

State statute requires Village checks to be signed by both the Chairperson of the Board of Trustees (Board) and the Village Clerk. Specifically, Neb. Rev. Stat. § 17-711 (Reissue 2022) provides the following:

All warrants drawn upon the city treasurer of a city of the second class or village treasurer must be signed by the mayor or chairperson of the village board of trustees and countersigned by the city clerk or village clerk, stating the particular fund to which the same is chargeable, the person to whom payable, and for what particular object. No money shall be otherwise paid than upon such warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for such fund upon which it is drawn and the amount already expended of such fund.

(Emphasis added.) Good internal control and sound accounting practices require procedures to ensure that Village checks contain the statutorily required endorsements.

Without such procedures, there is an increased risk for not only failure to comply with State statute but also loss and/or misuse of Village funds.

We recommend the Board implement procedures to require dual signatures, from the Board Chairperson and the Village Clerk, on all Village checks, as required by law.

2. Payment of Claims Prior to Board Approval

During our comparison of the Village’s bank account details to claims approved by the Board, the APA noted that the following checks, totaling \$2,414.83, were issued before the underlying claims were approved by the Board.

The table below provides a summary of the premature payments:

Name/Vendor	Amount	Approval Date	ACH Date	Days Paid Before Approval
IRS	\$ 1,818.33	4/16/25	3/14/25	33
Nebraska Department of Revenue	493.59	4/16/25	3/18/25	29
Arlo Technologies	19.16	4/16/25	3/19/25	28
Paypal Transfer	14.75	4/16/25	3/28/25	19
Paypal Transfer	59.00	4/16/25	3/28/25	19
Chambers State Bank	10.00	4/16/25	3/31/25	16
Total	\$ 2,414.83			

Neb. Rev. Stat. § 17-614(1)(a) (Cum. Supp. 2024) sets out the proper method for the appropriation or payment of money by the Village, as follows:

All ordinances and resolutions or orders for the appropriation or payment of money shall require for their passage or adoption the concurrence of a majority of all elected members of the city council in a city of the second class or village board of trustees.

(Emphasis added.) Good internal control requires procedures to ensure that all claims are authorized by the Board prior to payment and are adequately documented in the minutes of the meeting during which they are approved.

Without such procedures, there is an increased risk for the loss or misuse of Village funds.

The APA identified a similar issue in a prior review and disclosed it to the Village in a letter dated February 19, 2025, which can be found on the APA’s website. However, this issue does not appear to have been corrected after the APA’s notification.

We recommend the Board implement procedures to ensure all claims are authorized by the Board prior to payment and are adequately documented in the minutes of the meeting during which they are approved.

3. Negative Fund Balance

On Exhibit A of the Village’s audit waiver request form, the APA noted that the General fund had a deficit balance of \$171,309 as of September 30, 2025.

Good internal control and sound accounting practices require procedures to ensure that Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure also that the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take necessary action to resolve any deficits therein.

Without such procedures, there is an increased risk of not only insufficient Village fund balances but also the resultant inability to cover fully all disbursements and transfers approved by the Board.

The APA identified a similar issue in a prior review and disclosed it to the Village in a letter dated February 19, 2025, which can be found on the APA’s website. However, this issue does not appear to have been corrected after the APA’s notification.

We recommend the Village Board implement procedures to ensure the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take necessary action to resolve any deficits therein.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to offer comments and suggestions that we hope will prove useful to the Village.
