Jennifer Backhaus, Chairperson
Village of McLean
108 West 4th Street
McLean, NE 68747

Dear Chairperson Backhaus:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of McLean (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

Comment and Recommendation

Lack of Claim Purpose

During our comparison of the Village’s bank account details to claims approved by the Village Board (Board), the APA noted that the claims listed in the Board’s official proceedings lacked descriptions of their respective purposes.

The following is an example of the approved claims listing provided by the Village for November 7, 2017:

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2018) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

*It shall be the duty of each village or city clerk in every village or city having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the village or city board, council, or commission within thirty days after any meeting of the board, council, or commission. (Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board’s official proceedings describe the purpose of each claim allowed.

Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board’s official proceedings and published in accordance with State statute.

Village Response: The McLean Village Board has reviewed your letter and will implement your recommendation of reporting the purpose of each claim in the Board’s official proceedings as well as be published in accordance with State statute 19-1102. The reporting and publishing implementation will begin immediately.
