Gene Olson, Chairperson
Village of Obert
112 Main St.
Obert, NE 68757

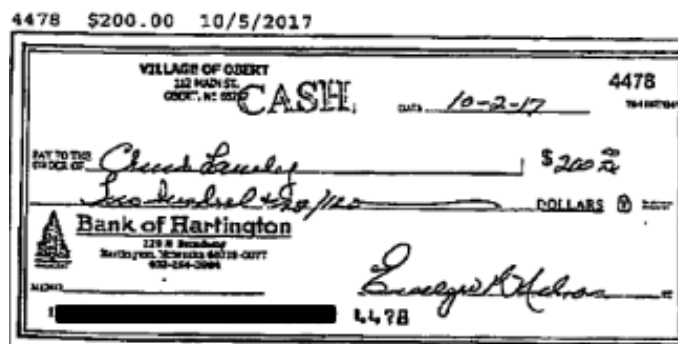

Dear Chairperson Olson:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Obert (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Dual Signatures Required on Checks

The APA obtained the bank statements for the Village's accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted that all Village checks written during the examination period contained only one signature. An example of such checks is shown below:

State statute requires Village checks to be signed by both the Village Board (Board) Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

2. **Lack of Claims Listing**

During our comparison of the Village's bank account details to claims approved by the Board, the APA noted that no listing of individual claims was recorded in the Board's published proceedings.

The following is an excerpt from the minutes from the September 10, 2018, Board meeting:

Bills were presented. Charles made a motion to accept and pay bills as read. Gordon seconded the motion. Motion carried.

The APA was later provided with a listing of the bills referenced above, which were approved by the Board.

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2018) requires publication of the Board's official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

It shall be the duty of each village or city clerk in every village or city having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the village or city board, council, or commission within thirty days after any meeting of the board, council, or commission. The publication shall be in a newspaper in or of general circulation in the village or city, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.

(Emphasis added.) As noted above, no listing of claims was included in the meeting minutes provided to the APA, which gives rise to concerns regarding compliance with the requirements of § 19-1102.

We recommend the Board implement procedures to ensure that a listing of claims, which includes the name of the claimant as well as the amount and purpose of each claim, is recorded in its published meeting minutes, as required by law.
