Dalton Dunklau, Chairperson
Village of Carroll
PO Box 66
Carroll, NE 68723

Dear Chairperson Dunklau:

The Nebraska Auditor of Public Accounts (APA) has reviewed the audit waiver request received from the Village of Carroll (Village) for the fiscal year ending 2025. **That request has been approved.**

While performing, pursuant to Neb. Rev. Stat. § 84-304 (Supp. 2025), the preliminary examination necessary to determine whether the audit waiver should be allowed or further audit work would be required, the APA noted certain internal control or compliance matters, or other operational issues, within the Village.

The following information is intended to improve internal controls or result in other operational efficiencies.

Comments and Recommendations

1. Mandatory Continuing Education Reporting Noncompliance

During our review of the Village's audit waiver request, the APA examined the annual continuing education hours completed and reported by the Village Treasurer for the calendar year 2025. The calendar year 2025 continuing education hours were required to be reported to the APA by January 31, 2026, and it was noted that the Village Treasurer failed to complete the required continuing education hours for the 2025 calendar year.

On March 6, 2026, as required by Neb. Rev. Stat. § 84-304(13) (Supp. 2025), the APA notified the Attorney General, County Attorney, and Village Board of Trustees of the Village Treasurer's noncompliance with the required annual continuing education program.

Legislative Bill 781 (2020) was approved by the Governor on August 15, 2020, which required the APA to approve a continuing education program. The program established by the APA, effective January 1, 2021, requires all county, city, and village treasurers to complete eight (8) hours of APA-approved continuing education during each calendar year (January 1 through December 31), with a reduction to four (4) hours allowed for any municipality with less than \$100,000 of expenditures during the previous fiscal year. Continuing education hours for the calendar year are required to be filed no later than January 31 subsequent to the reporting calendar year.

Further, Neb. Rev. Stat. § 17-606(3) (Reissue 2022) states the following:

The city treasurer or village treasurer shall annually complete continuing education through a program approved by the Auditor of Public Accounts, and proof of completion of such program shall be submitted to the Auditor of Public Accounts.

A proper system of internal control requires procedures to ensure the Village Treasurer completes the minimum required continuing education hours for the reporting calendar year, and those hours are submitted to the APA by January 31 subsequent to the reporting calendar year. Without such procedures, there is an increased risk of statutory noncompliance and noncompliance with the required annual continuing education program.

We recommend the Village Board and Village Treasurer implement procedures to ensure the Village Treasurer completes the minimum required continuing education hours for the reporting calendar year, and those hours are submitted to the APA by January 31 subsequent to the reporting calendar year.

2. Negative Fund Balance

On Exhibit A of the Village's audit waiver request form, the APA noted that the General fund had a deficit balance of \$50,791 as of September 30, 2025. Per the Village Clerk, the Village had covered utility expenses in the General Fund in the past; however, for fiscal year 2026, the Village plans to monitor spending and expects not to have to pay any utility expenses out of the General Fund, which should help resolve the deficit fund balance.

Good internal control and sound accounting practices require procedures to ensure that Village fund balances are sufficient to cover fully all disbursements and transfers approved by the Board. Those same procedures should ensure also that the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take necessary action to resolve any deficits therein.

Without such procedures, there is an increased risk of not only insufficient Village fund balances but also the resultant inability to cover fully all disbursements and transfers approved by the Board.

We recommend the Village Board implement procedures to ensure the Board is apprised regularly of each Village fund balance and, therefore, placed in a position to take necessary action to resolve any deficits therein.

The preliminary planning work that resulted in this letter was designed primarily on a test basis and, therefore, may not bring to light all existing weaknesses in the Village's policies or procedures. Nevertheless, our objective is to use the knowledge gained during the performance of that preliminary planning work to offer comments and suggestions that we hope will prove useful to the Village.

This communication is intended solely for the information and use of the Village and its management. It is not intended to be, and should not be, used by anyone other than those specified parties. However, this letter is a matter of public record, and its distribution is not limited.
