Randy Handley, Chairperson
Village of Barada
65307 717 Road
Falls City, NE 68355

Dear Chairperson Handley:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Barada (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

**Comments and Recommendations**

1. **Dual Signatures Required on Checks**

   The APA obtained the bank statements for the Village’s accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted that all Village checks written during the examination period contained only one signature. An example of such checks is shown below:

   ![Check Example](image_url)

   State statute requires Village checks to be signed by both the Village Board (Board) Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

   *All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.*
Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

Village Response: The Village Clerk has begun the process to add the Village Chairman to the signature card for the Village’s checking account and adding the requirement that two signatures are needed on checks. The Board will pass a resolution requiring dual signatures on all Village checks at their next meeting.

2. Lack of Claims Listing

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that no listing of individual claims was recorded in the Board’s official proceedings.

The APA was informed that the Village does not maintain a list of claims approved by the Board. Consequently, the APA questions the current ability of the Village to publish the Board’s official proceedings, including a listing of claims allowed, as required by statute.

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2018) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

> It shall be the duty of each village or city clerk in every village or city having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the village or city board, council, or commission within thirty days after any meeting of the board, council, or commission. The publication shall be in a newspaper in or of general circulation in the village or city, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122. (Emphasis added.)

Good internal control and sound accounting practices require procedures to ensure that the Board’s official proceedings describe the purpose of each claim allowed.

Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board’s official proceedings and published in accordance with State statute.

Village Response: The Board will pass a resolution at their next meeting requiring all claims of the Village be approved by the Board before payment, and that claims approved and paid be included in the minutes of the Board meetings along with the purpose of the claim. Claims that are expected to be paid prior to the Board’s next meeting shall be paid only if pre-approved by the board at an earlier meeting. These claims will also be reviewed and approved at a subsequent Board meeting.
