James Dresch, Chairperson
Village of Primrose
107 Dewey Street
Primrose, NE 68655

Dear Chairperson Dresch:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Primrose (Village) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2021), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Lack of Dual Signatures

The APA obtained the bank statements for the Village's accounts from its fiscal year 2021 audit waiver request. From these statements, the APA noted that one of the Village checks written during the examination period contained only one signature, as shown below.

VILLAGE OF PRIMROSE
229 COMMERCIAL ST
PRIMROSE, NE 68655-8002

DATE 8-10-2021

PAY TO THE ORDER OF Patina, Inc. \$ 3,359.20

Three Thousand Three Hundred Fifty Nine and 20/100 DOLLARS

Cornerstone BANK

CHAIRMAN - CLERK James D. Dresch

10001 \$3,359.20 8/17/2021

State statute requires Village checks to be signed by both the Board Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2020) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements. Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

2. Payment of Unapproved Claims

During our comparison of the Village’s bank account details to claims approved by the Board, the APA identified one check, totaling \$2000, which was paid but not included on the claims listing to be approved by the Board.

Details of the unapproved payment are included in the table below:

Name/Vendor	Check Date	Check #	Amount
Bobby Harrison	6/17/21	9964	\$ 2,000.00

Neb. Rev. Stat. § 17-614(1) (Supp. 2021) sets out the proper method for the appropriation or payment of money by the Village, as follows:

All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees.

(Emphasis added.) Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved. Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

3. Negative Fund Balance

On Exhibit A of the Village’s audit waiver request form, the APA noted that the Water fund had a deficit balance of \$17,038, as of September 30, 2021.

Good internal control and sound accounting practices require procedures to ensure that Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure also that the Board is apprised regularly of each Village fund balance and, therefore placed in a position to take any action needed to resolve deficits therein.

Without such procedures, there is an increased risk of not only insufficient Village fund balances, but also the resultant inability to cover fully all disbursements and transfers approved by the Board.

We recommend the Village board implement procedures to ensure the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take any action needed to resolve the deficits therein.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
