Alan Bender, Chairperson
Lindsay Rural Fire District
82227 545 Avenue
Humphrey, NE 68642

Dear Chairperson Bender:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Lindsay Rural Fire District (District) for the fiscal year ending 2021. That request has been approved.

While performing, pursuant to Neb. Rev. Stat. § 84-304 (2021 Neb. Laws, LB 528, § 51), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

**Comments and Recommendations**

1. **Payments Not Approved**

The APA obtained a copy of the August 18, 2021, meeting minutes for the Board of Directors (Board) of the District. Those minutes fail to reflect the Board’s approval of any District expenditures. It was noted the minutes only state, “motion to pay expenses as they occur”.

Per Neb. Rev. Stat. § 35-508(4) (Reissue 2016), Boards have the exclusive power to “manage and conduct the business affairs of the district.” Accordingly, any expenditure of District funds requires express Board authorization.

Additionally, Neb. Rev. Stat. § 35-511 (Reissue 2016) provides, in relevant part, the following:

> **All donations, contributions, bequests, annuities, or borrowed money received by or on behalf of the district shall be deposited with the secretary-treasurer of the district and shall be drawn out only upon proper check. Such check shall be authorized by the board of directors and shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.**

(Emphasis added.) Properly discharging the above statutory duties necessarily entails proper financial management, which calls for the Board’s approval of all expenditures of District funds. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. § 84-1407 (Reissue 2014) et seq. In particular, Neb. Rev. Stat. § 84-1413(1) (2021 Neb. Laws, LB 83, § 14) requires public bodies, including Boards, to “keep minutes of all meetings,” showing, among other things, “the substance of all matters discussed.”
Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves, in a timely fashion, all expenditures and business transactions of the District. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

A similar issue was identified by the APA in a prior review and was disclosed to the District in the APA’s letter dated November 9, 2020, which can be found on the APA’s website. However, it does not appear this issue was corrected after the APA’s notification.

We recommend the implementation of procedures to ensure the Board approves, in timely fashion, all expenditures of District funds, and such approval is documented adequately in the Board’s meeting minutes. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

2. **Negative Bank Balance**

While examining the District’s bank statements, the APA noted that the District’s checking account had a negative balance from October 27, 2020, to December 22, 2020. During that period, the largest negative balance was $107,083.56. The negative balance was due to the District making a large payment in October 2020, and grant funds for reimbursement were inadvertently deposited into another entity’s bank account. After the discovery of that error, the funds were transferred to the District’s account. For the fiscal year ended June 30, 2021, the District incurred no overdraft fees.

Good internal control and sound business practices require procedures to ensure that funds are available in the District’s bank account prior to payment. Without such procedures, additional fees can occur.

We recommend the Board implement procedures to ensure funds are available in the bank account prior to payment.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.
