Jeremy Robinson, Chairperson  
Village of Foster  
309 N Pine St.  
Foster, NE 68765

Dear Chairperson Robinson:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Foster (Village) for the fiscal year ending 2020. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2020), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

## Comment and Recommendation

### Payment of Unapproved Claims

The APA obtained a copy of the September 8, 2020, meeting minutes for the Board of Directors (Board) of the Village. Those minutes failed to reflect the Board's approval of any Village expenses.

Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved. Without such procedures, there is an increased risk for the loss or misuse of Village funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA's letter dated September 26, 2019, which can be found on the APA's website.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
