving meals on December 13 or 14, nor was the child served breakfast on December 16, making it likely the child did not attend that morning.

The days highlighted in yellow were billed to and paid by DHHS; however, child number 11 was not recorded on the attendance calendars provided to NDE for those days. See **Attachment E**. In fact, a caseworker recorded a note in NFOCUS documenting the child was not in attendance on December 1<sup>st</sup>, 2<sup>nd</sup>, or 5<sup>th</sup> due to illness. In addition, the columns shaded in blue represent days in which more hours were included on the NDE attendance calendars. The columns shaded in pink represent days in which more hours were included on the DHHS calendars. There is a discrepancy between DHHS and NDE records for every day shown on this calendar.

The exact number of hours (to the quarter hour) of care provided must be indicated for each day you provided care.  
 Submit the original to the local office and retain the copy for your records.  
 Report only time that the child is actually in attendance.

This is the attendance calendar provided to DHHS, which is used to support the 21 days of child care billed by Kids Ark and paid by DHHS. (See also next page.)

The columns shaded in pink represent days in which more hours were included on the DHHS calendars. There is a discrepancy between DHHS and NDE records for every day shown on this calendar.

This is the attendance calendar provided to NDE. All days recorded were over 6 hours, except for December 21, and should have been charged the daily rate. There are 16 full days for billing. December 7 included an additional .5 hours and December 14 included an additional .25 hours for time worked in excess of 10 hours, which can be billed hourly. December 21 included 5.5 hours, for 6.25 hours of care.

This calendar does not indicate Child 11's attendance on December 1<sup>st</sup> and 2<sup>nd</sup>, unlike the attendance calendar provided to DHHS and shown in Attachment D.

These green shaded columns represent dates in which the attendance calendars provided to NDE do not match the meal count worksheets. The attendance calendars show child number 11 in attendance on December 8<sup>th</sup> and 9<sup>th</sup>, but the meal count worksheets do not indicate meals were served to the child. (See Attachment F for meal count worksheets.)

Again, the attendance calendars provided to NDE did not show child number 11 in attendance on December 5<sup>th</sup> or 12<sup>th</sup>, but the DHHS calendar shown in Attachment D did. Additionally, the columns shaded in blue represent days in which more hours were included on the NDE attendance calendars. The columns shaded in pink represent days in which more hours were included on the DHHS calendars. There is a discrepancy between DHHS and NDE records for every day shown on this calendar. The columns shaded in green represent days in which the meal count worksheets provided to NDE (see Attachment F) do not agree to these attendance calendars provided to NDE.

Additionally, any services provided for more than 10 hours can be billed at the hourly rate for the 10<sup>th</sup>, 11<sup>th</sup>, and 12<sup>th</sup> hour. All of the days on this attendance calendar were over six hours, so they should have been billed by the day. The only hourly rates should have been for those over 10 hours per day. Only one hour should have been billed. It appears Wise Kids billed hourly rates due to the limitations imposed in the service authorization. CERTIFIED MAIL

Dear Ms. Henderson:

Nebraska Revised Statutes, section 71-1911 (1), of the Child Care Licensing Act, effective July 16, 2004, provides the department may place a license on corrective action status.

**FACTS:**

On May 15, 2008 Child Care Inspection Specialist (CCIS) Gina Ewing conducted an unannounced complaint investigation at Wise Kids Inc. During the investigation CCIS obtained documentation to substantiate the allegations that the Licensee/Co-Director, Gale Henderson, hired a staff even though she knew they were convicted of a federal crime, were currently living in a transitional halfway house and on work release. Ms. Henderson admitted to CCIS that she did not notify the Department prior to hiring that staff, to ensure that this person's history did not violate child care regulations.

**REGULATORY BASES:**

**391NAC 8-002 Staff Qualifications:** The licensee and the director shall not knowingly allow any person, neither paid nor volunteer, who has been convicted of, admitted to, or there is substantial evidence of crimes involving intentional bodily harm, crimes against children, crimes involving the illegal use of a controlled substance, or crimes involving moral turpitude to be on the center premises. Center staff, whether paid or volunteer, shall not engage in or have a history of behaviors injurious to or which may endanger the health or morals of the children in care. (Regulation 13, page 6)

**391NAC 8-006 Prior to hire:** Candidates being considered for employment as a director, teacher assistant teacher, and/or support staff shall submit a signed "Felony/Misdemeanor Statement" (CRED-0600) to the licensee or director. The licensee

Attachment M

or director shall request additional information from the appropriate law enforcement agency as needed to comply with Department regulations. (Regulation 23, page 7).

