Shauna Abbott, Chairperson  
Village of Melbeta  
PO Box 73  
Melbeta, NE 69355

Dear Chairperson Abbott:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Melbeta (Village) for the fiscal year ending 2024. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Reissue 2024), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

## Comments and Recommendations

### **1. Payroll Tax Withholding Issues**

During the fiscal year ended September 30, 2024, taxes were not withheld from wages paid to Village employees and remitted to either the Internal Revenue Service (IRS) or the Nebraska Department of Revenue (Department). The Village is required to withhold Federal taxes, including income tax, Social Security tax, and Medicare tax, as well as State income tax from compensation paid to municipal employees.

According to the Village Clerk, the Village provides each Village Board member, the Clerk, and the Village Maintenance worker with an IRS Form 1099 instead of withholding and remitting taxes through either a quarterly Form 941 or an annual Form 944, and then issuing a Form W-2 to those employees.

The requirements for withholding payroll taxes from compensation paid to public officials and employees are explained in various Federal and State publications, as described below.

For Federal income taxes, the “Tax Withholding for Government Workers” information (last updated December 13, 2024), which appears on the IRS website, states the following, as is relevant:

*Internal Revenue Code section 3401(c) indicates that an “officer, employee, or elected official” of government is an employee for income tax withholding purposes.*

\* \* \* \*

*The courts generally define “public official” and “public officer” to mean anyone who exercises significant authority pursuant to public laws. This includes any official who administers or enforces public laws whether the public elected the individual or an office appointed them.*

(Emphasis added.) Additionally, the “Frequently Asked Questions” section of IRS Publication 963 (Rev. 7-2020), “Federal-State Reference Guide,” states the following, in relevant part, about the employment status of government officials, especially with regard to not only Federal income taxes but also Social Security and Medicare tax withholdings:

For income tax purposes, elected (or elective) and most appointed officials are defined by IRC Section 3401(c) as employees of the public entity they serve (mayors, members of the legislature, county commissioners, city council members and board or commission members). In general, elected and appointed officials will meet the common-law tests to be considered employees. Regardless of the common-law tests, some positions may be defined as employment by state statute. Some fee-basis officials are by law treated as self-employed. An elected or appointed official who is an employee is subject to rules for mandatory Social Security and Medicare unless covered under a Section 218 Agreement or a qualified participant in a retirement system. All officials elected or appointed to their positions after March 31, 1986, are subject to Medicare withholding.

(Emphasis added.) Turning specifically to State income taxes, the “2024 Nebraska Circular EN,” published by the Nebraska Department of Revenue, provides the following, as is relevant:

If you have an office or conduct business in Nebraska and are considered an employer for federal purposes, you must withhold income taxes for Nebraska. This includes payments made to all employees, including nonresidents, for services performed in this state.

(Emphasis added.) Good internal controls require procedures to ensure both the correct classification of employees for tax purposes and the collection of all required Federal and State taxes from such personnel, as appropriate, and the proper remittance thereof.

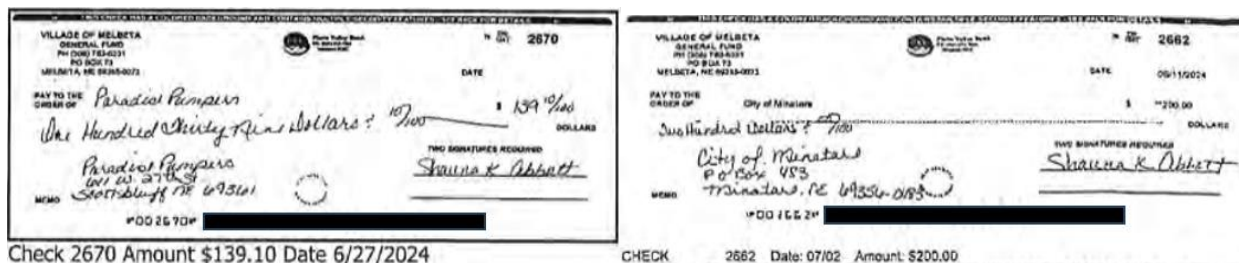

Without such procedures, there is an increased risk for not only failure to comply with State statute and Federal regulations but also the resulting liability of the Village and its employees alike.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA’s letter dated February 20, 2024, which can be found on the APA’s website. However, this issue does not appear to have been corrected after the APA’s notification.

We recommend the Village implement procedures to ensure both the correct classification of employees for tax purposes and the collection of all required Federal and State taxes from such personnel, as appropriate, and the proper remittance thereof.

## 2. Lack of Dual Signatures

The APA obtained the bank statements for the Village’s accounts from its fiscal year 2024 audit waiver request. From these statements, the APA noted that multiple Village checks written during the examination period contained only one signature. Examples of such checks are shown below.

