Daniel Beahm, Chairperson
Village of Saronville
107 South Main Street
Saronville, NE 68975

Dear Chairperson Beahm:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Saronville (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Possible Conflict of Interest

The APA received Village Board (Board) meeting minutes and the accompanying claims listing for September 17, 2018. From this listing, the APA identified a potential conflict of interest involving the actions of Board Chairperson Daniel Beahm.

It is unclear from those meeting minutes whether Mr. Beahm abstained from voting on the following claim:

Claim Date	Name/Vendor	Amount	Check #	Cleared Date
9/17/2018	Sandra Beahm	\$ 600.00	4233	9/19/2018

An excerpt from the September 17, 2018, Board minutes is provided below:

Motion by Carlson and seconded by Adams to pay the bills as presented.

The possible failure of Board Chairperson Daniel Beahm to abstain from voting on the motion above gives rise to concerns regarding possible violations of the Nebraska Political Accountability and Disclosure Act (Act), which is set out at Neb. Rev. Stat. § 49-1401 (Cum. Supp. 2018) et seq.

To start, Neb. Rev. Stat. § 49-14,101.01(1) (Reissue 2010) states the following:

A public official or public employee shall not use or authorize the use of his or her public office or any confidential information received through the holding of a public office to obtain financial gain, other than compensation provided by law, for himself or herself, a member of his or her immediate family, or a business with which the individual is associated.

The penalty for violating the above-cited conflict of interest statute is set out in subsection (7) thereof, as follows:

[A]ny person violating this section shall be guilty of a Class III misdemeanor, except that no vote by any member of the Legislature shall subject such member to any criminal sanction under this section.

Furthermore, Neb. Rev. Stat. § 49-1499.03(2) (Reissue 2010) provides the following:

(a) Any person holding an elective office of a city or village not designated in section 49-1493 and any person holding an elective office of a school district who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

(i) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

(ii) Deliver a copy of the statement to the person in charge of keeping records for the city, village, or school district who shall enter the statement onto the public records of the city, village, or school district; and

(iii) Abstain from participating or voting on the matter in which the person holding elective office has a conflict of interest.

(b) The person holding elective office may apply to the commission for an opinion as to whether the person has a conflict of interest.

(Emphasis added.) Good internal control requires procedures to ensure compliance with the applicable provisions of the Act.

Without such procedures, there is an increased risk for both statutory violations and the loss of Village funds.

We recommend the Board implement procedures to ensure compliance with the applicable provisions of the Act. Because the issue addressed herein constitutes a possible violation of the Act, we are forwarding this information to the Nebraska Accountability and Disclosure Commission.

Village Response: Although, Chairman Beahm does not vote on or approve the payments made to Sandra Beahm for mowing, it is now apparent that is not clearly or completely shown through the minutes. Going forward the clerk will provide a more detailed accounting of all voting and anything that could constitute a conflict of interest in the minutes for public record to ensure better transparency.

2. Dual Signatures Required on Checks

The APA obtained the bank statements for the Village's accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted that one Village check written during the examination period contained only one signature. The following is an image of that check:

State statute requires Village checks to be signed by both the Board Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

Village Response: All checks are dually signed at board meetings in front of the board after approval. The check that was found in review was missed by signers, witnesses, and the Village's financial institution at where the check was cashed. This check was reflected in the minutes, but it can only be assumed that the reason for this check with a single signature was because the checks that the Village previously used only had one signature line and it could be hard to distinguish signatures. In May 2019 the Village started using checks that have an additional line for signatures that are clearer. The clerk does also provide each board member with a detailed financial accounting each month for complete accountability and review.

3. Lack of Claim Purpose

During our comparison of the Village's bank account details to claims approved by the Board, the APA noted that one claim listed in the Board's official proceedings lacked a description of its respective purpose.

The following is the claim observed in the approved claims listing provided by the Village for September 17, 2018:

Name	Description	Amount
South Central PPD		\$ 184.68

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2018) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

It shall be the duty of each village or city clerk in every village or city having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the village or city board, council, or commission within thirty days after any meeting of the board, council, or commission. The publication shall be in a newspaper in or of general circulation in the village or city, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board’s official proceedings describe the purpose of each claim allowed.

Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board’s official proceedings and published in accordance with State statute.

Village Response: Although the reason for the payment was assumed to be for electricity it is not stated and the corrective action going forward is that the clerk will ensure that every payment has a description for accounting and transparency to all.

4. Payment of Claims Prior to Board Approval

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted one payment, totaling \$184.68, was made before the underlying claim was approved by the Board.

The details of that unapproved payment are provided below:

Name	Claim Date	Check #	Clear Date	Check Amount	Days Paid Before Approval
South Central PPD	9/17/2018	EFT	8/27/2018	\$ 184.68	21

Neb. Rev. Stat. § 17-614(1) (Cum. Supp. 2018) sets out the proper method for the appropriation or payment of money by the Village, as follows:

All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees

(Emphasis added.) Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Village Response: The South Central PPD payments are automatic withdrawals and at one time the billing cycle and meeting schedule did not allow the board to approve the bills prior to withdrawal, but it was able to be approved within adequate time limits. Going forward the board will utilize new online ways to access bills and get prior approval on the current month's bill as it should be.
