Kathy Cummings, Chairperson  
Village of Rogers  
1455 2<sup>nd</sup> Street  
Rogers, NE 68659

Dear Chairperson Cummings:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Rogers (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

## **Comments and Recommendations**

### **1. Lack of Claim Purpose**

During our comparison of the Village's bank account details to claims approved by the Board, the APA noted that a majority of the claims listed in the Board's official proceedings lacked descriptions of their respective purposes.

The following is an example of the approved claims listing provided by the Village for December 13, 2017:

| Name                     | Description    | Amount             |
|--------------------------|----------------|--------------------|

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2018) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

*It shall be the duty of each village or city clerk in every village or city having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the village or city board, council, or commission within thirty days after any meeting of the board, council, or commission. The publication shall be in a newspaper in or of general circulation in the village or city, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.*

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board’s official proceedings describe the purpose of each claim allowed.

Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board’s official proceedings and published in accordance with State statute.

*Village Response: The purpose of each claim allowed will be included in the Board’s official proceedings and published in accordance with state statute.*

## **2. Negative Fund Balance**

On Exhibit A of the Village’s audit waiver form, the APA noted that the Enterprise Fund had a deficit fund balance of \$27,691 as of September 30, 2018.

Good internal control and sound accounting practices require procedures to ensure that Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure also that the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take any action needed to resolve deficits therein.

Without such procedures, there is an increased risk of not only insufficient Village fund balances but also the resultant inability to cover fully all disbursements and transfers approved by the Board.

We recommend the Village Board implement procedures to ensure Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take any action needed to resolve deficits therein.

*Village Response: Review of each fund to make sure balances are sufficient to cover fully all disbursements and transfers approved by the board.*
