Larry Andreasen, Chairperson
Fremont Rural Fire District 8
110 Boulevard Street
Fremont, NE 68025

Dear Chairperson Andreasen:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Fremont Rural Fire District 8 (District) for the fiscal year ending 2025. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2025), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Payments Not Specifically Approved

The APA obtained a copy of the March 13, 2025, meeting minutes for the Board of Directors (Board) of the District. Those minutes reflect the Board's approval of District expenditures; however, a listing of the specific expenditures approved was not included. According to the Office Manager for the District, the Treasurer's Report presented at each quarterly Board meeting only includes bank account balances, and a listing of expenditures is not presented to the Board during meetings.

Per Neb. Rev. Stat. § 35-508(4) (Reissue 2016), the Board has the exclusive power to "manage and conduct the business affairs of the district." Accordingly, any expenditure of District funds requires express Board authorization.

Additionally, Neb. Rev. Stat. § 35-511 (Reissue 2016) provides, in relevant part, the following:

All donations, contributions, bequests, annuities, or borrowed money received by or on behalf of the district shall be deposited with the secretary-treasurer of the district and shall be drawn out only upon proper check. Such check shall be authorized by the board of directors and shall bear the signature of the secretary-treasurer and the countersignature of the president of such district.

(Emphasis added.) Properly discharging the above statutory duties necessarily entails proper financial management, which calls for the Board's approval of all expenditures of District funds. Such Board approval should be prior to the actual disbursement, if possible, or at the next Board meeting.

As a public body, moreover, the Board is subject to the provisions of the Open Meetings Act, which is set out at Neb. Rev. Stat. §§ 84-1407 to 84-1414 (Reissue 2024; Supp. 2025). In particular, Neb. Rev. Stat. § 84-1413(1) (Reissue 2024) requires public bodies, including the Board, to "keep minutes of all meetings," showing, among other things, "the substance of all matters discussed."

Furthermore, a good internal control plan and sound business practices require procedures to ensure that the Board approves, in a timely fashion, all expenditures and business transactions of the District. Those same procedures should ensure also that the Board documents such approval in its meeting minutes, specifying the name of each payee, the exact amount of any disbursement, and the specific purpose of the payment.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss or misuse of public funds.

We recommend the implementation of procedures to ensure the Board approves, in a timely fashion, all expenditures of District funds, and such approval is documented adequately in the Board's meeting minutes. Such Board approval should be prior to the actual disbursement, if possible, or at the next Board meeting.

2. Notice of Budget Hearing and Budget Summary Publication

During review of the District's 2025-2026 budget document, we noted that an Affidavit of Publication was not submitted to support that the notice of budget hearing and budget summary was published in accordance with State statute. Upon further inquiry, the District submitted the notice to the local newspaper; however, the notice was not actually published.

Neb. Rev. Stat. § 13-506(1) (Reissue 2022) states the following, in relevant part:

Notice of place and time of such hearing, together with a summary of the proposed budget statement, shall be published at least four calendar days prior to the date set for hearing in a newspaper of general circulation within the governing body's jurisdiction. For purposes of such notice, the four calendar days shall include the day of publication but not the day of hearing.

Good internal control requires procedures to ensure that the notice of budget hearing and budget summary is published in accordance with State statute. Without such procedures, there is an increased risk of noncompliance with State statute.

We recommend the District implement procedures to ensure that the notice of budget hearing and budget summary is published in accordance with State statute.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.
