

The town clerk shall draw and sign all orders upon the town treasurer for all money to be disbursed by the township, and all warrants upon the county treasurer for money raised for town purposes, or apportioned to the town by the county or state, and present the same to the chairman of the board, to be countersigned by him, and no warrant shall be paid until so countersigned.

(Emphasis added.) In addition, good internal controls and sound accounting practices require procedures to ensure that Township checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Township in the APA's letter dated December 2, 2021, which can be found on the APA's website. However, it does not appear this issue was corrected after the APA's notification.

We recommend the Board implement procedures to require dual signatures, from both the Clerk and the Chairperson, on all Township checks, as required by law.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Township's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Township.

This communication is intended solely for the information and use of the Township and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
