Mark Reichert, Chairperson  
Minatare-Melbeta Rural Fire District  
201 Main Street  
Minatare, NE 69356

Dear Chairperson Reichert:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Minatare-Melbeta Rural Fire District (District) for the fiscal year ending 2022. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Cum. Supp. 2022), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

### **Comment and Recommendation**

#### **Expenditures in Excess of Budget**

For the fiscal year ended June 30, 2022, actual expenditures exceeded the adopted budget by \$140,806. No amendment was filed with our office for these additional expenditures.

Neb. Rev. Stat. § 13-510 (Reissue 2022) states, in relevant part, the following:

*No expenditure during any fiscal year or biennial period shall be made in excess of the amounts indicated in the adopted budget statement, except as authorized in section 13-511, or by state law. Any officer or officers of any governing body who obligates funds contrary to the provisions of this section shall be guilty of a Class V misdemeanor.*

Neb. Rev. Stat. § 13-511 (Reissue 2022) sets out the procedures for amending the adopted budget accordingly.

When expenditures are made in excess of the amounts budgeted, with no appropriation adjustments by the Board to address those excesses, the District is noncompliant with State statute, further increasing the risk for loss and/or misuse of funds.

A similar issue was identified by the APA in a prior review and was disclosed to the District in the APA's letter dated January 5, 2022, which can be found on the APA's website.

We recommend the Board implement procedures to monitor closely its budget status on an ongoing basis to avoid incurring expenditures in excess of the amount budgeted, and amend the budget as necessary.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
