Tony Primm, Chairperson  
Village of Roseland  
PO Box 55  
Roseland, NE 68973-0055

Dear Chairperson Primm:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Roseland (Village) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2021), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

### Comment and Recommendation

#### Negative Fund Balance

On Exhibit A of the Village's audit waiver request form, the APA noted that the Community Center Fund had a deficit balance of \$186,711, as of September 30, 2021.

Good internal control and sound accounting practices require procedures to ensure that Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure also that the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take any action needed to resolve deficits therein.

Without such procedures, there is an increased risk of not only insufficient Village fund balances, but also the resultant inability to cover fully all disbursements and transfers approved by the Board.

We recommend the Village board implement procedures to ensure the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take any action needed to resolve the deficits therein.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
