Sam Smith, Chairperson
Village of Brock

Brock, NE 68320

Dear Chairperson Smith:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Brock (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Possible Conflict of Interest

The APA received Village Board (Board) meeting minutes and the accompanying claims listing for November 26, 2018. While reviewing those documents, the APA identified a potential conflict of interest involving the actions of Board members K. Jeanneret and D. Jeanneret.

According to the meeting minutes, it is unclear whether these individuals abstained from voting on the following claim:

Claim Date	Name/Vendor	Amount
11/26/2018	Jeanneret Mowing	\$ 750.00

An excerpt from the November 26, 2018, Board minutes is provided below:

The Treasurer's report, receipts, claims, bank statements and reconciliations were reviewed. Motion was made by Trustee Berglund to approve the Treasurer's report, receipts, bank statements, reconciliations and pay claims. Trustee D. Jeanneret seconded. Roll call vote: K. Jeanneret, Berglund, Smith, and D. Jeanneret voted aye. Nay none. Trustee Reed was absent. Motion carried.

The possible failure of Board members K. Jeanneret and D. Jeanneret to abstain from voting on the motion above gives rise to concerns regarding possible violations of the Nebraska Political Accountability and Disclosure Act (Act), which is set out at Neb. Rev. Stat. § 49-1401 (Cum. Supp. 2018) et seq.

To start, Neb. Rev. Stat. § 49-14,101.01(1) (Reissue 2010) states the following:

A public official or public employee shall not use or authorize the use of his or her public office or any confidential information received through the holding of a public office to obtain financial gain, other than compensation provided by law, for himself or herself, a member of his or her immediate family, or a business with which the individual is associated.

The penalty for violating the above-cited conflict of interest statute is set out in subsection (7) thereof, as follows:

[A]ny person violating this section shall be guilty of a Class III misdemeanor, except that no vote by any member of the Legislature shall subject such member to any criminal sanction under this section.

Furthermore, Neb. Rev. Stat. § 49-1499.03(2) (Reissue 2010) provides the following:

(a) Any person holding an elective office of a city or village not designated in section 49-1493 and any person holding an elective office of a school district who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

(i) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

(ii) Deliver a copy of the statement to the person in charge of keeping records for the city, village, or school district who shall enter the statement onto the public records of the city, village, or school district; and

(iii) Abstain from participating or voting on the matter in which the person holding elective office has a conflict of interest.

(b) The person holding elective office may apply to the commission for an opinion as to whether the person has a conflict of interest.

(Emphasis added.) Good internal control requires procedures to ensure compliance with the applicable provisions of the Act.

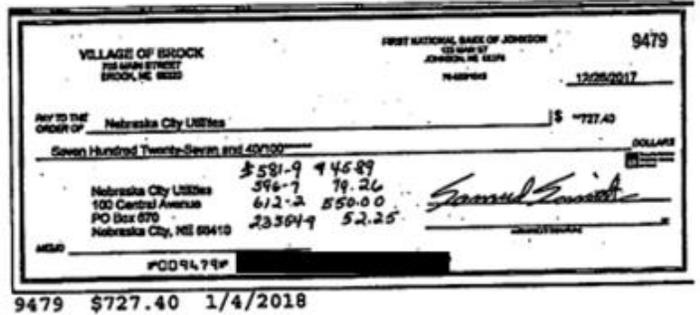

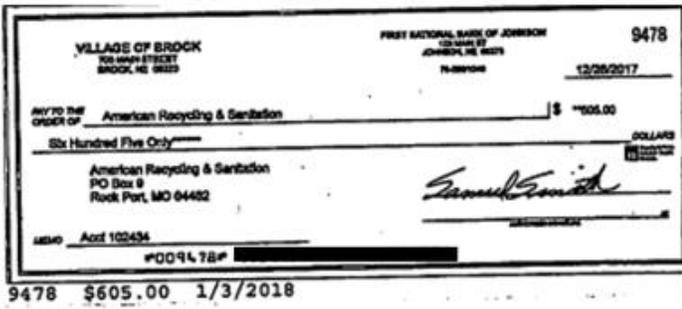

Without such procedures, there is an increased risk for both statutory violations and the loss of Village funds.

We recommend the Board implement procedures to ensure compliance with the applicable provisions of the Act. Because the issue addressed herein constitutes a possible violation of the Act, we are forwarding this information to the Nebraska Accountability and Disclosure Commission.

Village Response: The two board members, Delbert Jeanneret and Kristal Jeanneret, will be notified on the possible conflict of interest concerning the 11/26/18 payment to Delbert Jeanneret for mowing and counseled to abstain from voting if this should occur in the future. Procedures will be implemented by the Board and Clerk to review any similar circumstance in the future in order to prevent a possible conflict of interest.

2. Dual Signatures Required on Checks

The APA obtained the bank statements for the Village's accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted that two Village checks, totaling \$1,332.40, written during the examination period contained only one signature. Examples of such checks are shown below:

State statute requires Village checks to be signed by both the Board Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

Village Response: The Board will implement a review at each monthly meeting to prevent the error of not having 2 signatures on checks. The 2 checks identified happened during the transition between Clerks.

Draft copies of this letter were furnished to the Village to provide its management with an opportunity to review and to respond to the comments and recommendations contained herein. Any formal responses received have been incorporated into this letter. Such responses have been objectively evaluated and recognized, as appropriate, in the letter.
