Tyler Wehrbein, Chairperson
Village of Burchard
PO Box 245
Burchard, NE 68323

Dear Chairperson Wehrbein:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Burchard (Village) for the fiscal year ending 2025. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2025), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Negative Fund Balance

On Exhibit A of the Village's audit waiver request form, the APA noted that the Sanitation and Sewer funds had deficit balances of \$1,690.92 and \$14,454.31, respectively, as of September 30, 2025.

Good internal control and sound accounting practices require procedures to ensure that Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure also that the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take necessary action to resolve any deficits therein.

Without such procedures, there is an increased risk of not only insufficient Village fund balances but also the resultant inability to cover fully all disbursements and transfers approved by the Board.

We recommend the Village Board implement procedures to ensure the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take necessary action to resolve any deficits therein.

2. Job and Wage Publication

The APA noted that the Village failed to publish its annual job and wage publication between July 15, 2025, and August 15, 2025, as required by State statute. No publication was made by the Village.

Neb. Rev. Stat. § 19-1102 (Reissue 2022) states, in relevant part, the following:

Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position.

(Emphasis added.) The Internal Revenue Service (IRS) guidance “Tax Withholding for Government Workers” (last updated October 2, 2025), which appears on the IRS website, states the following, as is relevant:

Internal Revenue Code section 3401(c) indicates that an “officer, employee, or elected official” of government is an employee for income tax withholding purposes.

The courts generally define “public official” and “public officer” to mean anyone who exercises significant authority pursuant to public laws. This includes any official who administers or enforces public laws whether the public elected the individual or an office appointed them.

Good internal control requires procedures to ensure that the Village’s annual job and wage publication is completed between July 15 and August 15 annually, as required by law. Such newspaper publication, not posting, should include all Village positions, such as Clerk, Treasurer, and Board positions even if that position receives no compensation.

Without such procedures, there is an increased risk of not only statutory noncompliance but also lack of transparency and loss or misuse of funds.

We recommend the Board implement procedures to ensure the Village’s annual job and wage publication is published between July 15 and August 15 annually, as required by law, and such newspaper publication, not posting, should include all Village positions, such as Clerk, Treasurer, and Board positions even if that position receives no compensation.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village’s policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to offer comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
