Mark Otto, Chairperson  
Phillips Rural Fire District 9  
101 Hillcrest  
Phillips, NE 68865

Dear Chairperson Otto:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Phillips Rural Fire District 9 (District) for the fiscal year ending 2020. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (2020 Neb. Laws, LB 781, § 8), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

## Comments and Recommendations

### **1. Payments Not Approved**

The APA obtained a copy of the September 19, 2019, meeting minutes for the Board of Directors (Board) of the District. Those minutes fail to reflect the Board's approval of any District expenditures.

Per Neb. Rev. Stat. § 35-508(4) (Reissue 2016), Boards have the exclusive power to "manage and conduct the business affairs of the district." Accordingly, any expenditure of District funds requires express Board authorization.

Additionally, Neb. Rev. Stat. § 35-511 (Reissue 2016) provides, in relevant part, the following:

*All donations, contributions, bequests, annuities, or borrowed money received by or on behalf of the district shall be deposited with the secretary-treasurer of the district and shall be drawn out only upon proper check. Such check shall be authorized by the board of directors and shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.*

(Emphasis added.) Properly discharging the above statutory duties necessarily entails proper financial management, which calls for the Board's approval of all expenditures prior to, or as soon thereafter as possible, the actual disbursement of District funds.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. § 84-1407 (Reissue 2014) et seq. In particular, Neb. Rev. Stat. § 84-1413(1) (Cum. Supp. 2018) requires public bodies, including Boards, to "keep minutes of all meetings," showing, among other things, "the substance of all matters discussed."

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves, in a timely fashion, all expenditures and business transactions of the District. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the implementation of procedures to ensure the Board approves, in a timely fashion, all expenditures of District funds, and such approval is documented adequately in the Board’s meeting minutes.

**2. Lack of Dual Signatures**

The APA obtained the monthly statements for the District’s bank accounts from its fiscal year 2020 audit waiver request. From those statements, the APA noted that all District checks written during the examination period contained only one signature.

Nebraska law requires both the Secretary-Treasurer and the President of the District to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 35-511 (Reissue 2016) states that those checks “shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.”

In addition, good internal controls and sound accounting practices require procedures to ensure that District checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the Board implement procedures to require dual signatures, from both the Secretary-Treasurer and the President, on all District checks, as required by law.

**3. Audit Waiver Activity**

During fiscal year 2020, the District obtained \$125,000 in loan proceeds used to pay off the lease purchase of their tanker, a grant writer, and the purchase of a Grass Rig. Per the District, the District did not consider these proceeds as revenues and loan payments as disbursements; therefore, the District’s audit waiver request failed to include the receipt and disbursement of these funds.

Good internal controls require procedures to ensure that the audit waiver request reports complete activity for the District. Without such procedures, there is an increased risk of lack of transparency.

We recommend the District implement procedures to ensure the audit waiver request reports complete activity for the District.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
