Randy Cunningham, Chairperson
Village of Dunbar
105 E Nebraska St.
Dunbar, NE 68346

Dear Chairperson Cunningham:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Dunbar (Village) for the fiscal year ending 2025. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2025), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Mandatory Continuing Education Reporting Noncompliance

During our review of the Village's audit waiver request, the APA examined the annual continuing education hours completed and reported by the Village Treasurer for the calendar year 2025. The calendar year 2025 continuing education hours were required to be reported to the APA by January 31, 2026, and it was noted that the Village Treasurer failed to complete the required continuing education hours for the 2025 calendar year.

On March 6, 2026, as required by Neb. Rev. Stat. § 84-304(13) (Supp. 2025), the APA notified the Attorney General, County Attorney, and Village Board of Trustees of the Village Treasurer's noncompliance with the required annual continuing education program.

Legislative Bill 781 (2020) was approved by the Governor on August 15, 2020, which required the APA to approve a continuing education program. The program established by the APA, effective January 1, 2021, requires all county, city, and village treasurers to complete eight (8) hours of APA-approved continuing education during each calendar year (January 1 through December 31), with a reduction to four (4) hours allowed for any municipality with less than \$100,000 of expenditures during the previous fiscal year. Continuing education hours for the calendar year are required to be filed no later than January 31 subsequent to the reporting calendar year.

Further, Neb. Rev. Stat. § 17-606(3) (Reissue 2022) states the following:

The city treasurer or village treasurer shall annually complete continuing education through a program approved by the Auditor of Public Accounts, and proof of completion of such program shall be submitted to the Auditor of Public Accounts.

A proper system of internal control requires procedures to ensure the Village Treasurer completes the minimum required continuing education hours for the reporting calendar year, and those hours are submitted to the APA by January 31 subsequent to the reporting calendar year. Without such procedures, there is an increased risk of statutory noncompliance and noncompliance with the required annual continuing education program.

We recommend the Village Board and Village Treasurer implement procedures to ensure the Village Treasurer completes the minimum required continuing education hours for the reporting calendar year, and those hours are submitted to the APA by January 31 subsequent to the reporting calendar year.

2. Lack of Supporting Documentation

During the examination of the Village's bank account statements from its fiscal year 2025 audit waiver request, the APA noted one electronic withdrawal, totaling \$100. According to Village representatives, this withdrawal was a monthly retainer payment for the former Village attorney. However, the Village was unable to provide any adequate documentation, including a contract or an agreement, to support such payment.

Good internal controls require procedures to ensure that adequate documentation is maintained for all expenditures of Village funds. Without such procedures, there is an increased risk for the loss, theft, or misuse of Village funds.

We recommend the Village implement procedures to ensure adequate supporting documentation is maintained for all Village expenditures.

Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to offer comments and suggestions that we hope will prove useful to the Village.