**391NAC 8-007 Felony/Misdemeanor Statement:** The licensee is responsible for reporting any arrests, misdemeanor tickets other than traffic violations, pending criminal charges, and/or any felony/misdemeanor convictions on themselves, the director and staff which includes teachers/assistant teachers and all support staff. (Regulation 24, page 8)

**DETERMINING CORRECTIVE ACTION STATUS:**

A non-disciplinary probation license may be issued for the licensee to operate under corrective action status if the department determines:

- (a) The licensee is unable to comply with all licensure requirements and standards or has a history of non-compliance
- (b) The effect of the non-compliance with any rule or regulation does not present an unreasonable risk to health, safety or well-being of children or staff; and
- (c) The licensee had a written plan of correction that has been approved by the department.

Based on the facts presented above and the regulations violated, the department is placing your operating license on Corrective Action Status for a period of six (6) months.

**CORRECTIVE ACTION STATUS: PLAN OF CORRECTION**

Corrective action status is voluntary and the decision regarding the placement on corrective status is not appealable. However, you are required to submit a written Plan of Correction that must be approved by the department.

Your written plan of correction should at a minimum address the issues of concern and violations addressed in this letter and how compliance in the future will be met, such as;

- (a) Implement a plan that will be adhered to, to ensure any staff or new hires will not be allowed on the child care premises until their felony/misdemeanor statement and background checks have been completed by the licensee or director and/or approved by the Department.
- (b) List any actions you have taken to date to maintain compliance with the above stated violations.

Please submit your written Plan of Correction to Gina Ewing, Child Care Inspection Specialist, Department of Health and Human Services, Division of Public Health, Children's Services Licensing Program, 1801 North 73<sup>rd</sup> Street, Omaha, NE 68114, **within ten calendar days after you receive this letter.**

**FAILURE TO SUBMIT CORRECTIVE ACTION PLAN:**

If you do not submit a written Plan of Correction, or the written Plan of Correction is not approved, the department may discipline your license by imposing one or a combination of the following types of disciplinary action:

- (a) Issue a probationary (disciplinary) license;
- (b) Suspend or revoke a provisional, probationary, or operating license;
- (c) Impose a civil penalty of up to five dollars per child, based upon the number of children for which the program is authorized to provide child effective date of finding of violation, for each day the program is in violation;
- (d) Establish restrictions on new enrollment of the program;
- (e) Establish restrictions or other limitations on the number of children or the age of the children served in the program; or
- (f) Establish other restrictions or limitations on the type of service provider by the program.

If you have questions regarding this letter, please contact Gina Ewing, Child Care Inspection Specialist at 595-3345 or Jo Pfeiffer, Child Care Licensing Supervisor at 595-3335.

This is the Notice of Disciplinary Action sent to Wise Kids from DHHS Licensure to notify them of the one year probation and civil penalty assessed (see page 13) due to their overcapacity issues (continued to page 15).

**NOTICE:**

Gale Hendersen, d/b/a Wise Kids, Inc., is hereby notified that the Department of Health and Human Services Regulation and Licensure (hereinafter referred to as "department") is taking **disciplinary action** against the nonexpiring, operating Child Care Center license of Gale Hendersen, d/b/a Wise Kids, Inc., 5829 Northampton Blvd., Omaha, Nebraska, 68104 (hereinafter referred to as "Hendersen"), for the reasons set out below:

**FACTS:**

Henderson, d/b/a Wise Kids, Inc., is the licensee of a nonexpiring, operating Child Care Center. This facility is licensed for a maximum of 90 children, six weeks to 13 years, 5:30 a.m. to 11:30 p.m., Monday through Saturday. This facility has been licensed at this address since August 30, 1986. Colleen Imlay is the current director (hereinafter referred to as "Imlay").

