Lance Napier, Chairperson
Skull Creek Rural Fire Protection District 12
2381 38th Road
Bruno, NE 68014

Dear Chairperson Napier:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Skull Creek Rural Fire Protection District 12 (District) for the fiscal year ending 2022. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2022), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Payments to Volunteer Fire Department

During our review of the bank statements accompanying the District's audit waiver request, the APA noted that the District paid \$45,410 in mutual finance organization (MFO) funding to the Skull Creek Volunteer Fire Department (Department). According to its Secretary/Treasurer, the District has agreed to provide the Department with funding for fire equipment purchases. The District was able to provide a copy of that formal agreement; however, the Secretary/Treasurer of the District noted that the District Board of Directors (Board) does not review the expenditures of the Department or receive documentation to support that the funds disbursed under this agreement were indeed used for fire equipment.

The Local Government Miscellaneous Expenditure Act (Act), which is found at Neb. Rev. Stat. § 13-2201 et seq. (Reissue 2022), places strict parameters upon certain expenditures of public funds by local governments, including rural and suburban fire protection districts.

Additionally, Neb. Rev. Stat. § 35-901(6) (Reissue 2016) requires the expenditure of all public funds by the Department to be approved by the "taxing authority supporting" it, namely the District, and properly published, as follows:

All expenditures of public funds as defined in the Nebraska Budget Act for support of a volunteer department or its purposes shall be submitted as claims, approved by the taxing authority supporting such department or its purposes, and published as required by law. All such claims shall be properly itemized for proposed expenditure or reimbursement for costs already incurred and paid except as may be otherwise permitted pursuant to section 35-106.

According to Neb. Rev. Stat. § 13-503(7) (Reissue 2022) of the Nebraska Budget Act, the term “public funds” means “all money, including nontax money, used in the operation and functions of governing bodies.” Any public funds received by the Department attach to the District to which it belongs – and, therefore, may be assumed to be used for the operation and function of that governing political subdivision. Consequently, such funds are subject to both the requirements of the Act and § 35-901(6).

Furthermore, good internal controls require procedures to ensure that any expenditure of funds by the District, whether directly or through a designated recipient thereof, is not only for a statutorily allowable purpose but also in accordance with the underlying objective of that disbursement. Thus, when a volunteer fire department – or, for that matter, any other entity or person – receives such funds, the District should have procedures for documenting their appropriate use.

Without such procedures, there is an increased risk for the improper, if not prohibited, use of District funds.

We recommend the District implement procedures for documenting the expenditure of public funds by it, whether directly or otherwise, to ensure the proper use of those monies.

2. Payments Not Approved

The APA obtained a copy of the June 7, 2022, meeting minutes for the Board of the District. Those minutes fail to reflect the Board’s approval of six District expenditures, totaling \$45,619. These expenditures are detailed in the following table:

Check Number	Check Date	Name/Vendor	Amount
1003	3/9/2022	Skull Creek VFD	\$ 25,410
1005	3/14/2022	Skull Creek VFD	\$ 10,000
EFT	3/31/2022	Butler Public Power District	\$ 73
EFT	4/29/2022	Butler Public Power District	\$ 71
EFT	5/31/2022	Butler Public Power District	\$ 65
1015	6/2/2022	Skull Creek VFD	\$ 10,000
Total			\$ 45,619

Per Neb. Rev. Stat. § 35-508(4) (Reissue 2016), Boards have the exclusive power to “manage and conduct the business affairs of the district.” Accordingly, any expenditure of District funds requires express Board authorization.

Additionally, Neb. Rev. Stat. § 35-511 (Reissue 2016) provides, in relevant part, the following:

All donations, contributions, bequests, annuities, or borrowed money received by or on behalf of the district shall be deposited with the secretary-treasurer of the district and shall be drawn out only upon proper check. Such check shall be authorized by the board of directors and shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails proper financial management, which calls for the Board’s approval of all expenditures of District funds. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. § 84-1407 et seq. (Reissue 2014). In particular, Neb. Rev. Stat. § 84-1413(1) (Cum. Supp. 2022) requires public bodies, including Boards, to “keep minutes of all meetings,” showing, among other things, “the substance of all matters discussed.”

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves, in a timely fashion, all expenditures and business transactions of the District. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the implementation of procedures to ensure the Board approves, in timely fashion, all expenditures of District funds, and such approval is documented adequately in the Board's meeting minutes. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
