Tom Tines, Chairperson
Village of Venango
102 North Pennsylvania
Venango, NE 69168

Dear Chairperson Tines:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Venango (Village) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2021), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Lack of Claim Purpose

During our comparison of the Village's bank account details to claims approved by the Board, the APA observed meeting minutes dated April 13, 2021, and noted that the claims listed in the Board's official proceedings lacked descriptions of their respective purposes.

The following is an example of the approved claims listing provided by the Village for April 13, 2021:

Grothman made a motion to pay bills as presented, Miller seconded. Polled-all yeas; motion carried. BILLS: Adams Lumber, \$20.57; American Agricultural Lab, \$22.00; Black Hills Energy, \$181.50; Dickinson Land Surveyors, \$922.00; EFTPS, \$204.78; Great Plains, \$158.53; Jack Stevens, \$646.45; Jack Stevens \$2,333.34; Johnson Publication, \$63.00; NE Public Health Lab, \$332.00; NPPD, \$813.83; One Call, \$3.07; Perkins County Treasurer, \$3,402.00; Suzan Hatteberg, \$233.26 and Waste Connections, \$1,854.26.

Neb. Rev. Stat. § 19-1102 (Cum. Supp. 2020) requires publication of the Board's official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

It shall be the duty of each city clerk or village clerk in every city or village having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the city council or village board of trustees within thirty days after any meeting of the city council or village board of trustees. The publication shall be in a legal newspaper in or of general circulation in the city or village, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as

one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board’s official proceedings describe the purpose of each claim allowed. Without such procedures, there is an increased risk of not only failure to comply with statutory publication requirements but also a lack of transparency regarding the nature of public expenditures.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA’s letter dated March 4, 2021, which can be found on the APA’s website. However, it does not appear this issue was corrected after the APA’s notification.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in the Board’s official proceedings and published in accordance with State statute.

2. Potentially Disallowed Purchases

Our review of the bank statements obtained from the Village’s audit waiver request revealed that the Village made one payment in the amount of \$85.20 to Poppe’s Posies on March 9, 2021. Per the Village, this payment was for a memorial bouquet. This purchase was made from the Village’s checking account, which contained property tax revenues.

The Local Government Miscellaneous Expenditure Act (Act), which is set out at Neb. Rev. Stat. § 13-2201 (Reissue 2012) et seq., specifies various expenditures, aside from those otherwise authorized by law, that constitute allowable uses of public funds by designated political subdivisions. The provisions of the Act are made applicable to Villages, among numerous other public entities, by both subsections (2) and (3) of Neb. Rev. Stat. § 13-2202 (Cum. Supp. 2020).

Neb. Rev. Stat. § 13-2203 (Cum. Supp. 2020) of the Act enumerates the miscellaneous expenditures permitted by governing bodies of local governments. Purchases for flowers – whether for funerals, memorials, or other personal occasions – are not found among that select statutory list of permissible expenditures. As a result, such disbursements must be considered disallowed by law.

On September 17, 1993, the Nebraska Accountability and Disclosure Commission adopted a document entitled “A Guideline to the Use of Public Funds by Cities and Villages – Revised” (Guideline). The Guideline addresses a number of different scenarios involving the expenditure of public funds. Though issued almost three decades ago, the Guideline remains relevant to various Nebraska public entities, including Villages.

Regarding the issue of flower and memorial purchases, the Guideline provides the following:

Question #6 – May municipal funds be expended for flowers and memorials for deceased elected officials, employees or their families?

Response – No.

Good internal control requires procedures to ensure compliance with the provisions of the Act.

Without such procedures, there is an increased risk for not only noncompliance with applicable statutory requirements but also loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all Village purchases are allowable under State statute, including the provisions of the Act.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.
