Mark Weisbrook, Chairperson
Bushnell Johnson Rural Fire District
2299 Road 13 W
Bushnell, NE 69128

Dear Chairperson Weisbrook:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Bushnell Johnson Rural Fire District (District) for the fiscal year ending 2021. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (2021 Neb. Laws, LB 528, § 51), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

**Comment and Recommendation**

**Lack of Check Payee**

The APA obtained the monthly statements for the District’s bank accounts from its fiscal year 2021 audit waiver request. From those statements, the APA noted that one District check written during the examination period did not contain a payee, as shown below.

Good internal controls and sound accounting practices require procedures to ensure that District checks contain the required elements, including the payee. Without such procedures, there is an increased risk for loss or misuse of public funds.
We recommend the Board implement procedures to ensure that District checks contain the required elements, including the payee.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
