Dan Wacker, Chairperson  
Brewster Rural Fire District  
43724 North Pleasant Valley Road  
Brewster, NE 68821

Dear Chairperson Wacker:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Brewster Rural Fire District (District) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (2021 Neb. Laws, LB 528, § 51), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

## Comments and Recommendations

### **1. Payments Not Approved**

The APA obtained a copy of the January 5, 2021, meeting minutes for the Board of Directors (Board) of the District. Those minutes fail to reflect the Board's approval of any District expenditures.

Per Neb. Rev. Stat. § 35-508(4) (Reissue 2016), Boards have the exclusive power to "manage and conduct the business affairs of the district." Accordingly, any expenditure of District funds requires express Board authorization.

Additionally, Neb. Rev. Stat. § 35-511 (Reissue 2016) provides, in relevant part, the following:

*All donations, contributions, bequests, annuities, or borrowed money received by or on behalf of the district shall be deposited with the secretary-treasurer of the district and shall be drawn out only upon proper check. Such check shall be authorized by the board of directors and shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.*

(Emphasis added.) Properly discharging the above statutory duties necessarily entails proper financial management, which calls for the Board's approval of all expenditures of District funds. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. § 84-1407 (Reissue 2014) et seq. In particular, Neb. Rev. Stat. § 84-1413(1) (2021 Neb. Laws, LB 83, § 14) requires public bodies, including Boards, to "keep minutes of all meetings," showing, among other things, "the substance of all matters discussed."

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves, in a timely fashion, all expenditures and business transactions of the District. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

A similar issue was identified by the APA in a prior review and was disclosed to the District in the APA’s letter dated November 4, 2020, which can be found on the APA’s website. However, it does not appear this issue was corrected after the APA’s notification.

We recommend the implementation of procedures to ensure the Board approves, in timely fashion, all expenditures of District funds, and such approval is documented adequately in the Board’s meeting minutes. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

**2. Lack of Dual Signatures**

The APA obtained the monthly statements for the District’s bank accounts from its fiscal year 2021 audit waiver request. From those statements, the APA noted that all District checks written during the examination period contained only one signature. An example of such checks is shown below.

Nebraska law requires both the Secretary-Treasurer and the President of the District to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 35-511 (Reissue 2016) states that those checks “shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.”

In addition, good internal controls and sound accounting practices require procedures to ensure that District checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

A similar issue was identified by the APA in a prior review and was disclosed to the District in the APA’s letter dated November 4, 2020, which can be found on the APA’s website. However, it does not appear this issue was corrected after the APA’s notification.

We recommend the Board implement procedures to require dual signatures, from both the Secretary-Treasurer and the President, on all District checks, as required by law.

**3. Potentially Disallowed Purchases - Memorials**

Our review of the bank statements obtained from the District’s audit waiver request revealed two payments, totaling \$111.76, that were written during the fiscal year for a memorial. The following table summarizes these payments.

Date	Bank Account	Check Number	Memo	Amount
9/24/2020	XXX285	5191	1/2 tree Ty Memorial	\$ 55.88
9/24/2020	XXX210	954	1/2 tree Ty Memorial	\$ 55.88
			<b>Total</b>	<b>\$ 111.76</b>

The Local Government Miscellaneous Expenditure Act (Act), which is set out at Neb. Rev. Stat. § 13-2201 (Reissue 2012) et seq., specifies various expenditures, aside from those otherwise authorized by law, that constitute allowable uses of public funds by designated political subdivisions. The provisions of the Act are made applicable to Districts, among numerous other public entities, by both subsections (2) and (3) of Neb. Rev. Stat. § 13-2202 (Cum. Supp. 2020).

Neb. Rev. Stat. § 13-2203 (Cum. Supp. 2020) of the Act enumerates the miscellaneous expenditures permitted by governing bodies of local governments. Purchases of flowers – whether for funerals, memorials, or other personal occasions – and payments for scholarships are not found among that select statutory list of permissible expenditures. As a result, such disbursements must be considered disallowed by law.

On September 17, 1993, the Nebraska Accountability and Disclosure Commission adopted a document entitled “A Guideline to the Use of Public Funds by Cities and Villages – Revised” (Guideline). The Guideline addresses a number of different scenarios involving the expenditure of public funds. Though issued almost three decades ago, the Guideline remains relevant to various Nebraska public entities, including Districts.

Regarding the issue of flower and memorial purchases, the Guideline provides the following:

*Question #6 – May municipal funds be expended for flowers and memorials for deceased elected officials, employees or their families?*

*Response – No.*

Good internal control requires procedures to ensure compliance with the provisions of the Act.

Without such procedures, there is an increased risk for not only noncompliance with applicable statutory requirements but also loss or misuse of District funds.

We recommend the Board implement procedures to ensure all District purchases are allowable under State statute, including the provisions of the Act.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
