INDEPENDENT AUDITOR'S REPORT

Nebraska Public Employees Retirement Board Lincoln, Nebraska

Report on the Schedules

We have audited the accompanying Schedule of Allocated Proportion by Employer of the Nebraska Public Employees Retirement Systems (NPERS) – School Employees Retirement Plan as of and for the year ended June 30, 2019, and the related notes. We have also audited the total for all entities of the column titled Total NPL included in the accompanying Schedule of Net Pension Liability, and the total for all entities of the columns titled Total Deferred Outflows of Resources, Total Deferred Inflows of Resources, and Total Employer Pension Expense/(Income) (specified column totals) included in the accompanying Schedule of Pension Amounts by Employer of the NPERS – School Employees Retirement Plan as of and for the year ended June 30, 2019, and the related notes.

Management's Responsibility for the Schedules

Management is responsible for the preparation and fair presentation of these Schedules in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability, and Schedule of Pension Amounts by Employer based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability, and Schedule of Pension Amounts by Employer are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability, and Schedule of Pension Amounts by Employer. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Pension Liability, and Schedule of Net Pension totals included in the Schedule of Net Pension Liability, and Schedule of Pension totals included in the Schedule of Net Pension Liability, and Schedule of Pension Amounts by Employer, whether due to fraud or error. In making those risk assessments, the auditor

considers internal control relevant to the entity's preparation and fair presentation of the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability, and Schedule of Pension Amounts by Employer in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the NPERS – School Employees Retirement Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Schedule of Allocated Proportion by Employer and the specified column totals included in the Schedule of Net Pension Liability, and Schedule of Pension Amounts by Employer.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the Schedules referred to previously present fairly, in all material respects, employer contributions, the employer allocations and Total Net Pension Liability, Total Deferred Outflows of Resources, Total Deferred Inflows of Resources, and Total Employer Pension Expense /(Income) for all NPERS participating entities for the School Employees Retirement Plan, as of, and for the year ended June 30, 2019, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of NPERS – School Employees, Judges, and State Patrol Retirement Plans as of and for the year ended June 30, 2019, and our report thereon, dated January 27, 2020, expressed an unmodified opinion on those financial statements.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 27, 2020, on our consideration of NPERS – School Employees Retirement Plan's internal control over the preparation of these Schedules and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over the preparation of these Schedules and compliance and the results of that testing, and not to provide an opinion on the effectiveness of NPERS' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering NPERS' internal control over financial reporting or our considering NPERS' internal control over financial reporting and compliance.

Restriction on Use

Our report is intended solely for the information and use of NPERS management, members of the Retirement Board, NPERS – School Employees Retirement Plan employers and their auditors, and the non-employer contributing entity, and is not intended to be, and should not be, used by anyone other than these specified parties.

NOTES TO THE SCHEDULE OF ALLOCATED PROPORTION BY EMPLOYER, SCHEDULE OF NET PENSION LIABILITY, AND SCHEDULE OF PENSION AMOUNTS BY EMPLOYER

For the Year Ended June 30, 2019

1. <u>Summary of Significant Accounting Policies</u>

A. Basis of Presentation

Employers participating in NPERS – School Employees Retirement Plan cost-sharing, multiple-employer defined benefit plan are required to report pension information in their financial statements for fiscal periods beginning on or after June 15, 2014, in accordance with Governmental Accounting Standards Board (GASB) Statement No. 68, Accounting and Financial Reporting for Pensions. The Schedule of Allocated Proportion by Employer, Schedule of Net Pension Liability, and Schedule of Pension Amounts by Employer provide employers with the required information for financial reporting.

The underlying financial information used to prepare the pension allocation schedules is based on NPERS – School Employees Retirement Plan financial statements. NPERS financial statements for all plans are prepared using the accrual basis of accounting and are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), which apply to governmental accounting for fiduciary funds.

Employer contributions, employer adjustments, and accounts receivable/payable for pay period begin dates between July 1, 2018, and June 30, 2019, were used as the basis for determining each employer's proportionate share of the collective pension amounts reported in the Schedule of Allocated Proportion by Employer.

The difference between employer contributions reported on the School Employees Retirement Plan Statement of Changes in Plan Net Position of \$196,850,333 and employer contributions reported on the Schedule of Allocated Proportion by Employer of \$196,787,620 totals \$62,713. The variance of \$62,713 is due to differences in the accrual of employer contributions receivable and is included in total pension expense.

The Employer Allocated Percentage by Contributions on the Schedule of Allocated Proportion by Employer represents each employer's reported actual contributions divided by the total reported actual employer contributions for all school employers.

The Final Employer Allocated Percentage on the Schedule of Allocated Proportion by Employer represents each employer's reported actual contributions divided by the total reported actual employer contributions and non-employer contributing entity contributions. The non-employer contributing entity contributions totaled \$40,543,609. The non-employer contributing entity, the State of Nebraska, contributes an amount equal to two percent of the compensation of all members of the school employee retirement system, in accordance with Neb. Rev. Stat. § 79-966(2) (Cum. Supp. 2018). The percentages in this column are used to calculate each employer's proportionate shares on the Schedule of Net Pension Liability, and the Schedule of Pension Amounts by Employer. The State of Nebraska's proportionate share is 17.083133%, calculated by dividing its contributions by the total employer and non-employer contributions (\$40,543,609/\$237,331,229).

