Cheryl Giesselmann, Chairperson
Village of Elsie
103 Perkins Avenue
Elsie, NE 69134

Dear Chairperson Giesselmann:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Elsie (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

**Comments and Recommendations**

1. **Payment of Claims Prior to Board Approval**

During our comparison of the Village’s bank account details to claims approved by the Village Board (Board), the APA noted that one Village payment, totaling $594.50, was paid before the underlying claim was approved by the Board.

Details of that premature payment are presented in the table below:

<table>
<thead>
<tr>
<th>Claim Date</th>
<th>Name/Vendor</th>
<th>Amount</th>
<th>Payment Type</th>
<th>Cleared Date</th>
<th>Days Paid Before Approval</th>
</tr>

<td>Katie Sis</td>
<td>$ 594.50</td>
<td>EFT</td>
<td>10/31/2017</td>

</tbody>

Neb. Rev. Stat. § 17-614(1) (Cum. Supp. 2018) sets out the proper method for the appropriation or payment of money by the Village, as follows:

> All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees . . . .

(Emphasis added.) Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.
We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

2. **Payment of Unapproved Claims**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA identified two payments, totaling $1,403.43, which were paid but not included on the claims listing to be approved by the Board.

These disbursements are summarized in the table below:

<table>
<thead>
<tr>
<th>Name/Vendor</th>
<th>Amount</th>
<th>Payment Type</th>
<th>Cleared Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Village of Elsie Payroll</td>

<tr>
<td>Department of Revenue</td>

<td>EFT</td>
<td>11/28/2017</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$1,403.43</strong></td>

</tr>
</tbody>
</table>

Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved. Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

3. **Other Issues**

The APA noted frequent $100 cash withdrawals from the Village bank account.

An example of one of these withdrawals is shown below:

Good internal control requires adequate reviews and monitoring of the Village’s financial activity by the Board to ensure cash withdrawals are authorized and appropriate.

Without such procedures and oversight, there is a significant risk for loss or misuse of Village funds.
We recommend the Board implement procedures to ensure cash withdrawals are authorized and appropriate.
