Pat Tawney, Chairperson
North Bend Rural Fire District 9
P.O. Box 8
North Bend, NE 68649

Dear Chairperson Tawney:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the North Bend Rural Fire District 9 (District) for the fiscal year ending 2022. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2022), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Lack of Dual Authorized Signatures

The APA obtained the monthly statements for the District's bank accounts from its fiscal year 2022 audit waiver request. From those statements, the APA noted that all District checks written from the District's Trust bank account during the examination period contained the signatures of individuals that are not members of the District Board of Directors. An example of such checks is shown below.

AM: 90.87 CK: 1162 DT: 06/29 SQ: 80101390 Paid

Nebraska law requires both the Secretary-Treasurer and the President of the District to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 35-511 (Reissue 2016) states that those checks “shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.”

In addition, good internal controls and sound accounting practices require procedures to ensure that District checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the Board implement procedures to require dual signatures, from both the Secretary-Treasurer and the President, on all District checks, as required by law.

2. Potentially Disallowed Purchases

Our review of the bank statements obtained from the District’s audit waiver request revealed that the District made two payments, totaling \$250, that appear to be for flowers and donations. Both of these payments were paid from the District’s Trust bank account. These payments are detailed below:

Date	Name/Vendor	Amount	APA Description
12/13/2021	Walmart	\$ 165	Bike, Helmet, Kid’s Clothing (Note 1)
2/26/2022	Country Gardens Blair Florist	\$ 85	Flowers for Funeral
	Total	\$ 250	

Note 1: The District purchased these items and donated them to a child as part of the CASA Christmas Tree Sponsor program.

The Local Government Miscellaneous Expenditure Act (Act), which is set out at Neb. Rev. Stat. § 13-2201 (Reissue 2022) et seq., specifies various expenditures, aside from those otherwise authorized by law, that constitute allowable uses of public funds by designated political subdivisions. The provisions of the Act are made applicable to Districts, among numerous other public entities, by both subsections (2) and (3) of Neb. Rev. Stat. § 13-2202 (Reissue 2022).

Neb. Rev. Stat. § 13-2203 (Reissue 2022) of the Act enumerates the miscellaneous expenditures permitted by governing bodies of local governments. Donations and purchases of flowers – whether for funerals, memorials, or other personal occasions – are not found among that select statutory list of permissible expenditures. As a result, such disbursements must be considered disallowed by law.

On September 17, 1993, the Nebraska Accountability and Disclosure Commission adopted a document entitled “A Guideline to the Use of Public Funds by Cities and Villages – Revised” (Guideline). The Guideline addresses a number of different scenarios involving the expenditure of public funds. Though issued almost three decades ago, the Guideline remains relevant to various Nebraska public entities, including Districts.

Regarding the issue of flower and memorial purchases, the Guideline provides the following:

Question #6 – May municipal funds be expended for flowers and memorials for deceased elected officials, employees or their families?

Response – No.

Good internal control requires procedures to ensure compliance with the provisions of the Act.

Without such procedures, there is an increased risk for not only noncompliance with applicable statutory requirements but also loss or misuse of District funds.

We recommend the Board implement procedures to ensure all District purchases are allowable under State statute, including the provisions of the Act.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.
