Township Property Taxes

If this is a Township Subdivision budget form, the amount of property taxes shown above and on the front cover may not represent the amount the Township will receive. Statute 39-1522 outlines that one-half of all money collected from the township levy on property within the corporate limits of a city or village shall be paid to the treasurer of the city or village to be used for the maintenance and repairs of the streets.

Township should take this into consideration when determining property tax amount to be budgeted.

City/Village Valuation included in Township Valuation	
General Fund Tax Rate	0.052123
Township Taxes within City/Village	-

Note: Township would need to verify with County Assessor the amount of City / Village valuation included within the Township Total Valuation. This calculation is only shown here as information for the Township to help determine the amount of property taxes needed to operate. **IT SHOULD NOT BE USED BY THE COUNTY FOR LEVY SETTING PURPOSES.**

Cash Reserve Fund

Statute 13-503 says cash reserve means funds required for the period before revenue would become available for expenditure but shall not include funds held in any special reserve fund. If the cash reserve on Page 2 exceeds 50%, you can list below amounts being held in a special reserve fund.

Hooper, Nebraska

Management is responsible for the accompanying budget document for Everett Township, Dodge County which comprises the historical statements of cash receipts and disbursements for the years ended June 30, 2024 and 2025, and the annual budget for the year ending June 30, 2026, included in the accompanying prescribed form. We have performed the compilation engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the budget document.

A compilation of forecasted cash receipts and disbursements is limited to presenting in the form of a budget information that is the representation of management and does not include evaluation of the support for the assumptions underlying the budget. We have not examined the budget and, accordingly, do not express an opinion or any other form of assurance on the accompanying budgeted cash receipts and disbursements or assumptions for the year ending June 30, 2026. Furthermore, there will usually be differences between the budgeted and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

The budget document included in the accompanying prescribed form is intended to comply with the requirements of the Nebraska Auditor of Public Accounts which does not include all disclosures required by the cash basis of accounting and is not intended to be a presentation in accordance with accounting principles generally accepted in the United States of America.