On March 9, 2005, Bill Hammond, Issuance and Collections, Department of Health and Human Services Finance and Support, informed the Child Care Licensing Program that Wise Kids, Inc. had overbilled the Department of Health and Human Services, Resource Development Unit, in excess of \$55,000.00. An audit had been conducted and information revealed that the facility was found to be over license capacity since 2002.

WISE KIDS AND KIDS ARK CHILD CARE CENTERS  
WISE KIDS LICENSING AND DISCIPLINARY DOCUMENTS

Attachment M

July 1, 2011 through January 31, 2012

Wise Kids, Inc. exceeded license capacity 50 days in 2002, 60 days in 2003 and 17 days in 2004 for a total of 127 days.

On March 17, 2005, Susanne Schnitzer, Child Care Resource Specialist, Department of Health and Human Services Regulation and Licensure received information from Jennifer Cromwell, Issuance and Collections, Department of Health and Human Services. Ms. Cromwell had conducted an investigation of Wise Kids, Inc. and interviewed Imlay who indicated the facility was responsible for the supervision of the children billed, however, they were not on-site at Wise Kids, Inc. Imlay also stated that the facility took school-age children on field trips to various locations.

On April 12, 2005, Ms. Schnitzer conducted a telephone interview with Hendersen who stated that Wise Kids, Inc. had overbilled and was over license capacity until Issuance and Collections contacted her. Hendersen reiterated the fact that school age children would gather at Wise Kids, Inc. and then staff would take the children on field trips, however, Wise Kids, Inc.'s staff was responsible for the supervision while off site.

**REGULATORY BASES:**

Nebraska Revised Statutes, section 71-1919, of the Child Care Licensing Act effective July 16, 2004 provides that "the department may ... take disciplinary action against a license issued under the Child Care Licensing Act on any of the following grounds:

- (1) Failure to meet or violation of any of the requirements of the Child Care Licensing Act or the rules and regulations adopted and promulgated under the act;..."
- (4) Conduct or practices detrimental to the health or safety of a person served by or employed at the program;" ...

391 NAC 8-002 Staff Qualifications: "The licensee and the director shall not knowingly allow any person, neither paid nor volunteer, who has been convicted of, admitted to, or there is substantial evidence of crimes involving intentional bodily harm, crimes against children, crimes involving the illegal use of a controlled substance, or crimes involving moral turpitude to be on the center premises. Center staff, whether paid or volunteer, shall not engage in or have a history of behaviors injurious to or which may endanger the health or morals of the children in care." (Page 6, Standard 13, Child Care Center Standards)

391 NAC 8-009.01 Staff Child Ratio: "The licensee shall ensure that the center's license capacity is never exceeded." (Page 9, Standard 38, Child Care Center Standards)

391 NAC 8-017 Facility: "Each center shall have at least 35 square feet of indoor activity space for each child." ... (Page 12, Standard 70, Child Care Center Standards)

**WISE KIDS LICENSING AND DISCIPLINARY DOCUMENTS**

**DISCIPLINARY ACTION IMPOSED:**

Based upon the facts set out above, capacity being grossly exceeded and the financial benefit to the program of committing or continuing to violate capacity, the department is imposing the following disciplinary actions:

- Hendersen's Child Care Center license, d/b/a Wise Kids, Inc. is placed on **disciplinary probation** for a period of one year **effective 15 days from the mailing of this Notice of Disciplinary Action.**
- Hendersen is imposed a civil penalty in the amount of **\$ .50 per day times the license capacity of 90 children times 127 days of being over license capacity (2002, 2003 and 2004), for a total of \$5,715.00.**

This civil penalty is to be paid no later than **30 days after the mailing of this Notice** and will be payable to the Department of Health and Human Services Regulation and Licensure and sent to Carmen Bachle, Administrative Assistant, Credentialing Division, Regulation and Licensure, P.O. Box 94986, Lincoln, Nebraska, 68509-4986.

- Henderson must prominently post a copy of this **Notice of Disciplinary Action** with the current Child Care Center license.

**CONCLUSION:**

Failure to comply with the terms of this disciplinary action and the Child Care Center Standards will result in further discipline as the department deems appropriate.

