Russel Stockamp, Chairperson
Pebble Township Dodge County
1124 County Road G
Scribner, NE 68057

Dear Chairperson Stockamp:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Pebble Township Dodge County (Township) for the fiscal year ending 2022. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2022), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the Township.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Payments Not Approved

The APA obtained a copy of the June 27, 2022, meeting minutes for the Township Board. Those minutes fail to reflect the Board's approval of one Township expenditure. The expenditure that was not approved was a payment of \$701 to the Internal Revenue Service for payroll taxes.

Nebraska law requires the Township Board to approve all claims against the Township. In particular, Neb. Rev. Stat. § 23-255 (Reissue 2022) states the following, in relevant part:

All claims and charges against the town, duly audited and allowed by the town board, shall be paid by order so drawn.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails the Board's approval of all expenditures of Township funds prior to the actual disbursement.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. § 84-1407 (Reissue 2014) et seq. Per Neb. Rev. Stat. § 84-1413(1) (Cum. Supp. 2022) public bodies, including Township Boards, are required to "keep minutes of all meetings," showing, among other things, "the substance of all matters discussed."

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves all expenditures and business transactions of the Township prior to payment. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Township in the APA’s letter dated December 22, 2021, which can be found on the APA’s website. However, it does not appear this issue was corrected after the APA’s notification.

We recommend the implementation of procedures to ensure the Board approves all expenditures of Township funds prior to payment, and such approval is documented adequately in the Board’s meeting minutes.

2. Payment of Claims Prior to Board Approval

During our comparison of the Township’s bank account details to claims approved by the Board, the APA noted that the following checks, totaling \$14,387, were issued before the underlying claims were approved by the Board.

Approval Date	Name/Vendor	Amount	Check #	Check Date	Days Paid Before Approval
6/27/2022	Ag 91	\$ 1,629	3874	4/13/2022	75
6/27/2022	Stalp Gravel Inc	\$ 9,389	3875	4/13/2022	75
6/27/2022	Stalp Gravel Inc	\$ 2,329	3877	5/13/2022	45
6/27/2022	Payroll	\$ 1,040	3878	5/27/2022	31
	Total	\$ 14,387			

The Township Board is required to approve claims against the Township as set out in Neb. Rev. Stat. § 23-255 (Reissue 2022), which states the following, in relevant part:

All claims and charges against the town, duly audited and allowed by the town board, shall be paid by order so drawn.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails the Board’s approval of all expenditures of Township funds prior to the actual disbursement.

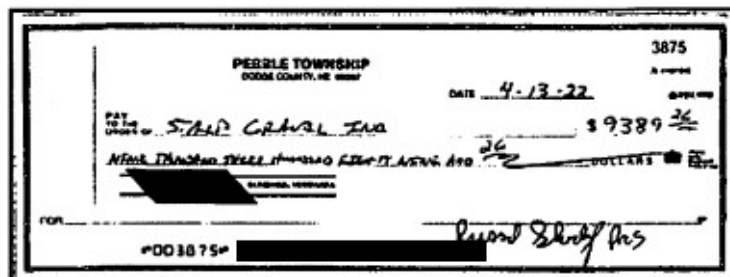

Furthermore, good internal control requires procedures to ensure that all claims are approved by the Board prior to payment and are adequately documented in the minutes of the meeting during which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Township funds.

We recommend the Board implement procedures to ensure all claims against the Township are approved by the Board prior to payment and are adequately documented in the minutes of the meeting during which they are approved.

3. Lack of Dual Signatures

The APA obtained the monthly statements for the Township’s bank accounts from its fiscal year 2022 audit waiver request. From those statements, the APA noted that one Township check written during the examination period contained only one signature, as shown below.

AM: 9,389.26 CK: 3875 DT: 04/22 SQ: 80001310 Paid

Nebraska law requires both the Clerk and the Chairperson of the Township Board to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 23-255 (Reissue 2022) states, in relevant part, the following:

The town clerk shall draw and sign all orders upon the town treasurer for all money to be disbursed by the township, and all warrants upon the county treasurer for money raised for town purposes, or apportioned to the town by the county or state, and present the same to the chairman of the board, to be countersigned by him, and no warrant shall be paid until so countersigned.

(Emphasis added.) In addition, good internal controls and sound accounting practices require procedures to ensure that Township checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Township in the APA’s letter dated December 22, 2021, which can be found on the APA’s website. However, it does not appear this issue was corrected after the APA’s notification.

We recommend the Board implement procedures to require dual signatures, from both the Clerk and the Chairperson, on all Township checks, as required by law.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Township’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Township.

This communication is intended solely for the information and use of the Township and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
