Jack Galt, Chairperson
Crawford Rural Fire District 4
P.O. Box 184
Crawford, NE 69339

Dear Chairperson Galt:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Crawford Rural Fire District 4 (District) for the fiscal year ending 2023. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2023), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Payments Not Approved

The APA obtained a copy of the April 19, 2023, meeting minutes for the Board of Directors (Board) of the District. Those minutes reflect the Board's approval of District expenditures; however, one payment, totaling \$930, to Black Hills Energy was not included with the list of payments approved by the Board.

Per Neb. Rev. Stat. § 35-508(4) (Reissue 2016), Boards have the exclusive power to "manage and conduct the business affairs of the district." Accordingly, any expenditure of District funds requires express Board authorization.

Additionally, Neb. Rev. Stat. § 35-511 (Reissue 2016) provides, in relevant part, the following:

All donations, contributions, bequests, annuities, or borrowed money received by or on behalf of the district shall be deposited with the secretary-treasurer of the district and shall be drawn out only upon proper check. Such check shall be authorized by the board of directors and shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails proper financial management, which calls for the Board's approval of all expenditures of District funds. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. §§ 84-1407 to 84-1414 (Reissue 2014, Cum. Supp. 2022). In particular, Neb. Rev. Stat. § 84-1413(1) (Cum. Supp. 2022) requires public bodies, including Boards, to “keep minutes of all meetings,” showing, among other things, “the substance of all matters discussed.”

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves, in a timely fashion, all expenditures and business transactions of the District. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the implementation of procedures to ensure the Board approves, in a timely fashion, all expenditures of District funds, and such approval is documented adequately in the Board’s meeting minutes. Such Board approval should be prior to the actual disbursement, if possible, or at the next District Board meeting.

2. Lack of Dual Signatures

The APA obtained the monthly statements for the District’s bank accounts from its fiscal year 2023 audit waiver request. From those statements, the APA noted that one District check written during the examination period contained only one signature, as shown below.

Nebraska law requires both the Secretary-Treasurer and the President of the District to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 35-511 (Reissue 2016) states that those checks “shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.”

In addition, good internal controls and sound accounting practices require procedures to ensure that District checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the Board implement procedures to require dual signatures, from both the Secretary-Treasurer and the President, on all District checks, as required by law.

3. Potentially Disallowed Purchase

Our review of the bank statements obtained from the District’s audit waiver request revealed that the District issued one check, totaling \$1,983, to Cash-Wa Distributing for food and candy. According to the District, this food was purchased for a fundraiser meal and a funeral meal.

The Local Government Miscellaneous Expenditure Act (Act), which is set out at Neb. Rev. Stat. § 13-2201 (Reissue 2022) et seq., specifies various expenditures, aside from those otherwise authorized by law, that constitute allowable uses of public funds by designated political subdivisions. The provisions of the Act are made applicable to Fire Districts, among numerous other public entities, by both subsections (2) and (3) of Neb. Rev. Stat. § 13-2202 (Reissue 2022).

Neb. Rev. Stat. § 13-2203 (Reissue 2022) of the Act enumerates the miscellaneous expenditures permitted by governing bodies of local governments. Purchases of food for fundraisers, funerals, memorials, or other personal occasions are not found among that select statutory list of permissible expenditures. As a result, such disbursements must be considered disallowed by law.

Good internal control requires procedures to ensure compliance with the provisions of the Act. Without such procedures, there is an increased risk for not only noncompliance with applicable statutory requirements but also loss or misuse of District funds.

We recommend the Board implement procedures to ensure all District purchases are allowable under State statute, including the provisions of the Act.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.
