Linda Hudson, Chairperson
Village of Belvidere
402 C Street
Belvidere, NE 68315

Dear Chairperson Hudson:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Belvidere (Village) for the fiscal year ending 2025. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2025), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted the following compliance matter, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comment and Recommendation

Job and Wage Publication

The APA noted that the Village failed to publish its annual job and wage publication between July 15, 2025, and August 15, 2025, as required by State statute. However, the publication was done on October 22, 2025.

Neb. Rev. Stat. § 19-1102 (Reissue 2022) states, in relevant part, the following:

Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position.

Good internal control requires procedures to ensure that the Village's annual job and wage publication is published between July 15 and August 15 annually, as required by law.

Without such procedures, there is an increased risk of not only statutory noncompliance but also lack of transparency and loss or misuse of funds.

We recommend the Board implement procedures to ensure the Village's annual job and wage publication is published between July 15 and August 15 annually, as required by law.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to offer comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
