Kevin Siffring, Chairperson
Reading Township Butler County
2911 F Road
Rising City, NE

Dear Chairperson Siffring:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Reading Township Butler County (Township) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (2021 Neb. Laws, LB 528, § 51), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the Township.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Lack of Dual Signatures

The APA obtained the monthly statements for the Township's bank accounts from its fiscal year 2021 audit waiver request. From those statements, the APA noted that 56 Township checks written during the examination period contained only one signature. An example of such checks is shown below.

Nebraska law requires both the Clerk and the Chairperson of the Township Board to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 23-255 (Reissue 2012) states, in relevant part, the following:

The town clerk shall draw and sign all orders upon the town treasurer for all money to be disbursed by the township, and all warrants upon the county treasurer for money raised for town purposes, or apportioned to the town by the county or state, and present the same to the chairman of the board, to be countersigned by him, and no warrant shall be paid until so countersigned.

(Emphasis added.) In addition, good internal controls and sound accounting practices require procedures to ensure that Township checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the Board implement procedures to require dual signatures, from both the Clerk and the Chairperson, on all Township checks, as required by law.

2. Expenditures in Excess of Budget

For the fiscal year ended June 30, 2021, actual expenditures exceeded the adopted budget by \$226,212. No amendment was filed with our office for these additional expenditures.

Neb. Rev. Stat. § 13-510 (Reissue 2012) states, in relevant part, the following:

No expenditure during any fiscal year or biennial period shall be made in excess of the amounts indicated in the adopted budget statement, except as authorized in section 13-511, or by state law. Any officer or officers of any governing body who obligates funds contrary to the provisions of this section shall be guilty of a Class V misdemeanor.

Neb. Rev. Stat. § 13-511 (Cum. Supp. 2020) sets out the procedures for amending the adopted budget accordingly.

When expenditures are made in excess of the amounts budgeted with no appropriation adjustments by the Board to address those excesses, the Township is noncompliant with State statute, further increasing the risk for loss and/or misuse of funds.

We recommend the Board implement procedures for monitoring closely its budget status on an ongoing basis to avoid expenditures that exceed the amount budgeted and amending the budget as required when such excess expenditures are unavoidable.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Township's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Township.
