LEARNING COMMUNITY OF DOUGLAS AND SARPY COUNTIES

INDEPENDENT AUDITOR'S REPORT

Learning Community Coordinating Council Learning Community of Douglas and Sarpy Counties Omaha, Nebraska

Report on the Financial Statements

We have audited the accompanying cash-basis financial statements of the governmental activities and each major fund of the Learning Community of Douglas and Sarpy Counties (Learning Community), as of and for the year ended August 31, 2020, and the related notes to the financial statements, which collectively comprise the Learning Community's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1. This includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Learning Community's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Learning Community's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made, by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cashbasis financial position of the governmental activities and each major fund of the Learning Community as of August 31, 2020, and the respective changes in cash-basis financial position for the year then ended in conformity with the basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements as a whole, which collectively comprise the Learning Community's basic financial statements. The Management's Discussion and Analysis and Budgetary Comparison information is presented for purposes of additional analysis and is not a required part of the basic financial statements.

Management's Discussion and Analysis and Budgetary Comparison information has not been subjected to the auditing procedures applied in the audit of the basic financial statements; accordingly, we do not express an opinion or provide any assurance on such information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 19, 2021, on our consideration of the Learning Community's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Learning Community's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The following is a summary of the significant accounting policies of the Learning Community of Douglas and Sarpy Counties (Learning Community) consistently applied in the preparation of the accompanying financial statements. The Learning Community's financial statements are presented on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

A. Reporting Entity

The Learning Community is a tax-exempt political subdivision in the State of Nebraska organized under Neb. Rev. Stat. § 79-2102 (Reissue 2014). The geographic area served by the Learning Community consists of the metropolitan area surrounding Omaha, Nebraska, generally located within Douglas, Sarpy and Washington Counties, and includes the geographic territory of the 11 school districts headquartered in Douglas and Sarpy Counties. The Learning Community is governed by a 12-member Learning Community Coordinating Council elected from its six Subcouncil Districts, and with regard to each of its six Subcouncil Districts, an Achievement Subcouncil composed of the Learning Community Coordinating Council's members, who represent the Subcouncil District.

The Learning Community's financial statements are presented as the primary government and include all the funds and activities for which the Learning Community is financially accountable.

B. Basis of Presentation

Government-Wide Financial Statements. The government-wide financial statements include the Statement of Net Position – Cash Basis and the Statement of Activities – Cash Basis, which present information about the Learning Community as a whole. The statements present the Learning Community's financial statements as governmental activities. The Learning Community has no business type or fiduciary activities. Governmental activities are generally financed through taxes, intergovernmental revenues, and other non-exchange transactions.

Fund Financial Statements. Fund financial statements report information about the Learning Community's funds. The Learning Community consists of three funds: the General Fund, the Capital Projects Fund and the Elementary Learning Centers Fund.

Separate columns are presented for each major governmental fund in the fund financial statements. The Learning Community has three governmental funds in the fund financial statements, described below:

General Fund – The General Fund is the operating fund of the Learning Community. It is used to account for all financial resources except those required to be accounted for in other funds.

Capital Projects Fund – The Capital Projects Fund is used to account for taxes levied and other receipts used to acquire or improve sites and/or erect, alter or improve buildings, and to finance facility lease payments and any leasehold improvements.

Elementary Learning Centers Fund – The Elementary Learning Centers Fund is used to account for taxes levied and other receipts used to support elementary learning center program activities.

C. Measurement Focus and Basis of Accounting

The government-wide and fund financial statements are presented using a cash basis measurement focus. The reported net position and fund balances are considered a measurement of "available cash and investments." The activities reported focus on cash received and cash disbursed.

Under the cash basis of accounting, revenues are recognized when cash is received by the Learning Community, and expenditures are recognized when paid.

D. Budget Process

The Learning Community is required by State law to adopt annual operating budgets at the fund level for its three funds. Budgets are prepared and presented on the cash basis of accounting, which is consistent with the basis of accounting used in presenting the basic financial statements and with the requirements of the State of Nebraska Budget Act.

Public hearings are held to obtain taxpayer comments regarding the proposed budget, and the budget is legally adopted by the Learning Community Coordinating Council on or before September 1 through passage of a resolution in accordance with State statutes. Total disbursements cannot legally exceed the adopted budget. Any revisions for increases in the budget must be approved by the Learning Community Coordinating Council following a hearing to obtain taxpayer comments.

E. Property Taxes

Under Neb. Rev. Stat. § 79-2104 (Cum. Supp. 2020), the Learning Community Coordinating Council has the authority to levy the following property taxes:

- Capital Projects Levy (between \$0.00 and \$0.005, as noted in Neb. Rev. Stat. § 77-3442 (Cum. Supp. 2020), per \$100 of assessed valuation) to be used by the Learning Community for capital projects related to elementary learning centers or new focus schools or programs.
- Elementary Learning Center Levy (between \$0.00 and \$0.015, as noted in Neb. Rev. Stat. § 77-3442 (Cum. Supp. 2020), per \$100 of assessed valuation) for elementary learning center operations, pilot projects and employees.

The property tax requirement resulting from the budgeting process is utilized to establish the tax levy in accordance with State statutes, which attaches as an enforceable lien on the property within the Learning Community as of December 31. Taxes are due as of that date. One half of the real estate taxes become delinquent after the following April 1, and the second one half is delinquent after August 1. The combined tax levy of the Learning Community for the year ended August 31, 2020, per \$100 of assessed valuation, was as follows:

	<u></u>	Levy Rate	 Amount
Capital Projects Levy	\$	0.001250	\$ 801,441

NOTES TO OTHER INFORMATION

For the Year Ended August 31, 2020

BUDGETARY COMPARISON SCHEDULE

The Learning Community has provided budgetary comparison schedules for the General Fund and for each major special revenue fund that has a legally adopted annual budget. The budgetary comparison schedules include the original budget and final budget amounts. The original budget is the first complete appropriated budget adjusted by reserves, transfers, and other legally authorized changes before the beginning of the fiscal year. The original budget would also include amounts automatically carried over from prior years when required by law. The final budget is the original budget adjusted by all reserves, transfers, and other legally authorized changes applicable to the fiscal year as approved by the Learning Community Coordinating Council or otherwise legally authorized.

The Learning Community is required by State law to adopt annual operating budgets at the fund level for its three funds. Budgets are prepared and presented on the cash basis of accounting, which is consistent with the basis of accounting used in presenting the basic financial statements and with the requirements of the State of Nebraska Budget Act.

Public hearings are held to obtain taxpayer comments regarding the proposed budget, and the budget is legally adopted by the Learning Community Coordinating Council on or before September 1 through passage of a resolution in accordance with State statutes. Total disbursements cannot legally exceed the adopted budget. Any revisions for increases in the budget must be approved by the Learning Community Coordinating Council following a hearing to obtain taxpayer comments.

LEARNING COMMUNITY OF DOUGLAS AND SARPY COUNTIES REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

Learning Community Coordinating Council Learning Community of Douglas and Sarpy Counties Omaha, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of the Learning Community of Douglas and Sarpy Counties (Learning Community) as of and for the year ended August 31, 2020, and the related notes to the financial statements, which collectively comprise the Learning Community's basic financial statements, and have issued our report thereon dated April 19, 2021. The report notes that the financial statements were prepared on the cash basis of accounting.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Learning Community's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Learning Community's internal control. Accordingly, we do not express an opinion on the effectiveness of the Learning Community's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Learning Community's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Learning Community's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Learning Community's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
