** APA attempted to identify all taxes levied as part of County budgets, including taxes that were identified by the County Assessor as a Misc. Dist. when the County Assessor prepared the Certificate of Taxes Levied (CTL) report that was submitted to the Department of Revenue. If the amount of taxes levied for your County does not appear correct, please contact the APA. There may be slight variances between final taxes levied according to this report, and the property tax request shown on the budget due to changes in valuation after valuations were originally certified.