NOTES TO THE SCHEDULE OF ALLOCATED PROPORTION BY EMPLOYER, SCHEDULE OF NET PENSION LIABILITY, AND SCHEDULE OF PENSION AMOUNTS BY EMPLOYER (Continued)

1. Summary of Significant Accounting Policies (Concluded)

The Changes in Proportion, presented as a Deferred Outflow of Resources or Deferred Inflow of Resources on the Schedule of Pension Amounts by Employer are calculated as the difference between each employer's current year final employer allocated percentage, and the previous fiscal year final employer allocated percentage, multiplied by the previous year's collective net pension liability, less the amount to be recognized in the current period as Pension Expense. These amounts also include the prior year Deferred Outflows of Resources and Deferred Inflows of Resources less the amount to be recognized in the current period as pension expense.

Prior year information can be found in the GASB Statement No. 68 reports prepared by the plan actuary as of June 30, 2014, through June 30, 2018 (see Note 3). The change in proportion to be reported as pension expense in the current year is determined by spreading the total change over the average expected remaining service life of the entire plan membership at the beginning of the measurement period, which is 5.44 years. That amount is presented as the Net Recognition of Deferred Amounts from Changes in Proportionate Share found under Pension Expense on the Schedule of Pension Amounts by Employer.

The Differences Between Expected and Actual Experience are also to be recognized over the average expected remaining service life of the entire plan membership at the beginning of the measurement period, which is 5.44 years. The non-current amount is presented as a Deferred Inflow of Resources on the Schedule of Pension Amounts by Employer. The current amount is included in the Proportionate Share of Plan Pension Expense/(Income) on the Schedule of Pension Amounts by Employer.

The Differences Between Projected and Actual Earnings on Pension Plan Investments are to be recognized over a five-year period. The non-current amount is presented as a Deferred Outflow of Resources and a Deferred Inflow of Resources on the Schedule of Pension Amounts by Employer. The current amount is included in the Proportionate Share of Plan Pension Expense/(Income) on the Schedule of Pension Amounts by Employer.

A Schedule of Recognition Amounts by Employer, showing Deferred Outflows of Resources and Deferred inflows of Resources to be recognized in future years, by employer, has been prepared by the actuary's GASB Statement No. 68 report as of June 30, 2019. That report is available through NPERS, see Note 3 below.

School employers participating in the plan have fiscal years ending August 31st. Roll-forward procedures have not been completed. NPERS expects all school employers will prepare financial statements in conformity with a comprehensive basis of accounting other than generally accepted accounting principles.

2. <u>Plan Description</u> (Concluded)

The School Employees Retirement Plan is a cost-sharing, multiple-employer defined benefit pension plan. In 1945, the Legislature enacted the law establishing a retirement plan for school employees of the State. During fiscal year 2019, there were 265 participating school districts. These were the districts that had contributions during the fiscal year. All regular public school employees in Nebraska, other than those who have their own retirement plans (Class V school districts, Nebraska State Colleges, University of Nebraska, and Nebraska Community Colleges), are members of the plan.

3. <u>Actuarial Methods and Assumptions</u>

The total pension liability for the School Employees Retirement Plan was determined by an actuarial valuation as of the June 30, 2019, measurement date, using the entry age normal actuarial cost method. Inflation is assumed to be 2.75 percent. The long-term expected rate of return on pension plan investments used in the determination of the total pension liability is 7.50 percent.

The actuarial assumptions used in the July 1, 2019, valuation were based on the results of the actuarial experience study, which covered the four-year period ending June 30, 2015. The experience study report is dated November 17, 2016.

The supporting actuary information is included in the July 1, 2019, Actuarial Valuation Report, and the June 30, 2019, GASB Statement No. 67 and 68 reports prepared by the actuary. Those reports can be obtained from https://npers.ne.gov under Member Info – Publications/Videos, by writing to Public Employees Retirement Systems, P.O. Box 94816, Lincoln, NE, 68509-4816, or by calling 402-471-2053.

4. Additional Financial Information

Additional financial information supporting the preparation of the Schedule of Allocated Proportion by Employer, the Schedule of Net Pension Liability, and the Schedule of Pension Amounts by Employer (including the unmodified audit opinion on the financial statements) is presented in a separate report prepared by NPERS. That report can be obtained from https://npers.ne.gov under Related Links – Retirement Plan Audits, by writing to Public Employees Retirement Systems, P.O. NEBRASKA PUBLIC EMPLOYEES RETIREMENT SYSTEMS SCHOOL EMPLOYEES RETIREMENT PLAN EMPLOYER GASB STATEMENT NO. 68 SCHEDULES INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Nebraska Public Employees Retirement Board Lincoln, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the Schedule of Allocated Proportion by Employer of the Nebraska Public Employees Retirement Systems (NPERS) – School Employees Retirement, as of and for the year ended June 30, 2019, and the related notes. We have also audited the total for all entities of the column titled Total NPL included in the accompanying Schedule of Net Pension Liability, and the total for all entities of the columns titled Total Deferred Outflows of Resources, Total Deferred Inflows of Resources, and Total Employer Pension Expense/(Income) (specified column totals) included in the accompanying Schedule of Pension Amounts by Employer of the NPERS – School Employees Retirement Plan, as of and for the year ended June 30, 2019, and the related notes, and have issued our report thereon dated July 27, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the NPERS – School Employees Retirement Plan's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the Schedules referred to previously, but not for the purpose of expressing an opinion on the effectiveness of the NPERS – School Employees Retirement Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the NPERS – School Employees Retirement Plan's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the NPERS – School Employees Retirement Plan's Schedules will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the NPERS – School Employees Retirement Plan's Schedules are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of Schedule amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, not to provide an opinion on the effectiveness of the NPERS – School Employees Retirement Plan's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the NPERS – School Employees Retirement Plan's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
