Keith Haskell, Chairperson
Village of Haigler
P.O. Box 29
Haigler, NE 69030

Dear Chairperson Haskell:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Haigler (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

**Comments and Recommendations**

1. **Possible Conflict of Interest**

The APA received Village Board (Board) meeting minutes and the accompanying claims listing for January 3, 2018. From this listing, the APA identified a potential conflict of interest involving the actions of Board Chairperson Keith Haskell.

According to the meeting minutes, Mr. Haskell appears to have failed to abstain from voting on the following claim:

<table>
<thead>
<tr>
<th>Claim Date</th>
<th>Name/Vendor</th>
<th>Amount</th>
<th>Check #</th>
<th>Cleared Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>1/3/2018</td>
<td>Keith Haskell</td>
<td>$150.00</td>
<td>9250</td>
<td>1/5/2018</td>
</tr>
</tbody>
</table>

While no claim description was provided, this payment was approved to be paid out of the Fire Department Fund and does not appear to be for Board member compensation.

An excerpt from the January 3, 2018, Board minutes is provided below:

> January bills were reviewed. Rick Starks made a Motion that they be approved and paid. Motion was seconded by Mark Kamla and unanimously carried.

The apparent failure of Board Chairperson Keith Haskell to abstain from voting on the motion above gives rise to concerns regarding possible violations of the Nebraska Political Accountability and Disclosure Act (Act), which is set out at Neb. Rev. Stat. § 49-1401 (Cum. Supp. 2018) et seq.
To start, Neb. Rev. Stat. § 49-14,101.01(1) (Reissue 2010) states the following:

A public official or public employee shall not use or authorize the use of his or her public office or any confidential information received through the holding of a public office to obtain financial gain, other than compensation provided by law, for himself or herself, a member of his or her immediate family, or a business with which the individual is associated.

The penalty for violating the above-cited conflict of interest statute is set out in subsection (7) thereof, as follows:

[A]ny person violating this section shall be guilty of a Class III misdemeanor, except that no vote by any member of the Legislature shall subject such member to any criminal sanction under this section.

Furthermore, Neb. Rev. Stat. § 49-1499.03(2) (Reissue 2010) provides the following:

(a) Any person holding an elective office of a city or village not designated in section 49-1493 and any person holding an elective office of a school district who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

(i) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

(ii) Deliver a copy of the statement to the person in charge of keeping records for the city, village, or school district who shall enter the statement onto the public records of the city, village, or school district; and

(iii) Abstain from participating or voting on the matter in which the person holding elective office has a conflict of interest.

(b) The person holding elective office may apply to the commission for an opinion as to whether the person has a conflict of interest.

(Emphasis added.) Good internal control requires procedures to ensure compliance with the applicable provisions of the Act.

Without such procedures, there is an increased risk for both statutory violations and the loss of Village funds.

We recommend the Board implement procedures to ensure compliance with the applicable provisions of the Act. Because the issue addressed herein constitutes a possible violation of the Act, we are forwarding this information to the Nebraska Accountability and Disclosure Commission.

Village Response: Chairman Haskell has always chosen not to vote on a Motion unless there was a tie or the vote was needed to provide for a quorum. If recommended, we will state in the published Minutes that he abstained on the Motions which are made. In a Village with a population of 158 with most of the residents being retired or elderly, it is very difficult for the Superintendent to find help. The check was for gas reimbursement when they had to travel to Lincoln to pick up an additional fire truck which the Village was required to purchase.
2. **Dual Signatures Required on Checks**

The APA obtained the bank statements for the Village’s accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted that one Village check written during the examination period contained only one signature. An example of that check is shown below:

![Check Image]

The APA also noted other checks made out to petty cash; however, these all contained the required dual signatures.

State statute requires Village checks to be signed by both the Board Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

> All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

**Village Response:** Our petty cash fund is primarily used by the Village Superintendent for water sample mailings to Nebraska DHHS. It was an honest error and we do not expect this to happen again.

3. **Lack of Claim Purpose**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that the claims listed in the Board’s official proceedings lacked descriptions of their respective purposes.

The following is an example of the approved claims listing provided by the Village for January 3, 2018:

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2018) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

> It shall be the duty of each village or city clerk in every village or city having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the village or city board, council, or commission within thirty days after any meeting of the board, council, or commission. The publication shall be in a newspaper in or of general circulation in the village or city, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board’s official proceedings describe the purpose of each claim allowed.

Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board’s official proceedings and published in accordance with State statute.

*Village Response: Corrective action was taken on this matter in March of 2019 to include full descriptions in the Minutes that are published in the paper.*

4. **Payment of Unapproved Claims**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA identified one check, totaling $1,063.60, which was paid but not included on the claims listing to be approved by the Board.
Details of that unapproved payment are presented in the table below:

<table>
<thead>
<tr>
<th>Name</th>
<th>Check #</th>
<th>Check Date</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>NE Dept of Revenue</td>
<td>9269</td>
<td>1/3/2018</td>
<td>$1,063.60</td>
</tr>
</tbody>
</table>

Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

**Village Response:** The sample check listing payment to NE Dept. of Revenue was for the previous quarter’s 941N form. At the time of the meeting on the first Wednesday, the form and the amount due was not available. This happens frequently on State forms and on grant funds when the amounts are unknown at the time but the form or the check needs to be completed before the next month. These are usually listed on the list of Expenditures given to Board members as “To Be Paid”. The publication of the Minutes in the paper often comes out before those funds are paid.
