Nicole Campbell, Chairperson
Village of Inman
295 Main Street
Inman, NE 68742

Dear Chairperson Campbell:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Inman (Village) for the fiscal year ending 2024. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Reissue 2024), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Lack of Dual Signatures

The APA obtained the bank statements for the Village's accounts from its fiscal year 2024 audit waiver request. From these statements, the APA noted that several of the Village checks written during the examination period contained only one signature. Examples of such checks are shown below.

State statute requires Village checks to be signed by both the Chairperson of the Board of Trustees (Board) and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Reissue 2022) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss and/or misuse of Village funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA’s letter dated January 31, 2024, which can be found on the APA’s website. However, this issue does not appear to have been corrected after the APA’s notification.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

2. Payment of Unapproved Claims

During our comparison of the Village’s bank account details to claims approved by the Board, the APA identified the following checks, totaling \$718.39, which were paid but not included on the claims listing to be approved by the Board.

Details of the unapproved payments are included in the table below:

Name/Vendor	Check Date	Amount	Check #
IRS	4/16/24	\$ 520.20	Elec
Bruce Bowman	4/1/24	161.61	10696
Vicki Doty	4/10/24	36.58	10706
Total		\$ 718.39	

Neb. Rev. Stat. § 17-614(1)(a) (Cum. Supp. 2024) sets out the proper method for the appropriation or payment of money by the Village, as follows:

All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all elected members of the city council in a city of the second class or village board of trustees.

(Emphasis added.) Good internal control requires procedures to ensure that all claims are authorized by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

3. Payment of Claims Prior to Board Approval

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that one Village check, totaling \$930.59, was issued before the underlying claim was approved by the Board.

The table below provides a summary of the premature payment:

Name/Vendor	Amount	Approval Date	Check Date	Days Paid Before Approval
Nebraska Public Power District	\$ 930.59	4/8/24	4/2/24	6

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.
