Jim Potts, Chairperson
Hartington Rural Fire District
88241 Highway 15
Hartington, NE 68739

Dear Chairperson Potts:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Hartington Rural Fire District (District) for the fiscal year ending 2023. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2023), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Payments Not Approved

The APA obtained a copy of the March 13, 2023, meeting minutes for the Board of Directors (Board) of the District. Those minutes reflect the Board's approval of District expenditures; however, the minutes did not reflect the Board's approval of the following payments:

Check Date	Vendor	Check #	Amount
3/22/2023	Anderson & Anderson Insurance	2121	\$ 11,979
3/31/2023	Bank Service Charge	EFT	1
4/4/2023	Great Plains Communications	EFT	52
Total			\$ 12,032

Per Neb. Rev. Stat. § 35-508(4) (Reissue 2016), Boards have the exclusive power to “manage and conduct the business affairs of the district.” Accordingly, any expenditure of District funds requires express Board authorization.

Additionally, Neb. Rev. Stat. § 35-511 (Reissue 2016) provides, in relevant part, the following:

All donations, contributions, bequests, annuities, or borrowed money received by or on behalf of the district shall be deposited with the secretary-treasurer of the district and shall be drawn out only upon proper check. Such check shall be authorized by the board of directors and shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails proper financial management, which calls for the Board’s approval of all expenditures of District funds. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. §§ 84-1407 to 84-1414 (Reissue 2014, Cum. Supp. 2022). In particular, Neb. Rev. Stat. § 84-1413(1) (Cum. Supp. 2022) requires public bodies, including Boards, to “keep minutes of all meetings,” showing, among other things, “the substance of all matters discussed.”

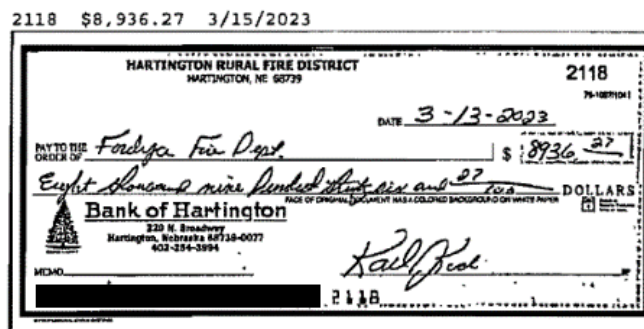

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves, in a timely fashion, all expenditures and business transactions of the District. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the implementation of procedures to ensure the Board approves, in a timely fashion, all expenditures of District funds, and such approval is documented adequately in the Board’s meeting minutes. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

2. Lack of Dual Signatures

The APA obtained the monthly statements for the District’s bank accounts from its fiscal year 2023 audit waiver request. From those statements, the APA noted that four District checks written during the examination period contained only one signature. An example of such checks is shown below.

Nebraska law requires both the Secretary-Treasurer and the President of the District to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 35-511 (Reissue 2016) states that those checks “shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.”

In addition, good internal controls and sound accounting practices require procedures to ensure that District checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the Board implement procedures to require dual signatures, from both the Secretary-Treasurer and the President, on all District checks, as required by law.

3. Expenditures in Excess of Budget

For the fiscal year ended June 30, 2023, actual expenditures exceeded the adopted budget by \$1,445. No amendment was filed with our office for these additional expenditures.

Neb. Rev. Stat. § 13-510 (Reissue 2022) states, in relevant part, the following:

No expenditure during any fiscal year or biennial period shall be made in excess of the amounts indicated in the adopted budget statement, except as authorized in section 13-511, or by state law. Any officer or officers of any governing body who obligates funds contrary to the provisions of this section shall be guilty of a Class V misdemeanor.

Neb. Rev. Stat. § 13-511 (Reissue 2022) sets out the procedures for amending the adopted budget accordingly.

When expenditures are made in excess of the amounts budgeted, with no appropriation adjustments by the Board to address those excesses, the District is noncompliant with State statute, further increasing the risk for loss and/or misuse of funds.

We recommend the Board implement procedures to monitor closely its budget status on an ongoing basis to avoid incurring expenditures in excess of the amount budgeted and amend the budget as necessary.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.
