Yes the formula just got deleted for 24/25. You won't need to republish or hold another meeting as it meets the below conditions.

When you submit docs to all of us you might circle on the published doc and write on it that the formula was deleted.

Correcting the Budget

A budget may be corrected for clerical, mathematical or accounting errors without holding a public hearing if the following conditions are met:

- The board of education discovers the error(s) within 30 days of adopting the budget.
- The correction does not affect the total budget of disbursements and transfers by more than one percent (1%); or
- The correction does not increase the amount of the property tax request.

If the Auditor of Public Accounts notifies a school district of one of these errors, the budget may also be corrected within 30 days without holding a hearing.