Compliance with the terms of this disciplinary action will be monitored by unannounced inspections by an agency representative (i.e., Child Care Resource Specialist, Fire Marshal or designated agent, Resource Development Worker, Protection and Safety Worker).

If Hendersen discontinues the child care operation for any reason, the time Hendersen is not actively operating a licensed child care program will not count toward the fulfillment of the action listed above and any subsequent child care license would be subject to the remainder of the disciplinary action terms and such other restrictions or limitations as are determined to be necessary.

**BE AWARE:**

That Nebraska Revised Statutes, section 71-1922, **this disciplinary action becomes final fifteen days after the mailing of the notice unless the licensee, within such fifteen-**

day period, makes a written request for a hearing. The license shall continue in effect until the final order of the director if a hearing is requested. **If the director does not receive such request within such fifteen-day period, the action of the department is final.**

**TO REQUEST A HEARING:**

If you decide to request a hearing, your written request for hearing must be received by the department **within fifteen days from the mailing of this Notice**. It should be addressed to:

Marsha Wandersee, for HHS F&S  
Legal Services – Child Care Licensing

**BE ADVISED:**

Nebraska Revised Statutes, section 71-1920 of the Child Care Licensing Act, provides that “any fine imposed and unpaid under the Child Care Licensing Act shall constitute a debt to the State of Nebraska which may be collected in the manner of a lien foreclosure or sued for and recovered in any proper form of action in the name of State of Nebraska in the district court of the county in which the program is located.” ...

That Nebraska Revised Statutes, section 71-1923 of the Child Care Licensing Act, provides that “a licensee may voluntarily surrender the license issued under the Child Care Licensing Act at any time, except that the department may refuse to accept a voluntary surrender of a license if the licensee is under investigation or if the department has initiated disciplinary action against the licensee.

Title 391 of the Nebraska Administrative Code, section 4-001.04, also provides that the “licensee shall not transfer the license to a household member or current staff member while a ... action is still pending.”

Documented Days (Note 1)	14.00	17.00
Documented Hours (Note 2)	1.75	3.50

The first page of this exhibit contains explanations regarding what is included in **Exhibits A and B**.

The top part of the exhibit contains the APA's comparison of the NDE attendance calendars and the DHHS attendance calendars.

Highlighted cells indicate days in which the NDE and DHHS records did not agree. In this example, the DHHS attendance calendar included 3 more days and 1.75 more hours than the NDE attendance calendar.

APA CALCULATED AMOUNT	
Correct Daily Rate (Note 3)	\$37.50
Correct Hourly Rate (Note 3)	\$5.00
APA Calculated Billable Amount per NDE Records	\$533.75
APA Calculated Billable Amount per DHHS Records	\$655.00
<b>Difference in Billable Amount based on NDE &amp; DHHS Records</b>	<b>(\$121.25)</b>

This section of the exhibits includes the APA's calculation of the amounts billable to DHHS, based on the attendance records in the above section. A variance also indicates the DHHS records and NDE records did not agree.

ACTUAL AMOUNT PAID	
Daily Rate Paid	\$37.50
Hourly Rate Paid	\$5.00
Actual Days Paid	17.00
Actual Hours Paid	0.00
<b>Total Amount Paid</b>	<b>\$637.50</b>
Variance between DHHS Documented Days and Days Paid	0.00
Variance between DHHS Documented Hours and Hours Paid	3.50
<b>Variance between APA Calculated Billable Amount based on DHHS Records and Actual Amount Paid</b>	<b>N/A (Note 4)</b>

This section of the exhibits includes the actual amounts paid by DHHS. If the last cell includes an amount or an N/A, there is a variance between what DHHS paid and what the DHHS attendance records supported. In this example, DHHS actually paid 17 days, but the attendance calendar supported 17 days and 3.5 hours. The 3.5 hours was not paid.

