Art Moeller, Chairperson  
Grand Island Suburban Fire Protection District 3  
PO Box 5441  
Grand Island, NE 68802

Dear Chairperson Moeller:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Grand Island Suburban Fire Protection District 3 (District) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (2021 Neb. Laws, LB 528, § 51), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

### Comment and Recommendation

#### Potentially Disallowed Purchases

Our review of the bank statements obtained from the District's audit waiver request revealed one payment, totaling \$168.18, written during the fiscal year for flowers for a funeral. An image of this check is shown below.

The Local Government Miscellaneous Expenditure Act (Act), which is set out at Neb. Rev. Stat. § 13-2201 (Reissue 2012) et seq., specifies various expenditures, aside from those otherwise authorized by law, that constitute allowable uses of public funds by designated political subdivisions. The provisions of the Act are made applicable to Districts, among numerous other public entities, by both subsections (2) and (3) of Neb. Rev. Stat. § 13-2202 (Cum. Supp. 2020).

Neb. Rev. Stat. § 13-2203 (Cum. Supp. 2020) of the Act enumerates the miscellaneous expenditures permitted by governing bodies of local governments. Purchases of flowers – whether for funerals, memorials, or other personal occasions – are not found among that select statutory list of permissible expenditures. As a result, such disbursements must be considered disallowed by law.

On September 17, 1993, the Nebraska Accountability and Disclosure Commission adopted a document entitled “A Guideline to the Use of Public Funds by Cities and Villages – Revised” (Guideline). The Guideline addresses a number of different scenarios involving the expenditure of public funds. Though issued almost three decades ago, the Guideline remains relevant to various Nebraska public entities, including Districts.

Regarding the issue of flower and memorial purchases, the Guideline provides the following:

*Question #6 – May municipal funds be expended for flowers and memorials for deceased elected officials, employees or their families?*

*Response – No.*

Good internal control requires procedures to ensure compliance with the provisions of the Act.

Without such procedures, there is an increased risk for not only noncompliance with applicable statutory requirements but also loss or misuse of District funds.

We recommend the Board implement procedures to ensure all District purchases are allowable under State statute, including the provisions of the Act.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
