William Nejezchleb, Chairperson
Spring Ranch Township Clay County
31352 Deerfield Circle
Clay Center, NE 68933

Dear Chairperson Nejezchleb:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Spring Ranch Township Clay County (Township) for the fiscal year ending 2025. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2025), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the Township.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Payments of Claims Prior to Board Approval

The APA obtained a copy of the August 20, 2025, meeting minutes for the Township Board (Board). Those minutes reflect the Board's approval of all Township expenditures for the fiscal year ending June 30, 2025, as shown below:

A Motion was made by Owen Nelson , seconded by Ryan Hinrichs to approve all bills paid 2024/2025 fiscal budget year. All in favor 3 votes yea, motion carried

According to Township officials, the Board meets only once every year – meaning that any Township expenditures for the last year were not approved by the Board prior to payment.

Nebraska law requires the Board to approve all claims against the Township. In particular, Neb. Rev. Stat. § 23-255 (Reissue 2022) states the following, in relevant part:

All claims and charges against the town, duly audited and allowed by the town board, shall be paid by order so drawn.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails the Board's approval of all expenditures of Township funds prior to their actual disbursement.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. §§ 84-1407 to 84-1414 (Reissue 2024; Supp. 2025). Per Neb. Rev. Stat. § 84-1413(1) (Reissue 2024) public bodies, including the Board, are required to “keep minutes of all meetings,” showing, among other things, “the substance of all matters discussed.”

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves all expenditures and business transactions of the Township prior to payment. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the implementation of procedures to ensure the Board approves all expenditures of Township funds prior to payment, and such approval is documented adequately in the Board’s meeting minutes.

2. Lack of Dual Signatures

The APA obtained the monthly statements for the Township’s bank accounts from its fiscal year 2025 audit waiver request. From those statements, the APA noted that all Township checks written during the examination period contained only one signature. An example of such checks is shown below.

Nebraska law requires both the Clerk and the Chairperson of the Township Board (Board) to sign all checks approved by the Board. In particular, Neb. Rev. Stat. § 23-255 (Reissue 2022) states, in relevant part, the following:

The town clerk shall draw and sign all orders upon the town treasurer for all money to be disbursed by the township, and all warrants upon the county treasurer for money raised for town purposes, or apportioned to the town by the county or state, and present the same to the chairman of the board, to be countersigned by him, and no warrant shall be paid until so countersigned.

(Emphasis added.) In addition, good internal controls and sound accounting practices require procedures to ensure that Township checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the Board implement procedures to require dual signatures, from both the Clerk and the Chairperson, on all Township checks, as required by law.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Township’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the Township.