**WISE KIDS AND KIDS ARK CHILD CARE CENTERS**  
**KIDS ARK DECEMBER 2011 SUMMARY**  
July 1, 2011 through January 31, 2012

**Exhibit A**

<b>Note 1:</b>	Documented days were calculated by counting one day for each day that included more than six hours in accordance with Title 392 NAC 4-003.02 titled Hourly and Daily Units, which states, "Care for 6 or more hours must be billed by the day." Furthermore, Section IV of the Kids Ark Child Care Provider Agreement with DHHS for October 1, 2011, through September 30, 2012, under the title "Other," states, "SIX OR MORE HOURS WILL BE BILLED AS A DAILY RATE AND LESS THAN SIX HOURS WILL BE BILLED AS A[N] HOURLY RATE"
<b>Note 2:</b>	Documented hours were calculated by entering a formula to sum the hours for each day with less than six hours plus any hours over ten per day, in accordance with Title 392 NAC 4-003.02 titled Hourly and Daily Units, which states, "Care for 6 or more hours must be billed by the day. Care for 10 or more hours in one day may be billed through hourly units for the 10th, 11th, and 12th hours unless the facility defines its day of care from opening to closing hours." Kids Ark Child Care Provider Agreement with DHHS for the period October 1, 2011, through September 30, 2012, defines its day as 10 hours, not from opening to closing. Section IV of that agreement under the title "Other" states, "PROVIDER WILL HAVE A 10 HOUR D[A]Y. SIX OR MORE HOURS WILL BE BILLED AS A DAILY RATE AND LESS THAN SIX HOURS WILL BE BILLED AS A[N] HOURLY RATE"
<b>Note 3:</b>	Children between the ages 6 weeks and 18 months should be billed at \$37.50 per day and \$5.00 per hour; children between 18 months and 36 months should be billed at \$32.50 per day and \$5.00 per hour; and children older than 36 months should be billed at \$31.00 per day and \$4.50 per hour, in accordance with the definitions in Title 392 NAC 1-003 and Section IV of the Kids Ark Child Care Provider Agreement for the period October 1, 2011, through September 30, 2012.
<b>Note 4:</b>	For instances in which the documented days/hours were greater than the billed days/hours, the APA noted that those variances were N/A because the purpose of the testing was solely to ensure that the documentation at least showed enough time for the number of days/hours billed. The APA did not further verify if any additional days/hours were underbilled as that verification process would require additional information from the service authorizations which limit the amount that can be billed, as well as documented time and billings from prior periods.
<b>Note 5:</b>	A portion of the billing for this child (#42) included a customer obligation; however as the APA calculation does not take this customer obligation into consideration it was not necessary to remove the customer obligated portion from the amount paid. The center still billed and was paid for this amount - just a small portion, not specific to any one day, was paid by the customer rather than the State (similar to a copay).
<b>Note 6:</b>	Two different rates should have been billed for this child (#88) in December 2011. The child turned 18 months on 12/4/2011; therefore, any hours on the 1 <sup>st</sup> and 2 <sup>nd</sup> should have been billed at the infant rate of \$37.50 and any remaining time should have been billed at the toddler rate of \$32.50. Instead, the entire month was billed and paid at the infant rate of \$37.50.
<b>Note 7:</b>	The attendance calendars for this child (#48) showed that the child was there for 9 days in December 2011; however, the center never billed DHHS for those 9 days. There were no billings submitted to DHHS for this child in December 2011.

**LEGEND:**

Yellow highlighting indicates a discrepancy between NDE and DHHS attendance calendars in which the NDE calendars indicated no time or less time than the DHHS calendars.

Red highlighting indicates a discrepancy between DHHS and NDE attendance calendars in which the DHHS calendars indicated no time or less time than the NDE calendars.

Gray highlighting indicates that the center did not bill DHHS for any time for the child in December 2011. This was most likely because the child's center costs were paid privately; however, the APA was not able to confirm that in all instances. These children were included on NDE attendance calendars regardless of whether they paid privately or not. There are a total of 18 children for whom Kids Ark did not bill DHHS.

