Brent Wells, Chairperson  
Central City Rural Fire District  
716 16th Street  
Central City, NE 68826

Dear Chairperson Wells:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Central City Rural Fire District (District) for the fiscal year ending 2022. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2022), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

## Comment and Recommendation

### Negative Bank Balances

While examining the District bank statements, the APA noted that the District's checking account had a negative balance two times during the fiscal year 2022. The following table shows the periods that the bank balance was negative and the largest negative balance during each period. During the fiscal year 2022, the District incurred \$32 in overdraft fees.

Period	Largest Negative Balance
12/14/2021 – 12/15/2021	\$ 101,113
1/31/2022 – 2/1/2022	\$ 338

Good internal control and sound business practices require procedures to ensure sufficient funds are available in the District's bank accounts to pay claims.

Without such procedures, there is an increased risk for not only the loss, misuse, or theft of District funds but also the accumulation of overdraft fees.

We recommend the District implement procedures to ensure sufficient funds are available in the District's bank accounts to pay claims.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
