Ernest Belik, Chairperson
Village of Washington
1297 County Road P-25
Washington, NE 68068

Dear Chairperson Belik:

As you know, the Nebraska Auditor of Public Accounts (APA) has approved the fiscal year 2018 audit waiver for the Village of Washington (Village). However, while performing our review to determine whether to approve the audit waiver, the APA noted certain internal control or compliance matters, or other operational issues, within the Village. The following information is intended to improve internal controls or result in other operational efficiencies.

**Comments and Recommendations**

1. **Dual Signatures Required on Checks**

The APA obtained the bank statements for the Village’s accounts from its fiscal year 2018 audit waiver request. From these statements, the APA noted that all Village checks written during the examination period contained only one signature. An example of such checks is shown below:

State statute requires Village checks to be signed by both the Village Board (Board) Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2018) provides the following:

*All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.*
Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

2. **Other Issues**

During the APA’s review, the following other issues were noted:

- Balances held by the County Treasurer for property tax receipts were not reported on Exhibit A of the Village’s audit waiver request form.
- On Exhibit A, interfund transfers were reported; however, the Schedule of Interfund Transfers was not completed.

Good internal control requires procedures to ensure that all required information is accurately reported on the Village’s audit waiver request form.

Without such procedures, there is an increased risk of not only lack of transparency but also the possibility of the Village’s audit waiver request being denied.

We recommend the Board implement procedures to ensure all required information is accurately reported on the Village’s audit waiver request form.

Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.

Draft copies of this letter were furnished to the Village to provide its management with an opportunity to review and to respond to the comments and recommendations contained herein. The Village declined to respond.
