Common Questions

How many days must the notice be published prior to the meeting?
Notice must be published 4 days prior to hearing date. State Statute 13-506 states "For purposes of such notice, the fi calendar days shall include the day of publication but not the day of hearing.

My notice did not get printed, now what do I do?
If for some reason your notice does not get printed, you are still required to publish and hold another hearing. The 4 da rule still applies. If there is not time to publish and hold meeting prior to the September 30 deadline, your budget will b late and you need to submit as soon as possible.

The Board approved a budget different than what was published?
If the Board approves a budget at the meeting that is different than the published information, you must publish a summ of the changes within 20 days after the date the budget is adopted. File your budget timely, and submit publication of summary of changes once that has been published.

Found a calculation error in the budget after it was adopted, now what?

It has been less than 30 days since adoption of the budget:

If the total amount budgeted changes by less than 1% and the property taxes do not increase, you can correct the forms and submit a new version to the Auditor, County Clerk and Dept. of Education. You are not required to hold hearing or publish the change.

It has been more than 30 days since adoption of the budget:
You must follow the procedures of amending the budget that are found in Statute 13-511. This includes holding a hearing, publication and then filing the new forms with Auditor, County Clerk and Dept. of Education

The County Assessor changes the certified valuation after the budget and tax request has been adopted.

The change causes the levy to exceed the levy limit.
The budget will need to be amended to reduce the property taxes so that the levy limit is not exceeded. Hearing a publication will depend on if it has been less than 30 days after adoption and if total amount budgeted changes by than 1%.

The change causes the levy to be reduced
The County Board is responsible to set the levy based on the property tax request amount and the valuation, so a change to the valuation will change the levy set, but will not change the amount collected in taxes. Therefore, the budget will not need to be amended.

Can we hold the hearings the same day as the board meeting to approve the budget and tax request?
LB 148 (2020) states the budget hearing must be held separately from regularly scheduled meeting and cannot be limited by time. Nothing indicates the hearing cannot be held the same day as a meeting.

WHEREAS, the Board of Education ("Board") for **Knox County School District 54-0586**, commonly known as **Bloomfield Community Schools** (the "School District"); and,

WHEREAS, the Nebraska Legislature enacted several measures including LB 243, to adjust public school district revenue and finances; and,

WHEREAS, LB 243 generally limits a public school district's property tax request authority, subject to limited exceptions; and

WHEREAS, LB 243 includes an exception to generally allow a school district to otherwise exceed the default property tax request authority if at least seventy percent of the Board of Education votes in favor of the increased request; and

WHERES, Nebraska law authorizes the Board, upon affirmative vote of at least seventy percent (70%) of the Board, to increase such base growth percentage by up to 7 percent (7%).

BE IT THEREFORE RESOLVED that, pursuant to Nebraska State Statute 79-2405(2), the Board hereby increases the base growth percentage used to determine its property tax request authority for the 2025-2026 budget in an amount of 7%.