State statute requires Village checks to be signed by both the Chairperson of the Board of Trustees (Board) and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Reissue 2022) provides the following:

*All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.*

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

### 3. Lack of Claim Purpose

During our comparison of the Village’s bank account details to claims approved by the Board, the APA reviewed meeting minutes dated April 11, 2024, and noted that multiple claims listed therein lacked descriptions of their respective purposes. The following is an example of the approved claims listing provided by the Village for April 11, 2024:

<u>Bills for the April 11th, 2024 Board Meeting</u>	
Kerri Weinmaster	- \$500.00
Viaero	- \$41.22
Waste Connections	- \$1220.04
NPPD (Hall)	- \$31.58
NPPD (Fire Dept)	- \$49.98
NPPD (Street Lights)	- \$290.88
NPPD (Church)	- \$55.44
First National Bank of Omaha	- \$1,318.09
City of Minatare	- \$175.00
S&S Plumbing	- \$229.00
One Call Concepts	- \$24.72
Simmons Olsen Law Firm	- \$50.00
Platte Valley Bank/Visa	- \$645.00

Neb. Rev. Stat. § 84-1413(1) (Reissue 2024) of the Open Meetings Act (Act), which is set out at Neb. Rev. Stat. §§ 84-1407 to 84-1414 (Reissue 2024), requires political subdivisions and other public entities to “keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.” (Emphasis added.)

Additionally, Neb. Rev. Stat. § 19-1102 (Reissue 2022) requires publication of the Board’s official proceedings, which must include, among other things, the purpose of each claim allowed, as follows:

*It shall be the duty of each city clerk or village clerk in every city or village having a population of not more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census to prepare and publish the official proceedings of the city*

*council or village board of trustees within thirty days after any meeting of the city council or village board of trustees. The publication shall be in a legal newspaper in or of general circulation in the city or village, shall set forth a statement of the proceedings of the meeting, and shall also include the amount of each claim allowed, the purpose of the claim, and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for the publication shall not exceed the rates provided for in section 23-122.*

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that the Board’s meeting minutes describe the purpose of each claim allowed.

Without such procedures, there is an increased risk of not only failure to comply with statutory requirements pertaining to the keeping of proper meeting minutes and the publication of the municipality’s “official proceedings” but also a lack of transparency regarding the nature of public expenditures.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA’s letter dated February 20, 2024, which can be found on the APA’s website. However, this issue does not appear to have been corrected after the APA’s notification.

We recommend the Board implement procedures to ensure the purpose of each claim allowed is included in both the Board’s meeting minutes and the “official proceedings” required to be published afterwards.

#### **4. Payment of Unapproved Claims**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA identified one payment, totaling \$302.81, which was paid but not included on the claims listing to be approved by the Board.

Details of the unapproved payment are included in the table below:

<b>Name/Vendor</b>	<b>Check Date</b>	<b>Amount</b>	<b>Check #</b>
NE Dept of Revenue	4/23/24	\$ 302.81	EFT

Neb. Rev. Stat. § 17-614(1)(a) (Cum. Supp. 2024) sets out the proper method for the appropriation or payment of money by the Village, as follows:

*All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees.*

(Emphasis added.) Good internal control requires procedures to ensure that all claims are authorized by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA’s letter dated February 20, 2024, which can be found on the APA’s website. However, this issue does not appear to have been corrected after the APA’s notification.

We recommend the Board implement procedures to ensure all claims are authorized by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

**5. Payment of Claims Prior to Board Approval**

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that seven Village payments, totaling \$3,007.23, were issued before the underlying claims were approved by the Board.

The table below provides a summary of the premature payments:

Name/Vendor	Amount	Approval Date	Check Date	Days Paid Before Approval
Viaero	\$ 41.22	4/11/24	4/9/24	2
Waste Connections	1,220.04	4/11/24	4/9/24	2
NPPD - Hall	31.58	4/11/24	4/9/24	2
NPPD - Fire Dept	49.98	4/11/24	4/5/24	6
NPPD - Street Lights	290.88	4/11/24	4/9/24	2
NPPD - Church	55.44	4/11/24	4/9/24	2
FNBO	1,318.09	4/11/24	4/1/24	10
<b>Total</b>	<b>\$ 3,007.23</b>			

Neb. Rev. Stat. § 17-614(1)(a) (Cum. Supp. 2024) sets out the proper method for the appropriation or payment of money by the Village, as follows:

*All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all members elected to the city council in a city of the second class or village board of trustees.*

(Emphasis added.) Good internal control requires procedures to ensure that all claims are authorized by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

A similar issue was identified by the APA in a prior review and was disclosed to the Village in the APA’s letter dated February 20, 2024, which can be found on the APA’s website. However, this issue does not appear to have been corrected after the APA’s notification.

We recommend the Board implement procedures to ensure all claims are authorized by the Board prior to payment and are adequately documented in the meeting minutes of the month in which they are approved.

**6. Job and Wage Publication**

The APA noted that the Village failed to publish its annual job and wage publication between July 15, 2024, and August 15, 2024, as required by State statute. No publication was made by the Village.

Neb. Rev. Stat. § 19-1102 (Reissue 2022) states, in relevant part, the following:

*Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position.*

Good internal control requires procedures to ensure that the Village’s annual job and wage publication is published between July 15 and August 15 annually, as required by law. Without such procedures, there is an increased risk of not only statutory noncompliance but also lack of transparency and loss or misuse of funds.

We recommend the Board implement procedures to ensure the Village’s annual job and wage publication is published between July 15 and August 15 annually, as required by law.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Village.