**WISE KIDS DECEMBER 2011 SUMMARY**  
July 1, 2011 through January 31, 2012

**Exhibit B**

<b>Note 1:</b>	Documented days were calculated by counting one day for each day that included more than six hours in accordance with Title 392 NAC 4-003.02 titled Hourly and Daily Units, which states, "Care for 6 or more hours must be billed by the day." Furthermore, Section IV of the Wise Kids Child Care Provider Agreement with DHHS for October 1, 2011, through September 30, 2012, under the title "Other," states, "SIX OR MORE HOURS WILL BE BILLED AS A DAILY RATE AND LESS THAN SIX HOURS WILL BE BILLED AS A[N] HOURLY RATE"
<b>Note 2:</b>	Documented hours were calculated by entering a formula to sum the hours for each day with less than six hours plus any hours over ten per day, in accordance with Title 392 NAC 4-003.02 titled Hourly and Daily Units, which states, "Care for 6 or more hours must be billed by the day. Care for 10 or more hours in one day may be billed through hourly units for the 10th, 11th, and 12th hours unless the facility defines its day of care from opening to closing hours." Wise Kids Child Care Provider Agreement with DHHS for the period October 1, 2011, through September 30, 2012, defines its day as 10 hours, not from opening to closing. Section IV of that agreement under the title "Other" states, "PROVIDER WILL HAVE A 10 HOUR D[A]Y SIX OR MORE HOURS WILL BE BILLED AS A DAILY RATE AND LESS THAN SIX HOURS WILL BE BILLED AS A[N] HOURLY RATE"
<b>Note 3:</b>	Children between the ages 6 weeks and 18 months should be billed at \$37.50 per day and \$5.00 per hour; children between 18 months and 36 months should be billed at \$32.50 per day and \$5.00 per hour; and children older than 36 months should be billed at \$31.00 per day and \$4.50 per hour, in accordance with the definitions in Title 392 NAC 1-003 and Section IV of the Wise Kids Child Care Provider Agreement for the period October 1, 2011, through September 30, 2012.
<b>Note 4:</b>	For instances in which the documented days/hours were greater than the billed days/hours, the APA noted that those variances were N/A because the purpose of the testing was solely to ensure that the documentation at least showed enough time for the number of days/hours billed. The APA did not further verify if any additional days/hours were underbilled as that verification process would require additional information from the service authorizations which limit the amount that can be billed, as well as documented time and billings from prior periods.
<b>Note 5:</b>	The center initially billed DHHS for 21 days in December 2011 at the infant rate of \$37.50 for this child (#11). Subsequently, the center also billed an additional 21 days for December 2011 at the toddler rate of \$32.50. DHHS adjusted this second billing and only paid 14 days. This child's date of birth was 7/10/2010; therefore, the rate should not have changed until 1/10/2012 when the child turned 18 months. The 14 days were incorrectly paid.
<b>Note 6:</b>	Two different rates should have been billed for this child (#13) in December 2011. The child turned 18 months on 12/29/2011; therefore, any hours on the next day (12/30/2011) should have been billed at the toddler rate of \$32.50 instead of the infant rate of \$37.50. According to the attendance calendars provided to DHHS, the child was at the center for 7.5 hours or 1 day on 12/30/2011.
<b>Note 7:</b>	A portion of the billing for these children (#20, #21, #113, #117, #130, and #138) included a customer obligation; however as the APA calculation does not take this customer obligation into consideration it was not necessary to remove the customer obligated portion from the amount paid. The center still billed and was paid for these amounts - just a small portion, not specific to any one day, was paid by the customer rather than the State (similar to a copay).
<b>Note 8:</b>	The DHHS attendance calendars for this child (#64) were not provided to the APA so the variances could not be calculated.

**LEGEND:**

	Yellow highlighting indicates a discrepancy between NDE and DHHS attendance calendars in which the NDE calendars indicated no time or less time than the DHHS calendars.
	Red highlighting indicates a discrepancy between DHHS and NDE attendance calendars in which the DHHS calendars indicated no time or less time than the NDE calendars.
	Gray highlighting indicates that the center did not bill DHHS for any time for the child in December 2011. This was most likely because the child's daycare costs are paid privately; however, the APA was not able to confirm that in all instances. These children were included on NDE attendance calendars regardless of whether they paid privately or not. There were a total of 21 children for whom Wise Kids did not bill DHHS.

**Note:** Wise Kids licensed capacity is 90 children. The orange highlighting indicates the center was overcapacity during that 15 minute interval.

\*The center was closed on 12/26/2011; however, the calendars indicated there were children present, as illustrated by the light blue highlighting.
