Township Property Taxes

If this is a Township Subdivision budget form, the amount of property taxes shown above and on the front cover may not represent the amount the Township will receive. Statute 39-1522 outlines that one-half of all money collected from the township levy on property within the corporate limits of a city or village shall be paid to the treasurer of the city or village to be used for the maintenance and repairs of the streets.

Township should take this into consideration when determining property tax amount to be budgeted.

This calculation is only shown here as information for the Township to help determine the amount of property taxes needed to operate. IT SHOULD NOT BE USED BY THE COUNTY FOR LEVY SETTING PURPOSES.

Cash Reserve Fund
