Marjorie Renz, Chairperson
Village of Hardy
PO Box 65
Hardy, NE 68943

Dear Chairperson Renz:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Hardy (Village) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2021), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Lack of Dual Signatures

The APA obtained the bank statements for the Village's accounts from its fiscal year 2021 audit waiver request. From these statements, the APA noted that one of the Village checks written during the examination period contained only one signature. An example of such checks is shown below.

State statute requires Village checks to be signed by both the Board Chairperson and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Cum. Supp. 2020) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements. Without such procedures, there is an increased risk of not only failure to comply with State statute but also the loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

2. Payment of Claims Prior to Board Approval

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that the following checks, totaling \$2,000.37, were issued before the underlying claims were approved by the Board.

The table below provides a summary of the premature payments:

Name/Vendor	Amount	Approval Date	Check Date	Days Paid Before Approval
South Central PPD	\$ 826.09	1/12/21	12/24/20	19
Cecil Imler	\$ 341.00	1/12/21	1/01/21	11
Rocky Renz	\$ 792.00	1/12/21	1/01/21	11
Fort Dearborn	\$ 41.28	1/12/21	1/11/21	1
Total	\$2,000.37			

Neb. Rev. Stat. § 17-614(1) (Supp. 2021) sets out the proper method for the appropriation or payment of money by the Village, as follows:

All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees.

(Emphasis added.) Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved. Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

3. Payments Made in Excess of Approved Amounts

During our comparison of the Village’s bank account details to claims approved by the Board, the APA identified three checks paid in excess of the amounts approved by the Board.

The following table summarizes those overpayments:

Name	Claim Date	Approved Amount	Amount Paid	Overpayment
South Central PPD	1/12/21	\$ 826.09	\$ 984.58	\$ 158.49
Mary Roberts	1/12/21	\$ 170.00	\$ 225.41	\$ 55.41
IRS	1/12/21	\$ 263.72	\$ 542.52	\$ 278.80
Total		\$ 1,259.81	\$ 1,752.51	\$ 492.70

Good internal control requires procedures to ensure that all claims are made in the amounts approved by the Board.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Village implement procedures to ensure payments are made in the amounts approved by the Board.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.
