Jerry Genereux, Chairperson
Campbell Rural Fire District
2049 Road 200
Campbell, NE 68932

Dear Chairperson Genereux:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Campbell Rural Fire District (District) for the fiscal year ending 2025. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2025), the preliminary examination necessary to determine whether further audit work would be required or the audit waiver should be allowed, the APA noted certain internal control or compliance matters, or other operational issues, within the District.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Potentially Disallowed Purchase

Our review of the bank statements obtained from the District's audit waiver request revealed one debit card purchase, totaling \$83, at Minden Floral & Gifts. Per the District, this was to purchase flowers for the funeral of a volunteer firefighter. This purchase was made from the District's Ambulance Fund checking account, which contained public funds.

The Local Government Miscellaneous Expenditure Act (Act), which is set out at Neb. Rev. Stat. § 13-2201 (Reissue 2022) et seq., specifies various expenditures, aside from those otherwise authorized by law, that constitute allowable uses of public funds by designated political subdivisions. The provisions of the Act are made applicable to Districts, among numerous other public entities, by both subsections (2) and (3) of Neb. Rev. Stat. § 13-2202 (Cum. Supp. 2024).

Neb. Rev. Stat. § 13-2203 (Reissue 2022) of the Act enumerates the miscellaneous expenditures permitted by governing bodies of local governments. Memorials and purchases of flowers – whether for funerals, memorials, or other personal occasions – are not found among that select statutory list of permissible expenditures. As a result, such disbursements must be considered disallowed by law.

On September 17, 1993, the Nebraska Accountability and Disclosure Commission adopted a document entitled "A Guideline to the Use of Public Funds by Cities and Villages – Revised" (Guideline). The Guideline addresses a number of different scenarios involving the expenditure of public funds. Though issued almost three decades ago, the Guideline remains relevant to various Nebraska public entities, including fire districts.

Regarding the issue of flower and memorial purchases, the Guideline provides the following:

Question #6 – May municipal funds be expended for flowers and memorials for deceased elected officials, employees or their families?

Response – No.

Good internal control requires procedures to ensure compliance with the provisions of the Act. Without such procedures, there is an increased risk for not only noncompliance with applicable statutory requirements but also loss or misuse of District funds.

We recommend the Board implement procedures to ensure all District purchases are allowable under State statute, including the provisions of the Act.

2. Expenditures in Excess of Budget

For the fiscal year ended June 30, 2025, actual expenditures exceeded the adopted budget by \$32,638. No amendment was filed with our office for these additional expenditures.

Neb. Rev. Stat. § 13-510 (Reissue 2022) states, in relevant part, the following:

No expenditure during any fiscal year or biennial period shall be made in excess of the amounts indicated in the adopted budget statement, except as authorized in section 13-511, or by state law. Any officer or officers of any governing body who obligates funds contrary to the provisions of this section shall be guilty of a Class V misdemeanor.

Neb. Rev. Stat. § 13-511 (Reissue 2022) sets out the procedures for amending the adopted budget accordingly.

When expenditures are made in excess of the amounts budgeted, with no appropriation adjustments by the Board of Directors (Board) to address those excesses, the District is noncompliant with State statute, further increasing the risk for loss and/or misuse of funds.

We recommend the Board implement procedures for: 1) monitoring closely its budget status on an ongoing basis to avoid incurring expenditures in excess of the amount budgeted; and 2) amending the budget as necessary.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the District's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to make comments and suggestions that we hope will prove useful to the District.

This communication is intended solely for the information and use of the District and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
