Jan Hawk, Chairperson
Village of Rosalie
P.O. Box 219
Rosalie, NE 68055

Dear Chairperson Hawk:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Rosalie (Village) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2021), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Payment of Claims Prior to Board Approval

During our comparison of the Village's bank account details to claims approved by the Board, the APA obtained the February 22, 2021, Board meeting minutes that noted that all Village checks written for December 2020 and January 2021 expenses, totaling \$31,258.97, were issued before the underlying claims were approved by the Board.

Neb. Rev. Stat. § 17-614(1) (Supp. 2021) sets out the proper method for the appropriation or payment of money by the Village, as follows:

All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees.

(Emphasis added.) Good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved. Without such procedures, there is an increased risk for the loss or misuse of Village funds.

We recommend the Board implement procedures to ensure all claims are approved by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

2. Negative Fund Balance

On Exhibit A of the Village's audit waiver request form, the APA noted that the Garbage fund had a deficit balance of \$609.36, as of September 30, 2021.

Good internal control and sound accounting practices require procedures to ensure that Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure also that the Board is apprised regularly of each Village fund balance and, therefore placed in a position to take any action needed to resolve deficits therein.

Without such procedures, there is an increased risk of not only insufficient Village fund balances, but also the resultant inability to cover fully all disbursements and transfers approved by the Board.

We recommend the Village board implement procedures to ensure the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take any action needed to resolve the deficits therein.

3. Potentially Disallowed Purchase

Our review of the bank statements obtained from the Village's audit waiver request revealed that the Village made one payment in the amount of \$50 to Robin Snyder for a memorial on December 22, 2020. This purchase was made from the Village's checking account, which contained property tax revenues.

The Local Government Miscellaneous Expenditure Act (Act), which is set out at Neb. Rev. Stat. § 13-2201 (Reissue 2012) et seq., specifies various expenditures, aside from those otherwise authorized by law, that constitute allowable uses of public funds by designated political subdivisions. The provisions of the Act are made applicable to Districts, among numerous other public entities, by both subsections (2) and (3) of Neb. Rev. Stat. § 13-2202 (Cum. Supp. 2020).

Neb. Rev. Stat. § 13-2203 (Cum. Supp. 2020) of the Act enumerates the miscellaneous expenditures permitted by governing bodies of local governments. Purchases of flowers – whether for funerals, memorials, or other personal occasions – are not found among that select statutory list of permissible expenditures. As a result, such disbursements must be considered disallowed by law.

On September 17, 1993, the Nebraska Accountability and Disclosure Commission adopted a document entitled “A Guideline to the Use of Public Funds by Cities and Villages – Revised” (Guideline). The Guideline addresses a number of different scenarios involving the expenditure of public funds. Though issued almost three decades ago, the Guideline remains relevant to various Nebraska public entities, including Districts.

Regarding the issue of flower and memorial purchases, the Guideline provides the following:

Question #6 – May municipal funds be expended for flowers and memorials for deceased elected officials, employees or their families?

Response – No.

Good internal control requires procedures to ensure compliance with the provisions of the Act.

Without such procedures, there is an increased risk for not only noncompliance with applicable statutory requirements but also loss or misuse of District funds.

We recommend the Board implement procedures to ensure all District purchases are allowable under State statute, including the provisions of the Act.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.
