CENTRAL PLATTE NATURAL RESOURCES DISTRICT
RESOLUTION SETTING THE PROPERTY TAX REQUEST FISCAL YEAR 2025/2026

In compliance with provisions of the Nebraska Revised Statute Section 77-1601.02 this Resolution was passed by majority vote of the board of directors of the Central Platte Natural Resources District at their board meeting on September 4, 2025, which followed a special hearing earlier that day to set the final tax request at a different amount than the prior year tax request.

Central Platte Natural Resources District's 2025/2026 property tax request is $5,347,834.31. The total assessed value of property for 2025/2026 is $ 24,601,392,788 which would require a levy of 0.021738.

The total assessed value of property for 2025/2026 differs from the 2024/2025 total assessed value of property which was $22,391,731,570.00 by 9.87 percent;

The tax rate which would levy the same amount of property taxes as 2024/2025, when multiplied by the 2025/2026 total assessed value of property, would be $0.021744 per $100.00 of assessed value;

Central Platte Natural Resources District proposes to adopt a property tax request that will cause its tax rate to be $0.021738 per $100.00 of assessed value; and

Based on Central Platte Natural Resources District's proposed 2025/2026 property tax request, and changes in other revenue, the total operating budget of $31,799,740.74 will be less than the 2024/2025 operating budget of $34,714,184.14 by 8.40 percent.

A record of the vote of the Central Platte Natural Resources District board in passing this resolution is attached.

A copy of this resolution will be forwarded to the County Clerk prior to October 13, 2025.
