Township Property Taxes

If this is a Township Subdivision budget form, the amount of property taxes shown above and on the front cover may not represent the amount the Township will receive. Statute 39-1522 outlines that one-half of all money collected from the township levy on property within the corporate limits of a city or village shall be paid to the treasurer of the city or village to be used for the maintenance and repairs of the streets.

Township should take this into consideration when determining property tax amount to be budgeted.

This calculation is only shown here as information for the Township to help determine the amount of property taxes needed to operate. **IT SHOULD NOT BE USED BY THE COUNTY FOR LEVY SETTING PURPOSES.**

Cash Reserve Fund

Statute 13-503 says cash reserve means funds required for the period before revenue would become available for expenditure but shall not include funds held in any special reserve fund. If the cash reserve on Page 2 exceeds 50%, you can list below amounts being held in a special reserve fund.

Discussion about gravel/rock and payment:

Steven asked for rock; Scott Huppert looks at the roads in question, makes the call and the decision to buy and put down. The Township is to pay the cost above the cost of gravel.

The County covers pea size gravel. The Township is allocated 180 tons/mile/fiscal year (July 1-June 30).

It takes 3-4 trucks and a pup to do a whole mile of white rock.

Steven will check with Scott Huppert about which roads we've already ordered gravel on. Steven has the Board's OK to order rock/gravel.

The Board discussed Denise's suggestion of not paying board members for awhile to save money. Joe suggested it be tabled for a month. The Board voted unanimously to table it.

Scott asked if we could pay ½ now and ½ before the end of the fiscal year. Joe said it would probably have to be voted on by the Board of Supervisors.

Joe gave the Board an updated mail route road map, which has to do with Township/County payment of rock and gravel.

The Board discussed transferring $10,000 from savings to checking to cover rock bill and miscellaneous bills. Scott made a motion to transfer the money; Joe seconded. The motion was unanimously passed. Denise will transfer the money.

Operator discussion:

Joe reminded Steven that the operator's normal hours are 30 hours per week. Joe suggested to Steven that he writes down the hours on the CAT at the beginning of the week and at the end of the week.

There was no other discussion. The next meeting was scheduled for June 2nd at 5 pm & the meeting was adjorned.

Scott Bang, Township Clerk
